Moralists and Modernizers Steven Mintz, 1995-08 Moralists and Modernizers tells the fascinating story of America s first age of reform combining incisive portraits of leading reformers and movements with perceptive analyses of religion politics and society

Max Weber, Rudolf Steiner, and Modern Western Esotericism Aaron French, 2025-03-10 This

book challenges previous definitions of modernity by comparing Max Weber 1864 1920 often considered the most important sociologist of the 20th century and Rudolf Steiner 1861 1925 founder of Waldorfp dagogik and the esoteric social reform movement of anthroposophy While acknowledging that Weber and Steiner were different in several respects this research illustrates that the individual histories of these two thinkers are more entangled than previously recognized This includes the influence of esotericism on their thinking as well as their profound concern with science and technological change and an openness to the religious and philosophical concepts of the civilizations of South and East Asia Demonstrating the importance of non European influences for a full understanding of modernity this book will be a valuable resource for students and scholars of Asian and European philosophy social theory and Asian society
