Marshal Royal Jazz Survivor:

Marshal Royal Marshal Royal, 2001-09-01 Marsgal Royal was a core member of the Count Basei Orchestra for twenty years during its resurgence in the 1950s and 1960s Before that he was a pioneer of jazz on the West Coast playing with many bands in and around Los Angeles A child prodigy of both the violin and saxophone Royal was literally born on the road as his musician parents made their way West Royal shares his experiences with Les Hite s band at Sebastian s New Cotton Club where s Orchestra after a wartime career in U S Navy bands After leaving Hampton Royal made countless recordings as a freelancer before joining Basie where he was responsible for rehearsing the Orchestra Later he became internationally known as a soloist while continuing his prolific recording career His brother Ernie who was a star trumpeter in the bands of Woody Herman and Stan Kenton is also profiled Claire P Gordon is the editor of Rex Stewart s memoir *Boy Meets Horn* and of Stewart s other collections of writings She lives on the West Coast and has a long term interest in the oral history of jazz

Marshal Royal, Jazz Survivor Marshal Royal, 2001 **Jazz and Justice** Gerald Horne, 2019-06-18 A galvanizing history of how jazz and jazz musicians flourished despite rampant cultural exploitation The music we call jazz arose in late nineteenth century North America most likely in New Orleans based on the musical traditions of Africans newly freed from slavery Grounded in the music known as the blues which expressed the pain sufferings and hopes of Black folk then pulverized by Jim Crow this new music entered the world via the instruments that had been abandoned by departing military bands after the Civil War Jazz and Justice examines the economic social and political forces that shaped this music into a phenomenal US and Black American contribution to global arts and culture Horne assembles a galvanic story depicting what may have been the era s most virulent economic and racist exploitation as jazz musicians battled organized crime the Ku Klux Klan and other variously malignant forces dominating the nightclub scene where jazz became known Horne pays particular attention to women artists such as pianist Mary Lou Williams and trombonist Melba Liston and limns the contributions of musicians with Native American roots This is the story of a beautiful lotus growing from the filth of the crassest form of human immiseration *Sophisticated Giant* Maxine Gordon, 2020-09-15 Tenor saxophonist Dexter Gordon was one of the major innovators of modern jazz In a context of biography history and memoir Maxine Gordon has completed the book that her late husband began weaving his solo turns with her voice and a chorus of voices from past and present She shows that his image of the cool jazzman fails to come to terms with the three dimensional man full of humor and wisdom a figure who struggled to reconcile being both a creative outsider who broke the rules and a comforting insider who was a son father husband and world citizen *Who's Who of British Jazz* John Chilton, 2004-05-01 Chilton details the work of musicians from every era of British jazz ranging from those who played professionally before 1920 to today s young jazz stars **Rhythm Is My Beat** Alfred Green, 2015-08-06 In *Rhythm Is My Beat* Jazz Guitar Great Freddie Green and the Count Basie Sound Alfred Green tells the story of his father rhythm guitarist Freddie Green whose guitar work served as the pulse of the Count Basie

Band A quiet but key figure in big band jazz Freddie Green took a distinct pride in his role as Basie's rhythm guitarist redefining the outer limits of acoustic rhythm guitar and morphing it into an art form So distinct was Green's style that it would eventually give birth to notations on guitar charts that read Play in the style of Freddie Green This American jazz icon much like his inimitable sound achieved stardom as a sideman both in and out of Basie's band Green's signature sound provided lift to soloists like Lester Young and vocalist Lil Jimmy Rushing a reflection of Green's sophisticated technique that produced in Green's words his rhythm wave Billie Holiday Ruby Braff Benny Goodman Gerry Mulligan Teddy Wilson Ray Charles Judy Carmichael Joe Williams and other recording artists all benefited from the relentless fours of the man who came to be known as Mr Rhythm The mystique surrounding Freddie Green's technique is illuminated through generous commentary by insightful interviews with other musicians guitar professionals and scholars all of whom offer their ideas on Freddie Green's sound Alfred Green throughout demystifies the man behind the legend This work will interest jazz fans students and scholars guitar enthusiasts and professionals music historians and anyone interested not only in the history of jazz but of the African American experience in jazz Where the Dark and the Light Folks Meet Randall Sandke,2023-06-14

Where the Dark and the Light Folks Meet tackles a controversial question Is jazz the product of an insulated African American environment shut off from the rest of society by strictures of segregation and discrimination or is it more properly understood as the juncture of a wide variety of influences under the broader umbrella of American culture This book does not question that jazz was created and largely driven by African Americans but rather posits that black culture has been more open to outside influences than most commentators are likely to admit The majority of jazz writers past and present have embraced an exclusionary viewpoint Where the Dark and the Light Folks Meet begins by looking at many of these writers from the birth of jazz history up to the present day to see how and why their views have strayed from the historical record This book challenges many widely held beliefs regarding the history and nature of jazz in an attempt to free jazz of the socio political baggage that has s **Harlem Nights** Deirdre O'Connell,2021-11-02

The 1920s were a time of wonder and flux when Australians sensed a world growing smaller turning faster and for some skittering off balance American movies music and dance brought together what racial lines kept apart A spirit of youthful rebellion collided with the promise of racial perfectibility stirring deep anxieties in white nationalists and moral reformers African American jazz represented the type of modernism that cosmopolitan Australians craved and the champions of White Australia feared Enter Sonny Clay's Colored Idea Snuck in under the wire by an astute promoter the Harlem style revue broke from the usual blackface minstrel fare delivering sophisticated liberating rhythms The story of their Australian tour is a tale of conspiracy a secret plan to kick out and keep out undesirable expressions of modernism music and race From the wild jazz clubs of Prohibition era LA to Indigenous women discovering a new world of black resistance this anatomy of a scandal fuelled frame up brings into focus a vibrant cast of characters from Australia's Jazz Age Pops Terry Teachout,2009 Certain to be the definitive word on Louis

Armstrong Pops paints a gripping portrait of the man his world and his music Drawing on a cache of new sources the author has crafted a sweeping new narrative biography of this towering figure **The Art of Jazz** Alyn Shipton, 2020-10-20 A perfect gift for the musicians and artists in your life The Art of Jazz explores how the expressionism and spontaneity of jazz spilled onto its album art posters and promotional photography and even inspired standalone works of fine art Everyone knows jazz is on the cutting edge of music but how much do you know about its influence in the visual arts With album covers that took inspiration from the avant garde jazz's primarily African American musicians and their producers sought to challenge and inspire listeners both musically and visually Arranged chronologically each chapter covers a key period in jazz history from the earliest days of the twentieth century to today's postmodern jazz Chapters begin with substantive introductions and present the evolution of jazz imagery in all its forms mirroring the shifting nature of the music itself With two authoritative features per chapter and over 300 images The Art of Jazz is a significant contribution to the literature of this intrepid art form

Thank you very much for downloading **Marshal Royal Jazz Survivor**. Maybe you have knowledge that, people have look numerous period for their favorite books following this Marshal Royal Jazz Survivor, but end occurring in harmful downloads.
