Marriages And Families Making Choices And Facing Change:

Marriages and Families Mary Ann Lamanna,2006 **Study Guide for Marriages & Families: Making Choices & Facing Change, Third Ed, by Mary Ann Lamanna and Agnes Riedmann** David Treybig,1988 **Marriages and Families** Mary Ann Lamanna,Agnes Czerwinski Riedmann,1994 **Woman, Marriage and Family** Man Singh Das,Vijay Kumar Gupta,1995 The book discusses about various issues related to women s adjustment role commitment satisfaction decision making etc in marital relations In general the book is a good source material for those who are doing research in the related field *Marriages & Families* Mary Ann Lamanna,Agnes Czerwinski Riedmann,1988-01-01 *Divorce* Alison Clarke-Stewart,Cornelia Brentano,2007-11-02 This comprehensive book provides a balanced overview of the current research on divorce The authors examine the scientific evidence to uncover what can be said with certainty about divorce and what remains to be learned about this socially and politically charged issue Accessible to parents and teachers as well as clinicians and researchers the volume examines the impact of marital breakup on children adults and society Alison Clarke Stewart and Cornelia Brentano synthesize the most up to date information on divorce from a variety of disciplinary perspectives with thoughtful analysis of psychological issues They convey the real life consequences of divorce with excerpts from autobiographies by young people and they also include guidelines for social policies that would help to diminish the detrimental effects of divorce **21st Century Sociology: A Reference Handbook** Clifton D. Bryant,Dennis L. Peck,2006-11-17 21st Century Sociology A Reference Handbook provides a concise forum through which the vast array of knowledge accumulated particularly during the past three decades can be organized into a single definitive resource The two volumes of this Reference Handbook focus on the corpus of knowledge garnered in traditional areas of sociological inquiry as well as document the general orientation of the newer and currently emerging areas of sociological inquiry

Homosexuality and the Family Frederick. W. Bozett,2020-12-15 Disproving the notion that homosexuals are antifamily this enlightening book details the variety of family forms in which gays and lesbians live and explores the effects of homosexuality on individuals in families and on the family as a whole Little in the professional literature addresses the combined topics of homosexuality and the family so practitioners academicians researchers and students in various disciplines counseling gay studies sociology human sexuality psychology social work law and medicine will discover a wealth of unique and useful material here Arranged in a life history sequence that moves from adolescence to adulthood this informative volume documents the responses of parents of gay children wives of gay men children of lesbian mothers and gay fathers about their family lives *International Social Work Practice* Joanna E. Bettmann,Gloria Jacques,Caren J. Frost,2013 International Social Work Practice compares and contrasts divergent social work approaches in countries around the world providing students with a unique perspective on social work as it is actually practised Using case studies from frontline practitioners from across the globe this innovative new textbook stimulates critical thinking about international social work

practice issues Providing a review of both country specific social work practices and universal social work issues the text looks at a variety of core social work topics framed here in terms of CSWE competencies Set within a theoretical framework presented in the introductory chapter the subjects covered include child welfare intimate partner violence family conflict and communication elder care substance abuse trauma Each chapter presents several case studies exploring range of issues within the broader topic and each case study is commented on by two narratives from social work academics and practitioners from different countries providing different cultural perspectives Taking a practical hands on approach this text includes a dedicated section for classroom use with discussion questions classroom exercises and additional cases for your own analysis It will be particularly useful to BSW and MSW students taking courses in international social work practice social welfare and human behaviour

The Poetics of Intimacy and the Problem of Sexual Abstinence Michael J. Hartwig, 2009 This bold work asks whether traditional Christian sexual morality with its emphasis on sexual abstinence outside of heterosexual marriage is harmful Appealing to sociological studies anthropological theories and contemporary theological ethics Hartwig develops a model of sexual virtue around the concept of a poetics of intimacy and applies this model to particular challenges faced by the divorced married couples gay men and lesbians single adults and people with mental and developmental disabilities He concludes that mandated long term and lifelong sexual abstinence for those outside heterosexual marriage is not only harmful but compromises many features of Christian morality
