Online with God C. Philip Chacko,2021-11-02 Theologically brilliant and astute I highly recommend this persuasive biblical and scholarly treatment on the work of the triune God in the world Dr Saphir Athyal Director of Faith Development World Vision International We often hear of God described as the Trinity the Father Son and Holy Spirit Dr Philip Chacko points out these three entities as the sides of a triangle perfectly balanced around a center of love and peace As God made humans in his image it only makes sense that humans themselves are made up of triangles as well Dr Chacko theorizes that each of us holds four different triangles at our core each concerned with a different element of our inner being But as humans our triangles are not perfectly balanced like that of God but He is the one and only power whose force can balance our triangles into true harmony In *Online with God* Dr Chacko explores how each of our inner triangles is wired describes

how we can discover them for ourselves and explains the true value of connecting with God in order to do so Through this connection with God we reach deeper understanding of the self achieve balance and empower ourselves to be all that we have the potential to be With Dr Chacko s vast knowledge of scripture and included forty day devotional plan for further biblical understanding Online with God stands as a thorough guide to connecting with the Creator finding inner peace and empowering the self for all that is to come Offers a succinct description of spirit and soul mind and body and the relationship of these to the triangle of the Holy Trinity Rev Dr Tamara Nichols Rodenberg President Bethany College *Forthcoming Books* Rose Arny,2002 **Aging Successfully** David P.
