Marxists And Utopias In Texas:

Marxists and Utopias in Texas Ernest G. Fischer, 1980 *Utopias and Utopians* Richard C.S. Trahair, 2013-10-31 Utopian ventures are worth close attention to help us understand why some succeed and others fail for they offer hope for an improved life on earth Utopias and Utopians is a comprehensive guide to utopian communities and their founders Some works look at literary utopias or political utopias etc and others examine the utopias of only one country this work examines utopias from antiquity to the present and surveys utopian efforts around the world Of more than 600 alphabetically arranged entries roughly half are descriptions of utopian ventures the other half are biographies of those who were involved Entries are followed by a list of sources and a general bibliography concludes the volume **The French in Texas** François Lagarde, 2010-01-01 A surprising history of explorers pirates priests artists and more The best overall study of the French experience in Texas ever assembled Jack Jackson editor of Texas by Ter n The flag of France is one of the six flags that have flown over Texas but all that many people know about the French presence in Texas is the ill fated explorer Cavelier de La Salle fabled pirate Jean Lafitte or Cajun music and food Yet the French have made lasting contributions to Texas history and culture that deserve to be widely known and appreciated In this book François Lagarde and thirteen other experts present original articles that explore the French presence and influence on Texas history arts education religion and business from the arrival of La Salle in 1685 to the dawn of the twenty first century Each article covers an important figure or event in the France Texas story The historical articles thoroughly investigate early French colonists and explorers the French pirates and privateers the Bonapartists of Champ d Asile the French at the Alamo Dubois de Saligny and French recognition of the Republic of Texas the nineteenth century utopists of Icaria and Reunion and the French Catholic missions Other articles deal with French immigration in Texas including the founding of Castroville Cajuns in Texas and the French economic presence in Texas today the first such study ever published The remaining articles look at painters Th odore and Marie Gentilz sculptor Raoul Josset French architecture in Texas French travelers from Th odore Pavie to Simone de Beauvoir who have written on Texas and the French heritage in Texas education Includes more than seventy photos and illustrations **Cultural Encounters with the Environment** Viola Haarmann, 2000 In Cultural Encounters with the Environment a distinguished group of contributors offers a fresh and original view of contemporary geography The authors explore the role of four traditional themes in the New cultural geography O the interplay between the evolution of particular biophysical niches and the activities of the culture groups that inhabit them the diffusion of cultural traits the establishment and definition of culture areas and the distinctive mix of geographical characteristics that gives places their special character in relation to one another By examining how cultural space is constructed how environment is remade understood and imaged as a consequence and how people lay claim to place this volume establishes a compelling case for the importance of these enduring concepts to present and future trajectories in cultural geography **Discovering Texas History** Bruce A.

Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 *Discovering Texas History* is a historiographical reference book that will be invaluable to teachers students and researchers of Texas history Chapter authors are familiar names in Texas history circles a who s who of high profile historians Conceived as a follow up to the award winning but increasingly dated *A Guide the History of Texas* 1988 *Discovering Texas History* focuses on the major trends in the study of Texas history since 1990 In part one topical essays address significant historical themes from race and gender to the arts and urban history In part two chronological essays cover the full span of Texas historiography from the Spanish era to the modern day In each case the goal is to analyze and summarize the subjects that have captured the attention of professional historians so that *Discovering Texas History* will take its place as the standard work on the history of Texas history *Friedrichsburg*

Friedrich Armand Strubberg, James C. Kearney, 2012-05-01 Founded in 1846 *Fredericksburg Texas* was established by German noblemen who enticed thousands of their compatriots to flee their overcrowded homeland with the prospect of free land in a place that was portrayed as a new Garden of Eden Few of the settlers however were prepared for the harsh realities of the Texas frontier or for confrontation with the Comanche Indians In his 1867 novel *Friedrichsburg* Friedrich Armand Strubberg a k a Dr Schubbert interwove his personal story with a fictional romance to capture the flavor of *Fredericksburg Texas* during its founding years when he served as the first colonial director Now available in a contemporary translation *Friedrichsburg* brings to life the little known aspects of life among these determined but often ill equipped settlers who sought to make the transition to a new home and community on the Texas frontier Opening just as a peace treaty is being negotiated between the German newcomers and the Comanches the novel describes the unlikely survival of these fledgling homesteads and provides evidence that support from the Delaware Indians as well as the nearby Mormon community of Zodiac was key to the Germans success Along the way Strubberg also depicts the laying of the cornerstone to the Vereinskirche the blazing of an important new road to Austin exciting hunting scenes and an admirable spirit of cultural cohesion and determined resilience In so doing he resurrects a fascinating lost world **The Forty-Eighters on Possum Creek**

W. A. Trenckmann, 2020-09-15 *The Forty Eighters of Possum Creek A Texas Civil War Story* is a departure for State House Press This remarkable work of vintage historical fiction focuses on the life of one young man Kuno Sartorius who grows up and comes of age in a community of educated German immigrants during the waning months of the Civil War Author William Trenckmann serialized the novel in his newspaper *Das Bellville Wochenblatt The Bellville Weekly* His novel *Die Lateiner am Possum Creek* is one of the few works of fiction to treat the plight of the minority Texas Germans during the war However it is more than a German story and provides vignettes of all aspects of life and of all classes in Texas on both the home front and the Trans Mississippi theater Throughout are the young men from all walks of life brought together by Confederate conscription and facing the same hardships of war Expertly translated and annotated by James C Kearney this novel becomes a shadow memoir of the American Civil War The educated German settlers of Millheim had fled their native

land because of strife and revolution choosing the bucolic life on the Texas frontier over the sophisticated university towns of Germany Their children though faced uncertainties of their own as Texas seceded and joined the Confederacy and depended on all military aged men to do their part in a cause few Germans in the neighborhood cared for and to perpetuate slavery which most abhorred Kearney s notes help the reader navigate the story and reveal the story behind the story Chaste Liberation Sally Kitch,1989 Sex is not a simple concept Focusing on the issue of celibacy the author explores the cultures of three post Civil War utopian communities and their relation to female status in American society From her examination of the Shakers Koreshans and Sanctificationists the author concludes that the adoption of celibacy promoted theoretical sexual equality and female social power in those religious groups Bookjacket The Fragile Juggernaut Harry Cleaver,2024-11-18 Whether loving or hating it many visualize capitalism as an unstoppable juggernaut For those of us who would defeat it we must identify its weaknesses Fortunately Marx and Engels writings on crisis reveal them They show how its endless imposition of exploitative and alienating work creates such antagonistic conflicts everywhere as to make it ultimately a far more fragile monster than it first appears Each of its efforts to shape social relationships subordinating them to the work of commodity production and its control over society has been and can be thrown into crisis by those of us resisting its way of life and seeking to create more appealing alternatives **Adolphe Gouhenant** Paula Selzer,Emmanuel Pecontal,2019-10-15 Adolphe Gouhenant tells the story of artist revolutionary and early North Texas resident Francois Ignace Adolphe Gouhenant 1804 1871 Born at the dawn of the Romantic era Gouhenant traveled from a small village near the foothills of the Alps to France s second largest city where he built a monument to the arts and sciences atop Lyon s famous Fourvi re Hill His wildly ambitious schemes landed him in court and ultimately devastated him financially Participating in clandestine revolutionary organizations Gouhenant organized a secret meeting under the guise of a Masonic banquet and was later imprisoned for conspiracy against the monarchy Aligning himself with the early communist movement Gouhenant advocated for workers rights and was selected by well known Icarian communist Etienne Cabet to lead an advance guard on a treacherous journey across the Atlantic to settle a utopian colony in North Texas Despite broken wagons severe weather and lack of food he navigated overland from New Orleans in 1848 to establish a small settlement in Denton County The community beset by hardships ultimately scapegoated Gouhenant and accused him of being a French agent deliberately sent to lead the group to destruction into the wilds and for this treason they shaved his head and beard and expelled him from the colony which collapsed shortly thereafter Gouhenant then journeyed to Fort Worth to teach the federal soldiers French and art and next to Dallas where he founded the town s first arts establishment in the 1850s He set up shop as a daguerreotypist and photographed the town s early residents His Arts Saloon was the scene of many exhibitions and dances but ultimately became the high stake in a nasty battle among Dallas s leading citizens setting legal precedent for Texas homestead law Gouhenant s death in a freak railroad accident left behind mysterious claims that contribute one last chapter to this amazing

man s story
