**The Romantic Fragment Poem** Marjorie Levinson, 2017-11-01 The fragment poem long regarded as a peculiarly Romantic phenomenon has never been examined outside the context of thematic and biographical criticism By submitting the unfinished poems of the English Romantics to both a genetic investigation and a reception study Marjorie Levinson defines the fragment's formal character at various moments in its historical career She suggests that the formal determinacy of these works hence their expressive or semantic affinities is a function of historical conditions and projections The English Romantic fragment poems share not so much a particular mode of production as a myth of production Levinson pries apart these two dimensions and analyzes each independently to consider their relationship By reconstructing the contemporary reception of such works as Wordsworth's *Nutting* Coleridge's *Christabel* and *Kubla Khan* Shelley's *Julian and Maddalo* and Keats's *Hyperion* fragments and juxtaposing this model against dominant twentieth century critical paradigms Levinson discriminates layers phases and kinds of intentionality in the poems and considers the ideological implications of this diversity This study is the first to investigate the English Romantic fragment poem by identifying the assumptions contemporary and belated that govern interpretative procedures In a substantial summary chapter Levinson reflects upon the meaning and effects of these assumptions with respect to the facts and fictions of literary production in the period and to the processes of canon formation Originally published in 1986 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

**“Something that I read in a book”: W. B. Yeats’s Annotations at the National Library of Ireland** Wayne K.

Chapman, 2022-02-12 This book is a resource to enable scholars and students in Yeats studies to explore the materials in his library which together with his unpublished papers and manuscripts forms part of the writer’s archive in the National Library. Generally this first volume describes the evidence that he and his wife George left in books by other authors including extensive indications of close reading and thinking on a surprising range of subjects. This book could not have been written without the generous participation of the Yeats family over many years. Their legacy now entrusted to the National Library is robust and endless in potential. This book is about individual cases but also the building of an oeuvre. In short this book enriches our understanding of Yeats’s accomplishment as a writer in over fifty years of creative effort and nearly seventy-four years of abundant life. *Catalogue* Wells, Edgar H. & Co, 1923 **Brooklyn Public Library News Bulletin** Brooklyn Public Library, 1922 *Bulletin of the Brooklyn Public Library* Brooklyn Public Library, 1922 *Quarterly Bulletin* Brooklyn Public Library, 1922 W.B. Yeats and W.T. Horton George Mills Harper, 1980-06-18 *Yeats’s Poetic Codes* Nicholas Grene, 2008-06-12 Nicholas Grene explores Yeats’s poetic codes of practice: the key words and habits of speech that shape the reading experience of his poetry. Where previous studies have sought to decode his work expounding its symbolic meanings by references to Yeats’s occult beliefs, philosophical ideas or political ideology, the focus here is on his poetic technique, its typical forms and their implications for the understanding of the poems. Grene is concerned with the distinctive stylistic signatures of the *Collected Poems*: the use of dates and place names within individual poems; the handling of demonstratives and of grammatical tense and mood; certain nodal Yeatsian words: dream, bitter, sweet and images: birds and beasts, dialogue and monologue as the voices of his dramatic lyrics. The aim throughout is to illustrate the shifting and unstable movement between lived reality and transcendental thought in Yeats: the embodied quality of his poetry between a phenomenal world of sight and an imagined world of vision.
