Mary And The Eucharist:

Mary and the Eucharist Richard Foley, 1997 *Mary in the Plan of God and in the Communion of the Saints* Alain Blancy, Maurice Jourjon, Groupe des Dombes, 2002 Mary the mother of Jesus Christ has always been a stumbling block to understanding among divided Christians Many Protestants have believed that the Marian devotions practiced by Catholics detract from the centrality of Jesus himself To Catholics the dilution of Mary's role in the history of salvation by Protestants has come across as harsh and even unscriptural The Dombes Group in south central France comprised of Roman Catholic and Reformed scholars has taken a fresh look at the place of Mary in Christian faith and concluded that she has been more the victim than the cause of discord The participants found themselves at one in their acceptance of the virginal conception and motherhood of Mary At the same time the group reminded their coreligionists of areas where both sides still need to be converted to authentic Christianity While warning against the excesses of goddess theology they nevertheless concluded that Mary exemplifies the decisive and perfect example of the Yes which Christian faith must utter

The Blessed Virgin Mary in England Vol. 1 Brother Anthony Josemaria Fti,2008-11 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033 1109 Doctor of the ChurchWhat is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary s dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the
