Marx Bros:

The Marx Brothers Wes D. Gehring, 1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work

The Marx Brothers Encyclopedia Glenn Mitchell, 2003 Presented in accessible A to Z format this handy reference to the wonderfully entertaining comedic family is packed with hundreds of entries featuring trivia stories anecdotes and a full filmography 240 photographs and a foreword by film critic and historian Leonard Maltin Original

Monkey Business Simon Louvish, 2000-06-08 Strange but true this is the first authentic account of the Marx Brothers their origins and of the roots of their comedy First and foremost this is the saga of a family whose theatrical roots stretch back to mid 19th century Germany From Groucho Marx's first warblings with the singing Leroy Trio this book brings to life the vanished world of America's wild and boisterous variety circuits leading to the Marx Brothers Broadway successes and their alliance with New York's theatrical lions George S Kaufman and the Algonquin Round Table Never before published scripts well minted Marxian dialogue and much madness and mayhem feature in this tale of the Brothers battles with Hollywood their films their loves and marriages and the story of the forgotten brother Gummo

The Marx Brothers Encyclopedia Glenn Mitchell, 1996 Glenn Mitchell's definitive reference work on film comedy's most anarchic team has now been revised expanded and updated Newly discovered archive material and recent Marx related events are covered here for the first time The A Z format covers the lives and careers of Chico Harpo Groucho Zeppo Gummo and even Manfred The brothers Vaudeville careers Broadway work and classic films including *Cocoanuts* *Duck Soup* and *A Night at the Opera* are all covered in engrossing detail The book also includes details on the brothers subsequent careers in solo films on stage and in radio and television Book jacket

Marx Brothers Ronald Bergen, Ronald Bergan, 1992-03

Brothers George Howe Colt, 2014-05-06 Blends history and memoir in an account that in alternating chapters explores the author's quest to understand the impact of his brothers on his life and the complex relationships between iconic brothers including the Thoreaus the Van Goghs and the Marxes

The Marx Brothers and America Robert E. Weir, 2022-08-12 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film *The Cocoanuts* and what

it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute s list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor *The Marx Bros. Scrapbook* Groucho Marx, Richard J. Anobile, 1973 Groucho Gummo and Zeppo talk about themselves each other and everyone else with whom they were involved on and off stage for 45 years in vaudeville the theater and in the movies Interviews with Groucho are the heart of the story and there are supplementary interviews with Gummo and Zeppo as well as other performers writers and directors associated with the Marx Brothers **New York Magazine** , 1974-07-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Detroit City Directories** , 1879
