Marriage Readiness:

ASSESSING READINESS FOR MARRIAGE Dr. Peterwise Innocent, 2025-08-29 Assessing Readiness For Marriage is a comprehensive guide that helps individuals and couples evaluate their preparedness for a lifelong commitment. The book begins by defining marriage readiness and exploring the foundational pillars of a healthy marriage including communication, love, and commitment. It then guides readers through a detailed self-assessment of their personal values, beliefs, and emotional maturity. The text also delves into relationship dynamics, offering insights into compatibility, shared goals, and effective conflict resolution. Crucially, it identifies red flags and warning signs that signal unreadiness and explores the role of professional help, like pre-marital counseling. The book also covers the importance of a strong support system and provides practical advice for navigating the journey toward a lifelong partnership.

The Freedom to Marry Ellen Johnson Varughese, 1992 THE FREEDOM TO MARRY is the first practical handbook available to Christian men and women who are seeking God's will about marriage. It takes the view that God wants marriage for almost everybody. Christian singles needn't be frustrated thinking God has called them to be single when he hasn't. By applying certain principles, one can know God's will regarding marriage and prepare appropriately. The book presents seven steps to marriage preparation, dealing with such questions as: Has God called me to be single or married? How can I find the right person? Does God have a specific person for me? Is there such a thing as love at first sight? much more. Bookstores, libraries, individuals may order the book directly from the publisher JoyPress, P.O. Brown, 1978-01-01. 813 measurement techniques arranged and described under various aspects of family life, e.g., husband-wife relationships, 130 journals and pertinent books used as sources.
