

# Sex And Women With Learning Disabilities

**Mark Cowling, Paul Reynolds**

## **Sex And Women With Learning Disabilities:**

Sexuality and Women with Learning Disabilities Michelle McCarthy, 1999 *Sexuality and Women with Learning Disabilities* makes a significant contribution to both feminist and disability literature because it challenges common assumptions about the sexuality of people with learning disabilities forces a reconsideration of how this group of people are viewed by those around them and links gender and disability in its analysis Tizard Learning Disability Review By tackling issues that have received little meaningful attention McCarthy both makes a valuable contribution to the literature and provides a useful practical guide to those wishing to support their clients more effectively Mental Health and Learning Disabilities Care The thoroughness and attention to detail with which McCarthy has investigated and written about the sexual lives of a small number of women with mild to moderate learning difficulties is to be commended Drawing upon interviews with the women who participated in this study there is explicit detail about the reality of their sexual lives that overall comes across as sad poignant and often shocking with a high level of sexual abuse revealed however McCarthy has a strong code of ethics and sensitivity and a reflexive honesty about her role and stance as a feminist researcher that removes any possibility or suggestion of prurient voyeurism or exploitation being a part of this research McCarthy writes as a woman with and about women allowing their voices about their sexual experiences to be heard through the medium of in depth interviews Within the book the sexual experiences of women with learning disabilities are set in a wider policy and practice framework and discussed in relation to ideologies surrounding learning disability gender and sexuality in a cultural context The book ends with a chapter discussing and listing policy and practice recommendations including suggestions about changes to the law Overall this was a convincing and compelling book that deserves serious attention and I would strongly recommend it to anyone with an interest in learning disability issues including practitioners carers relatives advocates and counsellors CSPRD Newsletter In this study of women with mild and moderate learning disabilities Michelle McCarthy investigates how these women experience their sexual lives basing her research on interviews with the women themselves She argues the importance of informing the work of those responsible at research practice and policy levels with the voices of people with learning disabilities In the interviews women talk openly about what form their sexual activity takes and what it means for them the circumstances in which it occurs and the pleasures or lack thereof associated with it These interviews directly shape the policy and practice recommendations the author makes Michelle McCarthy's findings suggest that women with learning disabilities commonly find themselves engaged in sexual activity which is not to their liking and not of their choosing A high level of sexual abuse was also reported The author discusses this in relation to the cultural forces which have influenced Western perceptions of sexuality feminism and theories and prejudices about learning disabilities She also studied the impact of institutional and community settings on the sexuality of women with learning disabilities In *Sexuality and Women with Learning Disabilities* McCarthy makes recommendations for policy and practice which will protect this

vulnerable group and advises on education support and seeking justice for abused women      Sexuality and Relationships in the Lives of People with Intellectual Disabilities Daniel Docherty, Sue Ledger, Louise Townson, Rohhss Chapman, 2014-10-28 Wide ranging authoritative and grounded in the expertise of people with intellectual disabilities this book offers an authentic account of the challenges those with intellectual disabilities face in their relationships and sex lives across the globe and explores what society needs to do to respect their rights      *Learning Difficulties and Sexual Vulnerability* Andrea Hollomotz, 2011-08-15 People with learning difficulties are considerably more likely to experience sexual violence than those without and for this reason they are often described as vulnerable This book argues that treating adults with learning difficulties as vulnerable leaves them with fewer of the skills which are needed to protect themselves from harm      Intimate and Personal Care with People with Learning Disabilities Steven Carnaby, Paul Cambridge, 2006 This book examines aspects of care such as training ethnicity sexuality and competence in practice Topics include the nature of touch how physical contact is intended and experienced carers duty of care and risk management The book also explores management considerations of best value care standards performance monitoring and inspection      **Health of Women with Intellectual Disabilities** Patricia Noonan-Walsh, Patricia Walsh, Tamar Heller, 2008-04-15 The first interdisciplinary book taking a contextual approach to the developing health needs of women with intellectual disabilities It considers the social economic and political contexts of health promotion Its concise but comprehensive evidence base makes it a unique reliable source for a wide readership      Women With Intellectual Disabilities Kelley Johnson, 2000-03-01 This book provides the first comprehensive exploration of the issues affecting the lives of women with intellectual disabilities Women from all over the world have collaborated to write about their lives their experiences and their hopes for the future Different aspects of life work family relationships and more are discussed      Routledge International Handbook of Women's Sexual and Reproductive Health Jane M. Ussher, Joan C. Chrisler, Janette Perz, 2019-09-23 The Routledge International Handbook of Women s Sexual and Reproductive Health is the authoritative reference work on important leading edge developments in the domains of women s sexual and reproductive health The handbook adopts a life cycle approach to examine key milestones and events in women s sexual and reproductive health Contributors drawn from a range of disciplines including psychology medicine nursing and midwifery sociology public health women s studies and indigenous studies explore issues through three main lenses the biopsychosocial model feminist perspectives international multidisciplinary perspectives that acknowledge the intersection of identities in women s lives The handbook presents an authoritative review of the field with a focus on state of the art work encouraging future research and policy development in women s sexual and reproductive health Finally the handbook will inform health care providers about the latest research and clinical developments including women s experiences of both normal and abnormal sexual and reproductive functions Drawing upon international expertise from leading academics and clinicians in the field this is essential reading for scholars and students interested in women s

reproductive health      **Learning Disability** Grant, Gordon, Ramcharan, Paul, Flynn, Margaret, 2010-05-01 Learning Disability uses a life cycle approach to show how those with learning disabilities can be helped most at different stages in their lives      *Making Sense of Sexual Consent* Mark Cowling, Paul Reynolds, 2017-03-02 The issue of sexual consent has stimulated much debate in the last decade The contributors to this illuminating volume make sense of sexual consent from various conceptual standpoints socio legal post structural philosophical and feminist The volume comprises a range of studies all based around consent within a specific context such as criminal justice homosexuality sadomasochism prostitution male rape learning disabilities sexual ethics and the age of consent It is the first collection to publish exclusively on issues of sexual consent and both makes sense of sexual consent in contemporary society and guides debate towards better consent standards and decisions in the future Making Sense of Sexual Consent will excite considerable discussion amongst academics professionals and all those who think that freedom to make decisions about our sexual selves is important It will set the agenda for debate on sexual consent into the 21st Century      **Psychosocial Aspects of Disability** Irmo Marini, Noreen M. Graf, Michael Millington, 2017-10-28 Praise for the First Edition This is an excellent book but the best parts are the stories of the disabled which give readers insights into their struggles and triumphs Score 94 4 Stars Doody's Medical Reviews What are the differences between individuals with disabilities who flourish as opposed to those who never really adjust after a trauma How do those born with a disability differ from individuals who acquire one later in life Fully updated and revised this second edition of a unique rehabilitation counseling text reflects growing disparities among haves and have nots as they bear on the psychosocial aspects of disability New content focuses on returning veterans afflicted with physical and mental health problems persons with disabilities living in poverty and the need for increased family and community based engagement The book provides updated information about assisted suicide genetic testing new legislation and much more Using a minority model perspective the text provides students and practitioners of rehabilitation and mental health counseling with vivid insight into the experience of living with a disability It features first person narratives from people living with a variety of disabling conditions which are integrated with sociological and societal perspectives toward disability and strategies for counseling such individuals The text encompasses an historical perspective psychological and sociological research cultural variants regarding disability myths and misconceptions the attitudes of special interest and occupational groups the use positive psychology and adjustments to disability by the individual and family A wealth of counseling guidelines and useful strategies are geared to individuals with specific disabilities Designed for a 15 week semester the book also includes thought provoking discussion questions and exercises an Instructor's Manual and PowerPoints New to the Second Edition Reflects the growing disparities between haves and have nots as they impact people with disabilities Includes new content on veterans with physical and mental disabilities Describes the experience of impoverished individuals with disabilities Examines the need for increase family and community based engagement Discusses strengths and weaknesses of the

Americans with Disabilities Act Covers assisted suicide genetic testing and recent legislation Expanded coverage of sexual identity Provides an Instructor Manual and PowerPoints Key Features Provides 16 personal narratives demonstrating the normalcy of individuals with different types of disabling conditions Includes stories of people living with blindness hearing impairments spinal chord injuries muscular dystrophy mental illness and other disabilities Delivers counseling strategies geared toward specific disabilities with do s and don ts Discusses ongoing treatment issues and ethical dilemmas for rehabilitation counselors

**Sexualities: Past Reflections, Future Directions** Sally Hines,Yvette Taylor,2012-05-09 This collection examines recent theoretical and methodological debates shifts in law and policy and social and cultural changes around sexuality It sets out new ways of conceptualizing and researching sexuality and explores persistently marginalised and re traditionalised sexual practices subjectivities and identities

**Adult Learning Disorders** Lorraine E. Wolf,Hope E. Schreiber,Jeanette Wasserstein,2010-10-18 Recent advances in neuroimaging and genetics technologies have enhanced our understanding of neurodevelopmental disorders in adults The authors in this volume not only discuss such advances as they apply to adults with learning disorders but also address their translation into clinical practice One cluster of chapters addresses developmental concerns as children and adolescents with learning disorders approach young adulthood Experts discuss dyslexia language based and writing disorders perhaps the most widely studied group of learning disorders from the point of view of neuroimaging and genetic underpinnings Chapters on the neuroscience of nonverbal math and executive function disorders are also included Clinically oriented chapters with case studies recommendations for accommodation and considerations for evaluation follow Study of specialized populations such as late high school students college medical and law students further demonstrate how our expanded knowledge base may be applicable to clinical practice The heterogeneity of adults with learning disorders the complexity of their clinical presentation and co existing disorders are addressed from both a scientific and clinical point of view demonstrating how empirical research and clinical practice inform each other This volume will enhance the practice of clinicians and educators working with adults with neurodevelopmental disorders as well as providing essential current information for researchers of adults with learning disorders

**Intellectual Disabilities: Health and Social Care Across the Lifespan** Fintan Sheerin,Carmel Doyle,2023-06-19 This textbook provides nurses allied health and social care professionals with the background knowledge necessary to support individuals with intellectual disabilities and their families It is a unique and viable resource which is particularly timely as recent decades have seen a significant change in the demographics and associated care and support needs of this population The textbook is laid into four sections to provide a logical structure for the content with chapters developing key topic areas relevant to the field The introductory section sets the overall context for the book and considers the importance of developing an understanding of intellectual disability as a core concept identifying philosophies and models of service that underpin health and social care across the lifespan Communication as a basis for caring and the overall concept of person centred caring in a

multidisciplinary context is considered The second section explores key concepts from birth to adulthood exploring the nature of intellectual disability the child with intellectual disability and other related neurodevelopmental conditions The third section explores adulthood to older age and considers specific health care needs understanding behaviour and other fundamental concepts including mental health ageing and palliative care The fourth and final section explores the integration of health and social care addressing such issues as supporting and enabling families education employment and sexuality and relationships Edited by experienced and widely respected professionals this textbook is written by international practitioners educators and researchers who all play critical roles in working with individuals with intellectual disability and their families

Browne, 2010-12-03 A practical handbook for practitioners that covers the assessment treatment and management of sexual offenders with intellectual disabilities an area of growing interest within clinical forensic psychology New for the Wiley Series in Forensic Clinical Psychology a practical handbook that covers the assessment treatment and management of sexual offenders with intellectual disabilities Summarises the research literature on the characteristics and prevalence of sexual offenders with intellectual disabilities Discusses risk assessment and innovations in treatment and management Includes contributors world renowned in the field of assessment and treatment of sexual offenders with intellectual disabilities such as Tony Ward Glynis Murphy and Douglas Boer [African Disability Rights Yearbook Volume 4 2016](#) Charles Ngwena, Ilze Grobbelaar-du Plessis, Helene Combrinck, Serges Djoyou Kamga, 2016-01-01 About the publication The African Disability Rights Yearbook addresses disability rights within the foundational structure laid down by the inaugural issue The structure comprises a tripartite division between articles country reports and shorter commentaries on recent regional and sub regional developments The African Disability Rights Yearbook aims to advance disability scholarship Coming in the wake of the United Nations Convention on the Rights of Persons with Disabilities it is the first peer reviewed journal to focus exclusively on disability as human rights on the African continent It provides an annual forum for scholarly analysis on issues pertaining to the human rights of persons with disabilities It is also a source for country based reports as well as commentaries on recent developments in the field of disability rights in the African region The African Disability Rights Yearbook publishes peer reviewed contributions dealing with the rights of persons with disabilities and related topics with specific relevance to Africa Africans and scholars of Africa The Yearbook appears annually under the aegis of the Centre for Human Rights Faculty of Law University of Pretoria The Yearbook is an open access online publication see [www.adry.up.ac.za](http://www.adry.up.ac.za) About the editors Charles Ngwena is Professor Department of Constitutional Law and Legal Philosophy Faculty of Law University of the Free State South Africa Ilze Grobbelaar du Plessis is a senior lecturer and holds the degrees BLuris LLB LLM LLD from the University of Pretoria Helene Combrinck is Associate Professor at the Centre for Disability Law and Policy University of the Western Cape Serges Djoyou Kamgais is Senior Lecturer at TMALI UNISA Table of Contents Stigma as

barrier to the implementation of the Convention on the Rights of Persons with Disabilities in Africa Mark Mostert Realising the inclusion of youth with disabilities in political and public life in Kenya Lucianna Thuo Reading disability into the non discrimination clause of the Nigerian Constitution Ngozi Chuma Umeh Legislative mechanisms for combating violence against children with disabilities in selected African jurisdictions A critical appraisal Enoch Chilemba My right to know Developing sexuality education resources for learners with intellectual disability in the Western Cape South Africa Rebecca Johns Colleen Adnams Re thinking sexual access for adolescents with disabilities in South Africa Balancing rights and protection Paul Chappell The development and use of Sign Language in South African schools The denial of inclusive education Willene Holness Implementing article 33 of CRPD Tanzanian approach Abdallah Possi SECTION B COUNTRY REPORTS Angola Eduardo Kapapelo Gabon Christophe Tchudjo Victorine Maptue Toguem Senegal Abdoulaye Thiam Seydi Ababacar Sy Sow SECTION C REGIONAL DEVELOPMENTS The jurisprudence of the committee on the rights of persons with disabilities and its implications for Africa Innocentia Mgijima The right to work and employment in Southern Africa A commentary on how selected employment laws fare against article 27 of the CRPD Dianah Msipa BOOK REVIEW Don Kulick Jens Rydstr m Loneliness and its opposite Sex disability and the ethics of engagement 2015 Paul Chappell *AIDS: Setting A Feminist Agenda* Lesley Doyal, Jennie Naidoo, Tamsin Wilton, 2018-12-07 AIDS Setting a Feminist Agenda presents an overview of the important issues raised for feminist theory and practice by the HIV AIDS epidemic and outlines the direction in which feminist debates about the subject are developing It makes essential links between feminism and HIV AIDS work and not only demonstrates that AIDS is a feminist issue but also suggests areas where feminism is long overdue The essays discuss medical issues the specific social and political impact of HIV AIDS on the lives of women of colour lesbians injecting drug users and prostitute women And Current Health Educational And Health Promotional Practice As It relates to women The volume is theoretical and practical suggesting theoretical models for understanding and challenging the social factors which are conducive to the spread of HIV among women and among men as well as offering models of good practice for working with and for women Already Doing It Michael Gill, 2015-03-27 Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media Should sexual citizenship depend on IQ Confronting such questions head on Already Doing It exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory Analyzing legal discourses sex education materials and news stories going back to the 1970s he shows for example that the intense focus on stranger

danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion He also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities Already Doing It urges a shift away from the compulsion to manage deviance better known today as harm reduction because the right to pleasure and intellectual disability are not mutually exclusive In so doing it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex reproduce marry and raise children *The Routledge Handbook of Disability, Crime, and Justice* Stephen J. Macdonald, Donna

Peacock, 2025-05-22 Offering an interdisciplinary exploration of the complex relationships between disability crime and victimisation this comprehensive handbook gathers insights from leading scholars across diverse fields including disability studies criminology history sociology forensic psychology forensic psychiatry and the neurosciences who have conducted extensive research in these areas Adopting a global perspective this volume applies various theoretical frameworks to explore the experiences of diverse disabled communities including those with mental health issues neurodiversity sensory impairments and physical disabilities as they interact with the criminal justice system It also presents contemporary perspectives on crime and victimisation encompassing biomedical biopsychosocial structural cultural and realist approaches and in doing so it delves into critical issues including marginalisation discrimination exclusion and intersectionality while also addressing the inherent disablism and ableism apparent in the justice system Divided into five comprehensive sections Introduction to the Routledge International Handbook of Disability Crime and Justice Histories of Disability and Crime Biomedical and Biopsychosocial Criminology Structural Disability Criminology Cultural Disability Criminology and Realist Disability Criminology this groundbreaking publication covers a wide range of topics These include disability theory penal populations community interventions policing probation courts prisons hate crimes interpersonal victimisation domestic violence sex work marginalisation deviance media representations and systemic ableism disablism within the justice system The Routledge Handbook of Disability Crime and Justice stands as a definitive guide to disability crime and justice and will be of value to all those with an interest in this area *Identifying and Addressing the Social Issues Experienced by Individuals*
