

YEAST BREADS

35 minutes. Preheat oven to 375°F. Bake for 25 to 30 minutes or until golden brown. Remove from pans; place on wire racks. Drizzle with Confectioners' Icing while warm. Makes 3 loaves (6 to 8 servings each).

Confectioners' Icing

3 cups sifted confectioners' sugar
¼ cup hot milk
1 teaspoon vanilla

Combine all ingredients; beat until smooth.

Cajun Biscuits

These crunchy rolls look like drop biscuits, but the flavor resembles French bread.

1 package active dry yeast
1½ cups warm water (105°F to 115°F)
2 tablespoons vegetable oil
2 teaspoons sugar
3½ cups Martha White
Self-Rising Flour

Dissolve yeast in large mixing bowl with warm water. Add remaining ingredients; blend thoroughly. Cover and let rise in warm draft-free area until doubled in bulk, about 45 minutes. Stir dough down. Drop dough by rounded tablespoonfuls onto greased baking sheet. Let rise in warm draft-free area until doubled in bulk, about 45 minutes. Preheat oven to 425°F. Bake for 18 to 20 minutes or until golden brown. Remove from baking sheet; place on wire racks. Makes about 24 biscuits.

SHAPING YEAST ROLLS

Pan Rolls

Gently shape pieces of dough into smooth, 1½-inch balls by pulling the dough down and under with your thumb. Place, smooth-sides up, in greased muffin cups or an 8-inch round baking pan, setting rolls about ½ inch apart.

Cloverleaf Rolls

Shape pieces of dough into smooth, ¾-inch balls. Place 3 balls in each greased muffin cup.

Parker House Rolls

Roll out dough to ¼-inch thickness on lightly floured board or pastry cloth. Cut out with a floured 2½-inch round cutter. Use the floured handle of a knife to make a deep, off-center crease in the top of each round. Fold the larger section over the smaller section. Press edges together lightly. Place rolls about 1½ inches apart on greased baking sheet.

Crescent Rolls

For recipe based on 5 to 6 cups of flour, divide dough into three pieces. Roll out one-third into a 12-inch circle. Spread with softened butter or margarine. Cut into 16 wedges. Roll up, beginning at rounded edge. Place on greased baking sheet with point underneath; curve slightly. Repeat with remaining dough.

researched book tells the important but little known story of elite southern white women's successful quest for a measure of self reliance and independence between antebellum strictures and the restored patriarchy of Jim Crow. Profusely illustrated with the experiences of fascinating women in Virginia and North Carolina it presents a compelling new chapter in the history of American women and of the South. As were many ideas notions of the ideal woman were in flux after the Civil War. While poverty added a harder edge to the search for a good marriage among some southern belles other privileged white women forged identities that challenged the belle model altogether. Their private and public writings from the 1870s and 1880s suggest a widespread ethic of autonomy. Sometimes that meant increased domestic skills born of the new reality of fewer servants. But women also owned and transmitted property worked for pay and even pursued long term careers. Many found a voice in a plethora of new voluntary organizations and some southern women attained national celebrity in the literary world creating strong and capable heroines and mirroring an evolving view toward northern society. Yet even as elite southern women experimented with their roles external forces and contradictions within their position were making their unprecedented attitudes and achievements socially untenable. During the 1890s however virulent racism and pressures to re create a mythic South left these women caught between the revived image of the southern belle and the emerging emancipated woman. Just as the memoirs of southern white women have been key to understanding life during the Civil War the writings of such women unlock the years of dramatic change that followed. Informed by myriad primary documents Jane Turner Censer immerses us in the world of postwar southern women as they rethought and rebuilt themselves their families and their region during a brief but important period of relative freedom.
