# Martin Van Buren and the Making of the Democratic Party

By Robert V. Remini

"Gives fresh detail on Van Buren's role during these years.... The book establishes a plausible basis for the author's claim that Van Buren 'deserves a better reputation than he has enjoyed from Americans generally and historians particularly.' "

—Charles Grier Sellers, Jr.,  
University of California,  
Berkeley, in *American  
Historical Review*

# Martin Van Buren And The Making Of The Democratic Party

**Gerald Leonard**

## **Martin Van Buren And The Making Of The Democratic Party:**

**Martin Van Buren and the Making of the Democratic Party** Robert Vincent Remini, 1968      **Martin Van Buren and the making of the Democratic Party** Robert Vincent Remini, 1961      *Martin Van Buren and the Making of the Democratic Party* Robert Vincent Remini (Historiker, USA), 1959      *The Invention of Party Politics* Gerald Leonard, 2003-10-15 This ambitious work uncovers the constitutional foundations of that most essential institution of modern democracy the political party Taking on Richard Hofstadter's classic *The Idea of a Party System* it rejects the standard view that Martin Van Buren and other Jacksonian politicians had the idea of a modern party system in mind when they built the original Democratic party Grounded in an original retelling of Illinois politics of the 1820s and 1830s the book also includes chapters that connect the state level narrative to national history from the birth of the Constitution to the Dred Scott case In this reinterpretation Jacksonian party builders no longer anticipate twentieth century political assumptions but draw on eighteenth century constitutional theory to justify a party division between the democracy and the aristocracy Illinois is no longer a frontier latecomer to democratic party organization but a laboratory in which politicians use Van Buren's version of the Constitution states rights and popular sovereignty to reeducate a people who had traditionally opposed party organization The modern two party system is no longer firmly in place by 1840 Instead the system remains captive to the constitutional commitments on which the Democrats and Whigs founded themselves even as the specter of sectional crisis haunts the parties constitutional visions      **America's First River** Thomas S. Wermuth, James M. Johnson, Christopher Pryslopski, 2009-09-25 Examines the many facets of the Hudson's rich history distinctive regional culture and important contributions to the development of modern America Since its inception in 1984 *The Hudson River Valley Review* has taken an eclectic and interdisciplinary approach to a region that has long been recognized for its role in American colonial history its important contributions to American arts letters and architecture its role in the economic development of the nation and its significant and ongoing contributions to American culture and history This collection of essays brings together eighteen of the best essays from the Review's first twenty five years of publication From natives and newcomers to twentieth century leaders the authors of these essays examine the many facets of the Hudson's rich history distinctive regional culture and important contributions to the development of modern America      *A Companion to the Antebellum Presidents, 1837 - 1861* Joel H. Silbey, 2014-02-24 *A Companion to the Antebellum Presidents* presents a series of original essays exploring our historical understanding of the role and legacy of the eight U S presidents who served in the significant period between 1837 and the start of the Civil War in 1861 Explores and evaluates the evolving scholarly reception of Presidents Van Buren Harrison Tyler Polk Taylor Fillmore Pierce and Buchanan including their roles behaviors triumphs and failures Represents the first single volume reference to gather together the historiographic literature on the Antebellum Presidents Brings together original contributions from a team of eminent historians and experts on the American presidency Reveals insights

into presidential leadership in the quarter century leading up to the American Civil War Offers fresh perspectives into the largely forgotten men who served during one of the most decisive quarter centuries of United States history **Redeeming Democracy in America** Wilson Carey McWilliams, 2011-05-24 Wherever we turn in America today we see angry citizens disparaging government distrusting each other avoiding civic life and professing a hatred of politics and politicians of all stripes Is our situation hopeless Wilson Carey McWilliams wouldn't think so McWilliams one of the preeminent political theorists of the twentieth century was closely identified with an ambitious intellectual enterprise to reclaim and restore democracy as a source of national veneration inspiration and salvation Better than most of his contemporaries he understood and illuminated the major sources of the political malaise that afflicts our nation's citizens For him the key to reinvigorating our republic depends on our ability to reclaim the second voice of American politics the one that emanates from our literature churches families and schools and speaks out on behalf of community and civic responsibility The writings gathered here cohere into McWilliams's most mature and most developed philosophical statement the distillation of a distinguished career of thinking about the American experiment From insights into The Framers and the Constitution to reflections on America as Technological Republic he shares a love for an older tradition of democracy one based upon the active self rule of self governing citizens Protestant Prudence and Natural Rights and On Equality as the Moral Foundation for Community may force readers to adjust their understandings of American politics while Democracy and the Citizen and Political Parties as Civic Associations will resound for observers of the current political scene regardless of party Carey McWilliams not only offers a prescient analysis of the current crisis in American citizenship and governance but also shows us what sources within the American tradition might exist to save us from our worst selves His broad and iconoclastic approach to American politics should appeal to both conservatives and liberals to anyone in fact who cares about the state of democracy in America The Framers' Intentions Robert E. Ross, 2019-05-31 Robert Ross addresses a fascinating and unresolved constitutional question why did political parties emerge so quickly after the framers designed the Constitution to prevent them The text of the Constitution is silent on this question Most scholars of the subject have taken that silence to be a hostile one arguing that the adoption of the two party system was a significant break from a long history of antiparty sentiments and institutional design aimed to circumscribe party politics The constitutional question of parties addresses the very nature of representation democracy and majority rule Political parties have become a vital institution of representation by linking the governed with the government Efforts to uphold political parties have struggled to come to terms with the apparent antiparty sentiments of the founders and the perception that the Constitution was intended to work against parties The Framers Intentions connects political parties and the two party system with the Constitution in a way that no previous account has thereby providing a foundation for parties and a party system within American constitutionalism This book will appeal to readers interested in political parties constitutional theory and constitutional development **A Patriot's History**

**of the United States** Larry Schweikart, Michael Allen, 2014-11-25 Revised and updated this 15th anniversary edition of the 1 New York Times bestseller salutes America's true and proud history Fifteen years ago Professors Larry Schweikart and Michael Allen set out to correct the doctrinaire biases that had distorted the way America's past is taught and they succeeded A Patriot's History of the United States is the definitive objective history of our country presented honestly and fairly Schweikart and Allen don't ignore America's mistakes through the years Instead they put them back in the proper perspective celebrating the strengths of the men and women who cleared the wilderness abolished slavery and rid the world of fascism and communism Now in this revised fifteenth anniversary edition a new generation of readers will learn the truth about America's discovery founding and advancement from Columbus's voyage to Trump's promise to Make America Great Again

The Lovers' Quarrel Elvin T. Lim, 2014 The United States has experienced Two Foundings not one The framers of the second Constitution the Federalists were not operating in an ideational or institutional vacuum rather the document they drafted and ratified was designed to remedy the perceived flaws of the Articles of Confederation and Perpetual Union To decouple the Two Foundings is to appreciate that there is no original meaning only original dissent Because on the insistence of the Anti-Federalists prior and democratically sanctioned understandings of federalism and union had to be negotiated and partially grafted onto the new Constitution the Constitution's Articles and the Bill of Rights do not cohere as well together as have conventionally been understood Rather they represent two antithetical orientations toward power liberty and republicanism The Anti-Federalist and Federalist altercation over the necessity of the Second Founding generated coherent and self-contained philosophies that would become the indigenous core of American political thought that has been reproduced and transmitted across two centuries The Second Founding or the founding we have come to know as the only one we had would become a template for the unique species of politics and political debate that is prototypically American American political development has occurred only after the political entrepreneurs of each generation locked horns in a Lovers Quarrel about the relative priority of the principles of one of the Two Foundings and succeeded in justifying and forging a durable expansion or contraction of federal authority

## Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Martin Van Buren And The Making Of The Democratic Party**

In some sort of inundated with monitors and the cacophony of quick connection, the profound power and psychological resonance of verbal art often fade in to obscurity, eclipsed by the continuous assault of sound and distractions. ### **Martin Van Buren And The Making Of The Democratic Party Introduction**

In today's digital age, the availability of Martin Van Buren And The Making Of The Democratic Party books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Martin Van Buren And The Making Of The Democratic Party books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Martin Van Buren And The Making Of The Democratic Party books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Martin Van Buren And The Making Of The Democratic Party versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Martin Van Buren And The Making Of The Democratic Party books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Martin Van Buren And The Making Of The Democratic Party books and manuals, several platforms offer an extensive collection of resources. One such platform is Project

Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Martin Van Buren And The Making Of The Democratic Party books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Martin Van Buren And The Making Of The Democratic Party books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Martin Van Buren And The Making Of The Democratic Party books and manuals for download and embark on your journey of knowledge?

### **FAQs About Martin Van Buren And The Making Of The Democratic Party Books**

1. Where can I buy Martin Van Buren And The Making Of The Democratic Party books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
