SITUATION: The numbers are staggering. Every minute 27 girls are forced into marriage. That's 1 every 2 seconds. Child marriage is a global problem. The practice violates girls' human rights, curtails their education, harms their health and sharply constrains their future. The start of a solution is simple: more education. Getting girls to school means delaying marriage. And by becoming a Plan parent that's exactly what you're helping to achieve.

BRIEF: First of all, get the global problem of Child marriage to the living room. Secondly, activate people to become a Plan parent.

IDEA: Plan Belgium helped girls to speak and take over movie 'age warnings' in prime time on National television, in movie theatres and - via Planit - in YouTube Movie trailers, in their teaching 'topicals'. It inspired girls tell an emotional story and paint a picture about the horrible tradition.

RESULT: Ann was helping the problem to the living room and by doing so created a lot of noise and conversations. And it did. Moreover, Child marriages were discussed on all national media and on numerous blogs, national and international. But most important of all there was an 85% increase of people who became Plan parents, compared to the campaign results of last year.
