Poetry In France Metamorphoses Of A Muse:

Poetry in France Keith Aspley, Peter France, 1992 Although organised chronologically POETRY IN FRANCE does not offer an analytical history of an entity that can be called French poetry Rather than presenting the story of a poetic tradition that starts with the Chanson de Roland and the troubadour poets and Passes via the Renaissance Classicism and Romanticism to Baudelaire Mallarmé and twentieth century poetry the book describes a plurality of traditions a history of discontinuities and conflicts rejections and re adoptions Within such a rich plurality the reader of this volume will discern recurrent threads of unifying concerns such as the debate over the frontiers of prose song and verse and the question of whether the correct poetic language should be elevated and formal or democratically everyday The nature of inspiration and the centrality of the imagination in poetic creation are also explored along with a consideration of the figure of the poet entertainer or educator prophet or politician maker or madman Discussions of the changing position of poetry in society are also included as is the debate over the nature of a canon in literature The result is not intended to be a formal set of views on poets or a chronological literary history rather it is an exploration of the nature of poetry in France a consideration of its changing conceptions functions and forms BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Princeton Encyclopedia of Poetry and Poetics Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, 2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades The Princeton Encyclopedia of Poetry and Poetics has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time

Shakespeare, Alchemy and the Creative Imagination Margaret Healy, 2011-04-28 Shakespeare's sonnets and A Lover's Complaint constitute a rich tapestry of rhetorical play about

Renaissance love in all its guises A significant strand of this spiritual alchemy is working the metal of the mind through meditation on love memory work and intense imagination Healy demonstrates how this process of anguished soul work construed as essential to inspired poetic making is woven into these poems accounting for their most enigmatic imagery and urgency of tone The esoteric philosophy of late Renaissance Neoplatonic alchemy which embraced bawdy sexual symbolism and was highly fashionable in European intellectual circles facilitated Shakespeare s poetry Arguing that Shakespeare s incorporation of alchemical textures throughout his late works is indicative of an artistic stance promoting religious toleration and unity this book sets out a crucial new framework for interpreting the 1609 poems and transforms our understanding of Shakespeare s art

Rhythm, Illusion and the Poetic Idea: Baudelaire, Rimbaud, Mallarmé David Evans, 2004-01-01 Rhythm Illusion and the Poetic Idea explores the concept of rhythm and its central yet problematic role in defining modern French poetry Forging innovative lines of inquiry linking the detailed analysis of poetic form to the evolution of fundamental aesthetic principles David Evans offers extensive new readings of the literary and critical writings of the three major poets at the centre of France s most important poetic revolution The volume is of interest to all students and readers of Baudelaire Rimbaud and Mallarmé since here is presented for the first time a thorough comparative study of developments in each writer s poetic form and theory focusing on the themes of illusion deception and the musical metaphor The book is also intended to stimulate wider critical debate on the interpretation of metrical verse prose poetry and vers libre and offers original analytical methods which facilitate the study of poetic form The author proposes a radical shift in our understanding of the role and mechanisms of poetic rhythm suggesting that its very resistance to definition and fixity provides a conveniently opaque veil over the difficulties of defining poetry in the nineteenth and twentieth centuries

The Theory of Inspiration Timothy Clark, 2000 Inspiration is a basic concept of western poetics and deserves reassessment with all the tools of modern literary theory

Theodore De Banville David Evans, 2018-12-13 Theodore de Banville 1823 1891 was a prolific poet dramatist critic and prose fiction writer whose significant contribution to poetic and aesthetic debates in nineteenth century France has long been overlooked Despite his profound influence on major writers such as Baudelaire Rimbaud Verlaine and Mallarmé Banville polarised critical opinion throughout his fifty year career While supporters championed him as a virtuoso of French verse many critics dismissed his formal pyrotechnics effervescent rhythms and extravagant rhymes as mere clowning This book explores how Banville s remarkably coherent body of verse theory and practice full of provocative energy and mischievous humour shaped debates about poetic value and how to identify it during a period of aesthetic uncertainty caused by diverse social economic political and artistic factors It features a detailed new reading of Banville s most infamous and misunderstood text the *Petit Traité de poésie française* as well as extended analyses of verse collections such as *Les Stalactites* *Odes funambulesques* *Les Exiles* *Trente six Ballades* and *Rondels* illuminated by wide reference to Banville s plays fiction and journalism Evans elucidates not only aesthetic tensions at the heart of

nineteenth century French verse but also a centuries old tension between verse mechanisms and an unquantifiable mysterious and elusive poeticity which emerges as one of the defining narratives of poetic value from the Middle Ages via the Grands Rhetoriciens and Dada to the experiments of the OuLiPo and beyond

Unacknowledged Legislators Roger Pearson, 2016-04-21 What is the public value of poetry How do poets envisage their own role and function within society How do we Do poets seek to shape public opinion and behaviour Should they Or do they offer alternatives perhaps sacred alternatives to political and religious ideologies Are they what Shelley in 1821 called the unacknowledged legislators of the World And what might that mean During the decades immediately preceding the Revolution of 1789 the status of contemporary poetry in France was at its lowest ebb At the same time the perceived power of the writer to influence public events reached a high water mark with Voltaire's triumphant return to Paris in 1778 In the course of the next century French poetry enjoyed an extraordinary renaissance and flowering perhaps its greatest But what of the poet's public influence In 1881 the people of Paris processed for six hours past the home of Victor Hugo on the occasion of his 79th birthday and in 1885 an estimated two million people witnessed his state funeral But who or what were they acknowledging Poetry or republicanism Or perhaps their own power For with each Revolution that passed 1789 1830 1848 French poets themselves felt increasingly marginalised This study addresses the first part of this story and focuses on the role and function of the poet during the so called Romantic Period Beginning with an account of the literary climate in pre revolutionary France it then maps the changes in that climate wrought by the events of the 1789 Revolution It describes the new politico literary agendas set by Chateaubriand and others on the monarchist Right and by Staël and others on the liberal Left Against this background it then analyses in detail the poetic output and public exploits of the three major French poets of the period Lamartine Hugo and Vigny The Romantic figure of the poet as prophet and magus is habitually dismissed as a cliché But by focusing on the role of the poet as lawgiver this book reveals the rich and complex terms in which the public function of poetry was debated in post revolutionary France and how amidst the centenary celebrations of 1889 as Romanticism gave way to Symbolism the poet as lawgiver continued to play a central part in that debate

Cosmos and Image in the Renaissance Kathryn Banks, 2017-07-05 Renaissance images could be real as well as linguistic Human beings were often believed to be an image of the cosmos and the sun an image of God Kathryn Banks explores the implications of this for poetic language and argues that linguistic images were a powerful tool for rethinking cosmic conceptions She reassesses the role of natural philosophical poetry in France focusing upon its most well known and widely read exponent Guillaume de Saluste Du Bartas Through a sustained analysis of Maurice Sceve's *Delie* Banks also rethinks love lyric's oft noted use of the beloved as image of the poet *Cosmos and Image* makes an original contribution to our understanding of Renaissance thinking about the cosmic the human and the divine It also proposes a mode of reading other Renaissance texts and reflects at length upon the relation of literature to history to the history of science and to political turmoil

Encyclopedia of Renaissance Philosophy Marco

Sgarbi,2022-10-27 Gives accurate and reliable summaries of the current state of research It includes entries on philosophers problems terms historical periods subjects and the cultural context of Renaissance Philosophy Furthermore it covers Latin Arabic Jewish Byzantine and vernacular philosophy and includes entries on the cross fertilization of these philosophical traditions A unique feature of this encyclopedia is that it does not aim to define what Renaissance philosophy is rather simply to cover the philosophy of the period between 1300 and 1650 **Mallarmé's Ideas in Language** Heather Williams,2004 In this book the author discusses the sheer improbability of Mallarmé's joint concern with concepts or ideas on the one hand and with language as it behaves within the constraints of poetic convention on the other Romanticism Frederick Burwick,2015-04-20 Compiles 70 of the key terms most frequently used or discussed by authors of the Romantic period and most often deliberated by critics and literary historians of the era Offers an indispensable resource for understanding the ideas and differing interpretations that shaped the Romantic period Includes keywords spanning Abolition and Allegory through Madness and Monsters to Vision and Vampires Features in depth descriptions of each entry's direct meaning and connotations in relation to its usage and thought in literary culture Provides deep insights into the political social and cultural climate of one of the most expressive periods of Western literary history Draws on the author's extensive experience of teaching lecturing and writing on Romantic literature **Visions/revisions** Nigel Harkness,2003 The essays in this volume contribute diversely towards a revision and a reconceptualization of nineteenth century France with many adopting interdisciplinary methodologies attentive to the interplay between literature history art popular and high culture politics and science **The Princeton Handbook of World Poetries** Roland Greene,Stephen Cushman,2016-11-22 An authoritative and comprehensive guide to poetry throughout the world The Princeton Handbook of World Poetries drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics provides a comprehensive and authoritative survey of the history and practice of poetry in more than 100 major regional national and diasporic literatures and language traditions around the globe With more than 165 entries the book combines broad overviews and focused accounts to give extensive coverage of poetic traditions throughout the world For students teachers researchers poets and other readers it supplies a one of a kind resource offering in depth treatment of Indo European poetries all the major Celtic Slavic Germanic and Romance languages and others ancient Middle Eastern poetries Hebrew Persian Sumerian and Assyro Babylonian subcontinental Indian poetries Bengali Hindi Marathi Punjabi Sanskrit Tamil Urdu and more Asian and Pacific poetries Chinese Japanese Korean Vietnamese Mongolian Nepalese Thai and Tibetan Spanish American poetries those of Mexico Peru Argentina Chile and many other Latin American countries indigenous American poetries Guaran Inuit and Navajo and African poetries those of Ethiopia Somalia South Africa and other countries and including African languages English French and Portuguese Complete with an introduction by the editors this is an essential volume for anyone interested in understanding poetry in an international context Drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and

Poetics Provides more than 165 authoritative entries on poetry in more than 100 regional national and diasporic literatures and language traditions throughout the world Features extensive coverage of non Western poetic traditions Includes an introduction bibliographies cross references and a general index

The Lives of Ovid in Seventeenth-century French Culture

Helena Taylor,2017 Helena Taylor explores responses to the life of the ancient Roman poet Ovid within the charged atmosphere of seventeenth century France She investigates how the figure of Ovid was used to debate literary taste and modernity and in doing so offers a fresh perspective on classical reception its paradoxes uses and quarrels

Eating the Enlightenment

E.C. Spary,2013-04-08 Eating the Enlightenment offers a new perspective on the history of food looking at writings about cuisine diet and food chemistry as a key to larger debates over the state of the nation in Old Regime France Embracing a wide range of authors and scientific or medical practitioners from physicians and poets to philosophes and playwrights E C Spary demonstrates how public discussions of eating and drinking were used to articulate concerns about the state of civilization versus that of nature about the effects of consumption upon the identities of individuals and nations and about the proper form and practice of scholarship En route Spary devotes extensive attention to the manufacture trade and eating of foods focusing upon coffee and liqueurs in particular and also considers controversies over specific issues such as the chemistry of digestion and the nature of alcohol Familiar figures such as Fontenelle Diderot and Rousseau appear alongside little known individuals from the margins of the world of letters the draughts playing caf owner Charles Manoury the Turkish envoy Soliman Aga and the natural philosopher Jacques Gautier d Agoty Equally entertaining and enlightening Eating the Enlightenment will be an original contribution to discussions of the dissemination of knowledge and the nature of scientific authority

Feminizing Imagination in France, 1563-1678

L'Invitation Au

Voyage John Renwick,2000 The Voltaire Foundation is proud to publish a volume of studies to honour Professor Peter France on his retirement from the University of Edinburgh Leading scholars in the field of the Enlightenment have chosen to write on travel an important current area of eighteenth century research and one which has engaged Peter France himself in recent years

A Study of The Newe Metamorphosis Written by J. M., Gent, 1600

John Henry Hobart Lyon,1919

Heroism and Passion in Literature

,2004-01-01 This volume prompted by the publication in 1999 of Moya Longstaffe s remarkable study Metamorphoses of Passion and the Heroic in French Literature Corneille Stendhal Claudel further investigates and analyses the multiple appearances of Passion and Heroism in literature It pursues the exploration of these themes in a variety of cultures English French German Spanish genres and critical approaches In addition the chronological span represented is extremely wide Contributions range from La Fontaine Moli re and Voltaire to Rimbaud and Camus from Baudelaire to Beckett from Wagner to Goytisolo This very diversity gives necessary context providing scope for reflection and analysis Although passion seems timeless can heroism have any real meaning apart from an individual and existential one in our postmodern age Has a notion

at the centre of European culture for so many centuries really disappeared from our intellectual and cultural universe This volume will be of interest to all students of literature whatever their critical or linguistic allegiance since it focuses on the varying manifestations of two vital ingredients of all societies and cultures
