Chinese Family and Marriage in Singapore Maurice Freedman,1970 **The Contemporary Family in Singapore** Eddie C. Y. Kuo,Aline K. Wong,1979 Twelve essays on the sociology of the family in Singapore in the modern period

Sociology of marriage and family behavior 1957-1968 John Mogey,2018-02-05 No detailed description available for Sociology of marriage and family behavior 1957 1968 **Marriage Dissolution in Singapore** Paulin Straughan,2009-01-31 The meanings of marriage and divorce have shifted significantly in the past few decades particularly in economies in Asia where rapid economic growth has transformed the social fabric This book arises from possibly the most comprehensive study of divorce done in Singapore The study highlights the root causes of divorce and focuses on the impact of changing ideologies on marital stability Themes that surfaced in the appreciation of why some marriages fail include women s changing expectations and their roles in the family courtship expectations and the role of romantic love parenthood demands and work stressors The discussions are drawn from data collected from a large scale representative survey of a study group comprising dissolved marriages as well as a control group of intact marriages Scholars investigating marriage and family in Asia will find the rich data content useful The sociological insight makes the book a relevant read for all interested in family dynamics *Depression and Aggression in Family Interaction* Gerald R. Patterson,1990 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company **Families in Asia** Stella Quah,2008-09-15 This fully updated second edition provides a unique and comparative analysis of family trends in Asia by focusing on the most relevant and significant aspects of family from the process of dating to the impact of economic development on homes and family life as they are experienced across Asia **Family and Population Changes in Singapore** Wei-Jun Jean Yeung,Shu Hu,2018-04-17 This book depicts the evolution of Singapore s family and population landscape in the last half a century the related public policies and future challenges Since the country gained independence in 1965 family and population policies have been integral to her nation building strategies The chapters discuss the changes in population compositions family structures relations and values among major ethnic groups They also discuss policies for vulnerable populations such as female headed households cross cultural families same sex partnering the elderly and low income families **Marriage Migration, Family and Citizenship in Asia** Tuen Yi Chiu,Brenda S.A. Yeoh,2023-06-06 Amidst the increasing global trend of cross border marriage migration this book offers timely theoretical and empirical insights into contemporary debates about migration and citizenship Extant scholarship on marriage migration and citizenship have concentrated on East West inter cultural marriages and tended to approach citizenship as an individual centred concept linked to the nation state thus fading the family into the background Focusing on cross border marriages within Asia a region where collectivist and familistic values are still prevalent this book points to the importance of going beyond the state individual nexus to conceptualise and foreground the family as a strategic site where citizenship is mediated negotiated and experienced

Through six critical and in depth case studies on cross border marriages between East Southeast and South Asia this book reveals how nation states mobilize patriarchal notions of the family for its citizenship project how formal frameworks of citizenship structure the trajectory and circumstances of cross border families how the repercussions of marriage migrants citizenship are experienced and negotiated across generations and how the tensions between the individual the family and the state are produced along gender class race ethnic religious cultural geographical and generational boundaries

Collectively this book calls for a rethinking of citizenship from an individual centred proposition to a family level concept Its wealth of case studies and examples make it an essential resource for students academics and researchers of Sociology Geography Anthropology Politics International Development Studies and Asian Studies The chapters in this book were originally published as a special issue of Citizenship Studies
