Marshal Zhukov's Greatest Battles:

Marshal Zhukov's Greatest Battles Georgi K. Zhukov, 2002-04-15 Considered by some to be the greatest general of World War II General Georgi Zhukov served as the Chief of Staff of the Soviet High Command leading Soviet troops against Germans in key battles of the war In his account of four major campaigns in the war the defense of Moscow Stalingrad and Kursk and the advance on Berlin Zhukov describes his experiences preparing for German attacks organizing counter strikes assessing the enemy and issuing the orders that pushed the front west towards Germany's capital Zhukov also tells of his extensive arguments with Stalin during the war and the political alliances and rivalries among the U S S R's generals throughout the conflict

Georgii Konstantinovich Zhukov, 1971 From Moscow to Berlin Georgi K. Zhukov, 1991-11-01 **Marshall Zhukov's greatest battles. (Edited with an introduction and explanatory comments by Harrison E. Battles: The battle of Moscow ; 2: The battle of Stalingrad ; 3: The battle of Kursk ; 4: The battle of Berlin Georgij Konstantinovič Žukov, 1969 *Marshal Zhukov's greatest battles; edited with an introduction and... comm.; Translated from the Russian by Theodore Shabad* Georgi K. Zhukov, 1969 The Greatest Battle Andrew Nagorski, 2007-09-18 The bestselling first authoritative account of the first colossal World War II battle between Germany and the USSR based on previously unavailable documents this is the battle that decided the war and the one that Stalin tried to cover up The battle for Moscow was the biggest battle of World War II the biggest battle of all time And yet it is far less known than Stalingrad which involved about half the number of troops From the time Hitler launched his assault on Moscow on September 30 1941 to April 20 1942 seven million troops were engaged in this titanic struggle The combined losses of both sides those killed taken prisoner or severely wounded were two and a half million of which nearly two million were on the Soviet side But the Soviet capital narrowly survived and for the first time the German Blitzkrieg ended in failure This shattered Hitler's dream of a swift victory over the Soviet Union and radically changed the course of the war The full story of this epic battle has never been told because it undermines the sanitized Soviet accounts of the war which portray Stalin as a military genius and his people as heroically united against the German invader Stalin's blunders incompetence and brutality made it possible for German troops to approach the outskirts of Moscow This triggered panic in the city with looting strikes and outbreaks of previously unimaginable violence About half the city's population fled But Hitler's blunders would soon loom even larger sending his troops to attack the Soviet Union without winter uniforms insisting on an immediate German reign of terror and refusing to heed his generals' pleas that he allow them to attack Moscow as quickly as possible In the end Hitler's mistakes trumped Stalin's mistakes Drawing on declassified documents from Soviet archives including files of the dreaded NKVD on accounts of

survivors and of children of top Soviet military and government officials and on reports of Western diplomats and correspondents The Greatest Battle finally illuminates the full story of a clash between two systems based on sheer terror and relentless slaughter Even as Moscow s fate hung in the balance the United States and Britain were discovering how wily a partner Stalin would turn out to be in the fight against Hitler and how eager he was to push his demands for a postwar empire in Eastern Europe In addition to chronicling the bloodshed Andrew Nagorski takes the reader behind the scenes of the early negotiations between Hitler and Stalin and then between Stalin Roosevelt and Churchill This is a remarkable addition to the history of World War II Russian Life ,2002 **Great Warrior Leaders/thinkers** ,1989
