Marmaduke Sounds Off:

Marmaduke Sounds Off Brad Anderson, 1985 *Power*, 1979 , **Ghost Gum Valley** Johanna

Nicholls, 2012-07-01 *Ghost Gum Valley* is the second book from Australian author Johanna Nicholls. This sweeping saga is set in the early days of the Colony of New South Wales and follows the adventures of Isabel de Rolland, an English aristocrat descended from the Plantagenets, as she is sent out to the penal colony to marry Marmaduke Gamble in a deal organised by their elders. The debts of Isabel's family are paid in exchange for the respectability that her lineage gives the rich ex-convict Gamble family. From the inauspicious beginnings of their arranged marriage, Isabel and Marmaduke develop a grudging friendship that looks to bloom into something more. But the secrets of the past are destined to haunt them, and the madness and darkness of their families threaten to overwhelm them. This wonderful new story has something for everyone: a bygone era brought to life, the importance of being free of the past to embrace the future, and above all, a wonderful love story between two of fiction's most delightful characters.

The Great Missouri Raid Michael J. Forsyth, 2015-03-14 In 1864 General Sterling Price with an army of 12,000 ragtag Confederates invaded Missouri in an effort to wrest it from the United States Army's Department of Missouri. Price hoped his campaign would sway the 1864 presidential election, convincing war-weary Northern voters to cast their ballots for a peace candidate rather than Abraham Lincoln. It was the South's last invasion of Northern territory. But it was simply too late in the war for the South to achieve such an outcome, and Price grossly mismanaged the campaign, guaranteeing the defeat of his force and of the Confederate States. This book chronicles the Confederacy's desperate final ill-fated attempt to win a decisive victory.

A Blundering Boy Bruce Weston Munro, 2019-12-18 In *A Blundering Boy*, Bruce Weston Munro presents a poignant exploration of adolescence and self-discovery through the eyes of its endearing protagonist. The narrative unfolds in a richly detailed setting that juxtaposes the innocence of youth with the complexities of growing up. Munro's literary style is characterized by its lyrical prose and vivid imagery, drawing readers into the protagonist's trials and tribulations as they navigate the tumultuous waters of identity and social dynamics. The novel, situated within the contemporary coming-of-age genre, masterfully blends humor and pathos, allowing for a multifaceted examination of the challenges faced by young individuals in a rapidly changing world. Bruce Weston Munro, acclaimed for his insightful portrayals of human experience, draws upon his own journey of self-exploration to craft this compelling narrative. Having spent years observing the intricacies of youth culture and societal expectations, Munro imbues his work with authenticity, reflecting the voices of a generation seeking connection and understanding. His academic background in psychology complements his storytelling, offering profound insights into the adolescent psyche and its myriad influences. For readers seeking a heartfelt and relatable tale, *A Blundering Boy* is a must-read. Munro's engaging characters and relatable dilemmas resonate with anyone who has faced the bewildering rites of passage into adulthood. This novel not only entertains but also encourages introspection, making it an invaluable addition to the contemporary literary canon.
