Reckless Heart:

Reckless Heart Brighton Walsh, 2023-09-08 Turns out the gorgeous stranger I had a one night stand with is not only my sister's best friend but also my new employee. Worse I shared a whole lot more with Avery than one mind blowing night. I told her my deepest darkest secret. Despite my constant worry that she'll let the truth slip to my family I can't stay away from her. And when we're tossed together for an out of town trip and forced to share a room with only one bed the chemistry between us finally explodes again. I have no problem making her see stars or breaking the bed. The trouble is the longer our secret relationship goes on the more I want to keep her. But she's eight years my junior the sunshine to my grump and I know her free spirit wants more than the small town of Starlight Cove can offer. I have no doubt no one will ever give her more pleasure than I will but I refuse to hold her back. Even if that means letting her go when her three month contract is up.
