Listening as Spiritual Practice in Early Modern Italy

Andrew Dell'Antonio, 2011-07-21 The early seventeenth century when the first operas were written and technical advances with far reaching consequences such as tonal music began to develop is also notable for another shift the displacement of aristocratic music makers by a new professional class of performers In this book Andrew Dell Antonio looks at a related phenomenon the rise of a cultivated audience whose skill involved listening rather than playing or singing Drawing from contemporaneous discourses and other commentaries on music the visual arts and Church doctrine Dell Antonio links the new ideas about cultivated listening with other intellectual trends of the period humanistic learning contemplative listening or watching as an active spiritual practice and musical mysticism as an ideal promoted by the Church as part of the Catholic Reformation

Music Theory and the Exploration of the Past Christopher Hatch, David W. Bernstein, 1993 In recent decades increased specialization has sharply separated music theory from historical musicology Music Theory and the Exploration of the Past brings together a group of essays written by theorists and musicologists that seek to bridge this gap This collection shows that music theory can join forces with historical musicology to produce a more humanistic form of musical scholarship In nineteen essays dealing with musical theories from the twelfth to the twentieth century two recurring themes emerge One is the need to understand the historical circumstances of the writing and reception of theory a humanistic approach that gives theory a place within social and intellectual history The other is the advantages of applying contemporaneous theory to the music of a given period thus linking theory to the history of musical styles and structures The periods given principal attention in these essays are the Renaissance the years around 1800 and the twentieth century Abundantly illustrated with musical examples Music Theory and the Exploration of the Past offers models of new practical applications of theory to the analysis of music At the same time it raises the broader question of how historical knowledge can deepen the understanding of an art and of systematic writings about that art

Italian Literature Before 1900 in English Translation Robin Healey, 2011-01-01 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy's most translated authors Dante Alighieri Niccolò Machiavelli and Giovanni Boccaccio and other hundreds which represent the author's only English translation A significant number of entries describe works originally published in Latin Together with Healey's Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations

accessible for schools libraries and those interested in comparative literature Pub desc "Sexualities, Textualities, Art and Music in Early Modern Italy " LindaL. Carroll,2017-07-05 Taking as axiomatic the concept that artistic output does not simply reflect culture but also shapes it the essays in this interdisciplinary collection take a holistic approach to the cultural fashioning of sexualities drawing on visual art theatre music and literature in sacred and secular contexts Although there is diversity in disciplinary approach the interpretations and readings offered in each essay have a historical basis Approaching the topic from the point of view of both visual and auditory media this volume paints a comprehensive picture of artists challenges to erotic boundaries and contributes to new historicizing thinking on sexualities Collectively the essays demonstrate the role played by artistic production visual arts literature theatre and music in fashioning policing and challenging early modern sexual boundaries and thus help to identify the ways in which the arts contributed to both the disciplining and the exploration of a range of sexualities

Toms Luis de Victoria Eugene Casjen Cramer,2013-10-28 With over 1 700 entries this book is the most comprehensive listing to date of writings about Tomas Luis de Victoria and his music as well as recordings and modern editions of his works Among the features of this guide are a chronology of Victoria s life and publications a publication history of the 181 authenticated works and a listing of the 22 prints and 279 manuscripts from the late 16th century to the middle of the 19th century that contain Victoria s works whether they be lost spurious or dubious Comprehensive title and name subject indexes facilitate the retrieval of the information given in the annotations accompanying each of the sources surveyed

Orpheus in the Marketplace Tim Carter,Richard A. Goldthwaite,2013-11-04 This record of Florentine musician Jacopo Peri s wide ranging investments and activities in the marketplace enables the first detailed account of the Florentine economy in the late sixteenth and early seventeenth centuries and opens a completely new perspective on one of Europe s principal centers of capitalism

A History of Baroque Music George J. Buelow,2004-11-23 A History of Baroque Music is a detailed treatment of the music of the Baroque era with particular focus on the seventeenth century The author s approach is a history of musical style with an emphasis on musical scores The book is divided initially by time period into early and later Baroque 1600 1700 and 1700 1750 respectively and secondarily by country and composer An introductory chapter discusses stylistic continuity with the late Renaissance and examines the etymology of the term Baroque The concluding chapter on the composer Telemann addresses the stylistic shift that led to the end of the Baroque and the transition into the Classical period Jacket

Severo Boninis Discorsi E Regole A Bilingual Edition Introduction

In today's digital age, the availability of Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Severo Boninis Discorsi E Regole A Bilingual Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Severo Boninis Discorsi E Regole A Bilingual Edition books and manuals for download and embark on your journey of knowledge?
