

An impressionistic painting featuring a white dog, possibly a Weimaraner, standing in a blue, watery landscape. The dog is facing left, with its head turned slightly towards the viewer. The background is a vibrant blue with visible brushstrokes, suggesting a sky or water. In the foreground, there are red flowers and green foliage. The overall style is expressive and textured.

Poems Of Thirty Years

B. Beumers

Poems Of Thirty Years:

Poems of Thirty Years Gordon Bottomley,1927 Yuri Lyubimov: Thirty Years at the Taganka Theatre B. Beumers,2003-09-02 A study of Yuri Lyubimov s tempestuous career and his style of theatre during his thirty years at the Taganka Theatre This work traces the development of his ideas from his arrival at the theatre in 1964 through to his expulsion in 1984 and his period of exile in the West until his return in 1989 to a much changed Russia Tracing Lyubimov s work play by play the book uncovers an individual doomed to be at odds with the prevailing political and social climate of his literary contemporaries A Concordance to the Poems of Robert Browning Leslie Nathan Broughton,Benjamin Franklin Stelter,1925 **Selected Poems: Tennyson** Alfred Lord Tennyson,2007-12-06 Tennyson s poetry epitomizes the Victorian age for which he became a spokesman His finest poems are often steeped in a sensuous melancholy as in *Maud* or are chivarinic heroic and allegorical as in *The Lady of Shalott* and *Morte d Arthur* The Poems of Optatian Linda Jones Hall,2024-01-11 For the first time the poems and accompanying letters of Publilius Optatianus Porfyrius Optatian are published here with a translation and detailed commentary along with a full introduction to Optatian s work during this period Optatian was sent into exile by Constantine sometime after the Emperor s ascent to power in Rome in 312 AD Hoping to receive pardon Optatian sent a gift of probably twenty design poems to Constantine around the time of the ruler s twentieth anniversary 325-326 AD To enable the reader to experience the multiple messages of the poems the Latin text is presented near the English translation with any related design close by Some poems laid out on a grid of up to 35 letters across and down have an interwoven poem marking key letters in the primary poem thereby revealing a highlighted image Some designs include the Chi Rho or numerals created from V s and X s to mark imperial anniversaries Other previously unrecognised designs seem to represent senatorial imperial military or bureaucratic motifs or to derive from coin images Shape poems representing a water organ an altar and a panpipe reveal their relevance immediately The introduction and commentary elucidate literary allusions from over 100 authors lines from Vergil Ovid Lucan Silius Italicus Statius and lesser known writers abound and mythological references mostly to the Muses and Apollo Optatian s prestige as an official in both Greece and Rome is well attested these poems mark Optatian as a fascinating writer of his time holding onto the classical past while acknowledging Christian symbolism *Best Loved Poems of American People* Hazel Felleman,1936-10 Contains over 575 of the most frequently requested poems in America divided by subject and indexed by authors and first lines

The Social Lives of Poems in Nineteenth-Century America Michael C. Cohen,2015-07-17 *The Social Lives of Poems in Nineteenth Century America* illuminates the connections between poems and critical ideas about poetic genres and tracks the emergence and disappearance of poems and poets in American culture by examining how people encountered and made sense of poetry **The Six National Histories of Japan** Taro Sakamoto,1991-06-01 *The Six National Histories of Japan* Rikkokushi was written in 1970 by one of Japan s foremost historical scholars Sakamoto Taro An authoritative study of Japan

s first scholarly works and a modern classic it is now translated into English for the first time The Six National Histories chronicle the history of Japan from its origins in the Age of the Gods to A D 887 Written in Classical Chinese they were compiled in the imperial court during the eighth and ninth centuries by leading scholars and officials of the day Until the late nineteenth century each of the Six National Histories was accepted as an authoritative work containing the absolute truth about the past They have therefore exerted a profound effect on Japanese thought for well over a millenium In the twentieth century particularly since 1945 when state censorship ended scholars have focused on the first of the Six National Histories Nihon Shoki rejecting its authenticity In his book Sakamoto interpreted modern scholarly findings as well as presenting his own views thus completing the modern re evaluation of this controversial first work The remaining five works form a subgroup Sakamoto s study has been the only one to survey all of them identifying common features and pointing out the special characteristics of each John Brownlee s meticulous translation of Sakamoto s seminal work is supplemented by an informative introduction notes appendices and an index The translation makes available to English readers a valuable study of the Six National Histories which also provides insights into the methods of contemporary Japanese historians

The minor poems Geoffrey Chaucer,1902 [A Concordance to the Poems of Robert Browning](#) , *Cuban Literature in the Age of Black Insurrection* Matthew Pettway,2019-12-30 Juan Francisco Manzano and Gabriel de la Concepci n Vald s Pl cido were perhaps the most important and innovative Cuban writers of African descent during the Spanish colonial era Both nineteenth century authors used Catholicism as a symbolic language for African inspired spirituality Likewise Pl cido and Manzano subverted the popular imagery of neoclassicism and Romanticism in order to envision black freedom in the tradition of the Haitian Revolution Pl cido and Manzano envisioned emancipation through the lens of African spirituality a transformative moment in the history of Cuban letters Matthew Pettway examines how the portrayal of African ideas of spirit and cosmos in otherwise conventional texts recur throughout early Cuban literature and became the basis for Manzano and Pl cido s antislavery philosophy The portrayal of African Atlantic religious ideas spurned the elite rationale that literature ought to be a barometer of highbrow cultural progress Cuban debates about freedom and selfhood were never the exclusive domain of the white Creole elite Pettway s emphasis on African inspired spirituality as a source of knowledge and a means to sacred authority for black Cuban writers deepens our understanding of Manzano and Pl cido not as mere imitators but as aesthetic and political pioneers As Pettway suggests black Latin American authors did not abandon their African religious heritage to assimilate wholesale to the Catholic Church By recognizing the wisdom of African ancestors they procured power in the struggle for black liberation

Selections from Longfellow's poems including Evangeline, ed. with intr. and notes by M.T. Quinn Henry Wadsworth Longfellow,1896 [The Book Lover](#) ,1900 **New Collected Poems** Marianne Moore,2024-06-04 A landmark definitive edition of one of our most innovative and beloved poets The landmark oeuvre of Marianne Moore one of the major inventors of poetic modernism has had no straight path from beginning to end until now

there has been no good vantage point from which to see the body of her remarkable work as a whole Throughout her life Moore arranged and rearranged visited and revisited a large majority of her existing poetry always adding new work interspersed among revised poems This makes sorting out the complex textual history that she left behind a pressing task if we mean to represent her work as a poet in a way that gives us a complete picture New Collected Poems offers an answer to the question of how to represent the work of a poet so skillful and singular giving a portrait of the range of her voice and of the modernist culture she helped create William Carlos Williams remarking on the impeccable precision of Moore's poems praised the aesthetic pleasure engendered when pure craftsmanship joins hard surfaces skillfully It is only in New Collected Poems that we can understand her later achievements see how she refashioned her earlier work and get a more complete understanding of her consummate craftsmanship innovation and attention to detail Presented and collected by Heather Cass White the foremost scholar of Moore's work this new collection at last allows readers to experience the untamed force of these dazzling poems as the author first envisioned them

Songs and Poems Susanna Blamire, 1866 [The Chronology of American Literature](#) Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge check a favorite author's work or see a year's bestsellers at a glance The Chronology of American Literature is the perfect resource At once an authoritative reference and an ideal browser's guide this book outlines the indispensable information in America's rich literary past from major publications to lesser known gems while also identifying larger trends along the literary timeline Who wrote the first published book in America When did Edgar Allan Poe achieve notoriety as a mystery writer What was Hemingway's breakout title With more than 8 000 works by 5 000 authors The Chronology makes it easy to find answers to these questions and more Authors and their works are grouped within each year by category fiction and nonfiction poems drama literary criticism and publishing events Short concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career The result is a fascinating glimpse into the evolution of some of America's most prominent writers Perhaps most important The Chronology offers an invaluable line through our literary past tying literature to the American experience war and peace boom and bust and reaction to social change You'll find everything here from Benjamin Franklin's Experiments and Observations on Electricity to Davy Crockett's first memoir from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop Also included here are seminal works by authors such as Rachel Carson Toni Morrison John Updike and Arthur Schlesinger Jr Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century lists of literary awards and prizes and authors birth and death dates The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast It is the essential link to our literary past and present

The Poems and Plays of John Masefield John Masefield, 1918 *Twentieth Century Drama* Simon Trussler, 1983-04-01 A compendium of information on all the main events individuals political groupings and issues of the

20th century It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading *Shorter English Poems* Morley, 1876 **The English Catalogue of Books** Sampson Low, 1926 Volumes for 1898 1968 include a directory of publishers
