Reclaiming The Future Womens Strategies For The 21st Century:

Reclaiming the Future Somer Brodribb, 1999 Black women be ready White women get ready Red women stay ready for this is our time and all must realize it This is a call to action by Honey the Phoenix Radio disc jockey in Lizzie Borden's 1983 film *Born in Flames* The film's themes of violence poverty patriarchy racism heterosexism the media and feminist politics and organizations are also the themes of *Reclaiming the Future Women's Strategies for the 21st Century* No Place to Go Nancy Janovicek, 2011-11-01 The first history of the battered women's shelter movement in Canada *No Place to Go* traces the development of transition houses and services for abused women and the campaign that made wife battering a political issue Nancy Janovicek focuses on women's groups in small cities and rural communities examining anti violence activism in Thunder Bay Kenora Nelson and Moncton She also pays close attention to Aboriginal women in northwestern Ontario where the connections between family violence and the devaluation of indigenous culture in Canadian society complicated efforts to end domestic violence This book lays bare the aims and challenges of establishing women's shelters in non urban areas The local histories presented here show how transition houses became hubs in a larger movement to change attitudes about domestic violence and to lobby for legislation to protect women *Information Sources in Women's Studies and Feminism* Hope Olson, 2014-08-29 No detailed description available for *Information Sources in Women's Studies and Feminism*

Discourses of Denial Yasmin Jiwani, 2011-11-01 Canada prides itself on being a tolerant and inclusive culture enriched by its official policies of multiculturalism gender equality and human rights Lulled into complacency by these national maxims the public is occasionally shocked by glaring acts of racist and sexist violence brought to their attention by the sensationalist media But nobody pauses to consider the historical antecedents and root causes of these tragedies *Discourses of Denial* uncovers how racism sexism and violence interweave deep within the foundations of our society Using examples from the lives of immigrant girls and women of colour Yasmin Jiwani considers the way accepted definitions of race and gender shape and influence public consciousness With a perspective both academic and activist she exposes how media representations of violence serve the status quo and fail to tell the whole story about racialized and gendered inequalities In linking race gender and violence *Discourses of Denial* makes an important contribution to our understanding of the complex and interconnected influences that shape the violence of contemporary social reality and that contour the lives of racialized women This book is of particular relevance to readers interested in the intersection of race gender and violence in our increasingly mediated society *Writing the Revolution* Michele Landsberg, 2011-10-18 A collection of journalist Michele Landsberg's Toronto Star columns where she was a regular columnist for more than twenty five years between 1978 and 2005 Michele has chosen her favorite and most relevant columns using them as a lens to reflect on the the second wave of feminism and the issues facing women then and now An icon of the feminist movement and a hero to many through her writing and activism Michele played an important role in fighting for the rights of women children and the disenfranchised

Her insights are as powerful for the generation of women who experienced the second wave as for the rising tide of young feminists taking action today

Unfree Labour? Aziz Choudry, Adrian A. Smith, 2016-08-15 Over the past decade Canada has experienced considerable growth in labour migration Moreover temporary labour migration has replaced permanent immigration as the primary means by which people enter Canada Utilizing the rhetoric of maintaining competitiveness Canadian employers and the state have ushered in an era of neoliberal migration alongside an agenda of austerity flowing from capitalist crisis Labour markets have been restructured to render labour more flexible and precarious and in Canada as in other high income capitalist labour markets employers are relying on migrant and immigrant workers as unfree labour This book explores labour migration to Canada and how public policies of temporary and guest worker programs function in the global context of work and capitalist restructuring Contributors are directly engaged with the issues emerging from the influx of temporary foreign workers and Canada's creeping economic apartheid the ongoing racialization of economic inequality for many workers of colour The collection also examines how migrant and immigrant workers have organized for justice and dignity in Canada As opposed to a good deal of current writing that often ignores the working conditions and struggles of racialized migrant and immigrant workers the authors contend that migrant workers labour organizations and migrant worker allies have engaged in a wide range of organizing initiatives with significant political and economic impacts These have included both court challenges to secure legal rights to unionization and grassroots alternatives to traditional forms of unionization through workers centres Contributors include Aziz Choudry Adrian A Smith Sedef Arat Ko Abigail B Bakan Joey Calugay Jennifer Jihye Chun Jill Hanley Jah Hon Koo Mostafa Henaway Deena Ladd Marco Luciano Lo c Malhaire Adriana Paz Ramirez Geraldina Polanco Chris Ramsaroop Eric Shragge Sonia Singh Christopher C Sorio and Mark Thomas

1 Thessalonians Florence Morgan Gillman, Mary Ann Beavis, HyeRan Kim-Cragg, 2016 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God's vision of dignity equality and justice for all Book jacket

Althea Prince,Susan Silva-Wayne,2004 *Feminisms and Womanisms* brings together theory and practical application so that feminist discourse interacts as a partner with the lived experience of women s social action The selections combine classics in feminist thought with work from modern theorists and offer a solid foundation in international feminism The conceptual understanding embedded in the terms feminism and womanism contributes to feminist discourse a carefully differentiated focus on the ideological uses of language to define relationships that have been historically mired in domination The terms also define the way gender often has been used to signify and support domination Given that feminism and womanism are interpretive concepts there is always a sense that knowledge making is in progress for there is nothing static or stagnant about feminism feminist theory and feminist action The formative nature of the feminist movement has of necessity a parallel interpretive theory This reader embraces both the formative nature of the movement and the accompanying interpretive theories It also pays attention to the chronological cultural geopolitical racial and ethnic landscapes and sites where women live carry out social action and theorize issues of equality For both the general and academic reader this book will be edifying while providing exposure to the feminist womanist voices that inform the scholarship **Feminist Periodicals** ,2001
