The Provincial Lady: Five Novels E. M. Delafield, 2015-12-17 E. M. Delafield was a prolific English author who wrote dozens of novels. However, her best-known work is the largely autobiographical and extremely funny and enjoyable *Diary of a Provincial Lady*, which took the form of a journal of the life of an upper-middle-class Englishwoman living mostly in a Devon village of the 1930s. In four sequels, the Provincial Lady buys a flat in London, then travels to America, attempts to find war work during the Phoney War at the beginning of World War II, and finally tours the Soviet Union. We have collected these five novels in this volume.

Delafield, 1935 **The Provincial Lady - Complete Collection** E. M. Delafield, 2022-11-13 E. M. Delafield's *The Provincial Lady Complete Collection* is a classic work of British fiction that offers a satirical and humor-filled glimpse into the life of a fictional upper-middle-class woman residing in the English countryside. Written in a diary format, the book provides a witty commentary on the day-to-day challenges and social interactions faced by the provincial lady, showcasing Delafield's sharp observational skills and knack for comedic timing. Set in the early 20th century, the novel captures the essence of interwar Britain and explores themes of class, gender, and domesticity. Delafield's unique literary style blends humor with insightful social commentary, making *The Provincial Lady* a timeless and engaging read for fans of British literature. As a pioneering female writer of her time, Delafield's work sheds light on the experiences of women in a patriarchal society, offering a refreshing perspective on the struggles and triumphs of the everyday woman. I highly recommend *The Provincial Lady Complete Collection* to readers interested in exploring the nuances of English social satire and the evolving role of women in literature.
