**A Chronology of Librarianship, 1960-2000**

Jeffrey M. Wilhite, 2009-07-01 *A Chronology of Librarianship 1960-2000* continues the work of Josephine Smith in her original *Chronology of Librarianship* Scarecrow 1968. It updates and completes her work up to 2000, paying special attention to the progress made on technological and international fronts that have significantly altered the role and function of the librarian, especially the rise of the internet in the 1990s. The ramifications of this new level of global connectedness and of the new role of the librarian are of primary concern for author Jeffrey M. Wilhite. This book covers all areas of library literature that inform the history of librarianship and ranges over multiple continents. Its broad scope lends itself to wide use by scholars and students of library history and library literature. The chronology is presented in a dictionary format and separated into decades. It is complemented by a comprehensive bibliography and name index. *Integrating African American Literature in the Library and Classroom* Dorothy Littlejohn Guthrie, 2011-09-14

In this book, African American literature is illuminated through a project-based curriculum that incorporates national curriculum standards. It is important that the school curricula be representative of the diversity of the American student population. *Integrating African American Literature in the Library and Classroom* is designed to help teachers and librarians achieve that goal. The book recommends and annotates more than 200 titles that touch on African American life from slavery through the present time, most of them by black authors and many of them winners of the Coretta Scott King Caldecott and/or Newbery awards. This guide offers cross-curricular lesson plans for grades K-12. Each chapter identifies areas in which instructional attention is most needed to help students develop a greater appreciation for diversity, perseverance, and ethnicity. Examples and ideas for activities are offered to reinforce related concepts. With this book, teachers and librarians will be better able to motivate and inform, helping students discover the richness of African American culture now and through time. **Black Authors and Illustrators of Books for Children and Young Adults** Barbara Thrash Murphy, Deborah L. Murphy, 2006-12-21
