Mihura, 2016-02-05 Handbook of Gender and Sexuality in Psychological Assessment brings together two interrelated realms psychological assessment with gender and sexuality This handbook aids in expanding the psychological assessors knowledge and skill when considering how gender and sexuality shapes the client's and the assessor's experiences Throughout the six sections gender and sexuality are discussed in their relation to different psychological methods of assessment various psychological disorders special considerations for children adolescents and older adults important training and ethical considerations as well as several in depth case discussions The Sexual Century Ethel Spector Person, 1999-01-01 Over the course of the past century sexual liberation has transformed the way in which most of us regard our bodies and live our sexual lives Now a preeminent psychoanalytic theoretician on sex and gender discusses what has gone into this unquiet revolution the roles played by sexologists and psychoanalysts antibiotics and birth control the liberation movements and Freud's insight that sex has as much to do with the mind as with the genitals In this collection of new and previously

published papers Ethel Person writes of the centrality of sexuality to our identity She describes the role of fantasy in desire its different expression in the sexes and the way in which desire is inevitably intertwined with power Her classic papers on transvestism transsexualism and cross dressing homosexuals written with Lionel Ovesey help us to understand how gender and sex develop in all of us The public acceptance of the transsexual says Person is emblematic of the profound scientific and intellectual shifts that have taken place in the past hundred years The way that sex and gender develop and are experienced and expressed is the result not only of nature and nurture but also of the cultural zeitgeist its unspoken values and biases
