

perspective

some days i want to get out of my body,
see things through a different lens.
one that hasn't been tainted
by twenty years of living.

the idea haunts me.

there are so many lives i haven't lived.
so many people that haven't lived mine.

(would they do it any better?)

and i know we read to learn.
travel to grow.
to find ourselves in places
that aren't our own skin.

get some perspective
(or whatever they call it these days).

i am not old by any means.
just curious.

my bones aren't aching
unless you count longing as an ache.

oh, some days i am just a little restless.
that's all.

just overwhelmed with possibility.

i consider myself lucky.
i consider that free.
