The different views of creation are also discussed and compared and given a open minded weighing Are you concerned about
the fact that 70% of our youth no longer attend church and do not have a biblical world view The naturalistic or humanistic
world view they adopt from schooling favors the following 1 Man evolved from primates and is a biological machine with no

or whatever is most popular 3 Since man is only and animal there is no basis for individual human rights only rights for the

arguments are brief and easy to share in witnessing situations **NASA EP.** United States. National Aeronautics and Space
