

Wonderful Mother

**God made a wonderful mother,
A mother who never grows old;
He made her smile of the sunshine,
And He molded her heart of pure
gold;
In her eyes He placed bright
shining stars,
In her cheeks fair roses you see;
God made a wonderful mother,
And He gave that dear mother to me.**

divided into two before the tragedy and after Now the present will always be after This is after Amanda Wright was just four years old when she witnessed her mother s brutal murder John Dickinson a family friend strangled her mother to death in front of her and then he tried to do the same to Amanda He laid their lifeless bodies out on their bed set fire to it and left the house hoping the fire would conceal the crime It was the milkman who saved Amanda s life though it was too late for mum Sue Amanda spent weeks in hospital for painful skin graft operations on her burned legs before moving in with her grandparents Yet from the day of the tragedy she was haunted by flashbacks and nightmares On her first day of school Amanda watched other children crying for their mummies and suddenly realised that she would never see her own mother again It was a painful adjustment for a little girl who until that moment had spent her whole life with her mum More alone than ever before she was determined not to give in finding strength in her memories of her mother Without a Mother s Love is a sad strange yet beautiful story about a girl who lost everything but found the strength inside herself to make her mother proud

Father Involvement in Young Children's Lives Jyotsna Pattnaik,2012-12-30 This vital addition to Springer s Educating the Young Child series addresses gaps in the literature on father involvement in the lives of young children a topic with a fast rising profile in today s world of female breadwinners and single parent households While the significant body of theoretical understanding and empirical data accumulated in recent decades has done much to characterize the fluidity of evolving notions of fatherhood the impact of this understanding on policy and legal frameworks has been uneven at an

international level In a field where groups of fathers were until recently marginalized in research this book adopts a refreshingly inclusive attitude aiming to motivate researchers to capture the nuanced practices of fathers in minority groups such as those who are homeless gay imprisoned raising a disabled child or from ethnically distinct backgrounds including Mexican and African American and indigenous fathers The volume includes chapters highlighting the unique challenges and possibilities of father involvement in their children s early years of development Contributing authors have integrated theories research policies and programs on father involvement so as to attract readers with diverse interest and expertise and material from selected countries in Asia Australia and Africa as well as North America evinces the international scope of their analysis Their often interdisciplinary analyses draw too on historical and cultural legacies even as they project a vision of the future in which fathers involvement in their young children s lives develops alongside the changing political economic and educational landscapes around the world Breathe in Jesus and Other Poems Dr. Victoria Z. Veloria,2015-10-09

Breathe in Jesus and Other Poems is a collection of stories in poetry form that revolves within and around the writers life and those near herher family and circle of friends It is the reflection of life itselfits beauty and bliss wounds and scars brought by trials and Gods own way of revealing Himself lighting the path and directing those who seek Him It is in the spirit of sharing and witnessing to the Lords glory and grace that events are unfolded and not on personal note to conceal what the general public may consider private For it is said Whoever boasts should boast in the Lord 2 Corinthians 10 17 Breathe in Jesus is meant to inspire the broken hearted and those who suffer or are still undergoing persecution and loss in different degrees or measure Not until one sees others suffering or loss could he understand himself and his situation not until he is shown the manifestation of Gods intervention would enable him to reflect too and be able to see what the Lord has in store for him and not until he calls on Him could he find God and be blessed by Him It is on this motive that this book is written for indeed the Word of the Living God rules the human heart and makes it breathe in Jesus **Mother's Love** Willie L Poole,2003-03-20

Children when you were small I suffered for you night and day Even when I had needs of my own I took the little I had and gave it to you When you were sick I sat up all night and day with you Now I am old You treat me like I m the child But in spite of it all I STILL LOVE YOU Poems Gilbert Beresford,1891 **African American Literature and the Classicist**

Tradition T. Walters,2007-10-29 This is a groundbreaking study exploring the significant relationship between western classical mythology and African American women s literature A comparative analysis of classical revisions by eighteenth and nineteenth century Black women writers Phillis Wheatley and Pauline Hopkins and twentieth century writers Gwendolyn Brooks Toni Morrison and Rita Dove reveals that Black women writers revise specific classical myths for artistic and political agency The study demonstrates that women rework myth to represent mythical stories from the Black female perspective and to counteract denigrating contemporary cultural and social myths that disempower and devalue Black womanhood Through their adaptations of classical myths about motherhood Wheatley Ray Brooks Morrison and Dove uncover the shared

experiences of mythic mothers and their contemporary African American counterparts thus offering a unique Black feminist perspective to classicism The women also use myth as a liberating space where they can speak the unspeakable and empower their subjects as well as themselves Verses by the Wayside Edna Smith- De Ran, 1907 *Luther: a Poem* Robert Montgomery, 1845 The Singing Heart Florence Ward, 1919 **Robert Lowell** Steven Axelrod, Helen Deese, 1986 Robert Lowell is one of the most widely recognised and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell's work by examining the poet's private life but this collection of essays attempts to reassess Lowell's poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell's career as a poet The book includes pieces on major works such as *Lord Weary's Castle* *Life Studies* *For the Union Dead* *Skunk Hour* *Notebook* the sonnets of 1969-73 as well as four essays devoted to Lowell's last complete and often neglected work *Day by Day* Employing a variety of methodologies the essays arrive at innovative and often controversial interpretations of Lowell's poems **The Excursion: a Poem** William Wordsworth, 2025-08-03 Reprint of the original first published in 1841 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Fighting Ptsd: One Poem at a Time** James H.
