written by Marlowe and which is the more authentic Is the play orthodox or radically interrogative Michael Keefer's early work helped to establish the current consensus that the 1604 version best preserves Doctor Faustus's original form and that the 1616 text was censored and revised the first Broadview edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place All competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer's fresh analysis of the evidence showed that the 1604 quarto's Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This revised and updated Broadview edition offers the best available text of Doctor Faustus Keefer's critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources BOOK JACKET
