Reclaiming Teenage Morality Christian Ethics Vs Modern Ethics:

Reclaiming Teenage Morality M. V. Willis, 1993 **The Scorpion Files** M. V. Willis, Jackie Cole, 1997 **Social Ethics in the Making** Gary Dorrien, 2011-04-06 In the early 1880s proponents of what came to be called the social gospel founded what is now known as social ethics This ambitious and magisterial book describes the tradition of social ethics one that began with the distinctly modern idea that Christianity has a social ethical mission to transform the structures of society in the direction of social justice Charts the story of social ethics the idea that Christianity has a social ethical mission to transform society from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy church and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self styled public intellectuals through to pastors and activists Set to become the definitive reference guide to the history and development of social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award **Recovering American Liberty** Robert Lowry MD, Dagne Florine PhD, 2020-01-07 Many Americans today realize that their own government is steadily becoming the greatest danger and threat to their rights liberties and future prosperity In their attempt to right the errant ways of American government millions of Americans have looked to the Constitution for answers and yet what is Constitutional continues to elude those that we the people elect to political office In Recovering American Liberty the authors note the importance of the Constitution but present an argument that contemporary Americans have lost sight of the ethical principles that the Constitution was conceived and written in and ratified only in the light of those being the self evident truth principles laid out in the Declaration of Independence Recovering American Liberty explores the Declaration of Independence and each of those self evident truths The authors reason that without Americans first becoming a people who once again embrace these principles in the Declaration then all their efforts to Make America Great Again will be for not For it is only because Americans once honored these principles in their personal lives that America as a nation became Great in the first place **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 [The Routledge International Handbook of Sex Therapy and Religion](#) Caleb Jacobson, 2025-09-30 The Routledge International Handbook of Sex Therapy and Religion is an invaluable resource for clinicians religious scholars clergy and anyone interested in the intersection of religion and sexual health By weaving together psychological theories religious ethics and cultural competence this volume provides a holistic approach to sex therapy that honors the faith and values of diverse religious traditions This handbook is not only a testament to the importance of integrating religious and cultural perspectives in therapeutic practice but also a vital tool for religious scholars and clergy in understanding and addressing sexual health issues within their communities It serves as a call to action for greater competency in addressing the complex needs of religious clients in matters of sex sexuality and gender

Would You Lie to Save a Life Michael Glenn Maness, 2007-09-12 Would You Lie to Save a Life Love Will Find a Way Home A Theology on the Ethics of Love In 1968 Commander Lloyd Bucher and the USS Pueblo were pirated on the high seas They were held captive for 11 months and Bucher was forced to sign a confession forced to lie to save the lives of his men How does Love impact that decision in a Christian theology Love makes the world go round Without Love little else has value this side of heaven In this dilemma between Love and Truth Love was chosen over Truth but not at the expense of all Truth Between the deontological and teleological elements time itself comes into play in the determination of the absolute rightness of the choice in perfect Love How is as capable as Jesus was and is today The course of Love is a sacred stewardship of time that is the highest exhibition of the Christian's own Imago Dei or image of God granted to us in creation When we are able to follow the Scarlet Thread of obedience perfectly it will lead straight through all of 1 the areas of complexity uniting 2 all of the demands of all of the absolutes and run dead center between 3 all of the ethical fine lines These three areas are detailed specifically

Soul Searching Christian Smith, Melina Lundquist Denton, 2009-04-13 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that

religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer these and related questions as definitively as possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole

True Sexual Morality Daniel R. Heimbach, 2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture

Ethics for a Brave New World, Second Edition (Updated and Expanded) John S. Feinberg, Paul D. Feinberg, 2010-11-04 Aldous Huxley's 1932 book Brave New World foresees a world in which technological advances have obliterated morality and freedom John Feinberg and Paul Feinberg in the first edition of Ethics for a Brave New World noted how Huxley landed frighteningly close to the truth Their book responded to ethical crises such as abortion euthanasia capital punishment and genetic engineering by looking to Scripture for principles to guide us through the moral quagmires of our time Now dramatically updated and expanded this edition of Ethics for a Brave New World seeks to maintain the relevance rigorous scholarship and biblical faithfulness of the first edition While many of the topics covered in the book remain the same John Feinberg has revised each chapter to keep it current with contemporary trends and to respond to the most recent scholarship There is a new chapter on stem cell research and greatly expanded material on issues such as homosexuality and genetic engineering This important resource will be a valuable guide for students and those seeking answers to ethical dilemmas

Getting Real Gary Tyra, 2018-02-08 Some reputable sociological research indicates that a surprising number of evangelical churchgoers are living out a version of the Christian life that's more informed by the values of the surrounding

culture than by the discipleship teachings of Jesus and his apostles Viewing the cause of this disturbing trend in the church to be a discipleship deficit that s exacerbated by a pneumatological deficit Gary Tyra has written a book that addresses both In this work Tyra encourages evangelical Christians of all stripes to become more fully aware of the tremendous difference it makes when the Holy Spirit is experienced in ways that are real and existentially impactful rather than merely theoretical conceptual and or ritualistic Intended to be read by church leaders as well as by students in Christian colleges and seminaries the message here is that the cure for the ministry malady currently confronting us is the recovery of a robust fully Trinitarian doctrine of the Spirit A pneumatological realism says Tyra combined with an understanding of just how important a spiritual moral and missional faithfulness is to a genuine Christian discipleship can revitalize the lives of individual Christians and churches making it possible for them to reach their post Christian peers for Christ

The Dark Side of Discipleship Gary Tyra,2020-10-21 There s a dark side to Christian discipleship church members ignore to their peril The New Testament has much to say about why and how Christ s followers must deal with the devil Learning to take the evil one seriously without obsessing over him is crucial to the spiritual endurance training we all need if we are to someday hear Jesus say to us Well done good and faithful servant Specifically pastor theologian Gary Tyra argues in this work that key to overcoming Satan is a balanced Spirit empowered engagement in what he refers to as the four cardinal components of Christian discipleship Understanding the various ways the devil attempts to derail our experiences of worship nurture community and mission can serve to motivate us with respect to them With the help of the Holy Spirit church members can cultivate a lifestyle spirituality that enables them to don the full armor of God and engage in several critical close quarters combat tactics the New Testament encourages In the end *The Dark Side of Discipleship* is a no nonsense yet inspirational New Testament theology of spiritual warfare that can serve Christ s church as a powerful aid to the spiritual moral and ministry formation of contemporary Christians

Lammers,2012-07-20 In print for more than two decades *On Moral Medicine* remains the definitive anthology for Christian theological reflection on medical ethics This third edition updates and expands the earlier awardwinning volumes providing classrooms and individuals alike with one of the finest available resources for ethics engaged modern medicine

Pleasures and Perils Debra Curtis,2009-02-09 *Pleasures and Perils* follows a group of young girls living on Nevis an island society in the Eastern Caribbean In this provocative ethnography Debra Curtis examines their sexuality in gripping detail why do Nevisian girls engage in sexual activity at such young ages Where is the line between coercion and consent How does a desire for wealth affect a girl s sexual practices Curtis shows that girls are often caught between conflicting discourses of Christian teachings about chastity public health cautions about safe sex and media enticements about consumer delights Sexuality s contradictions are exposed power and powerless ness self determination and cultural control violence and pleasure *Pleasures and Perils* illuminates the methodological and ethical issues

anthropologists face when they conduct research on sex especially among girls The sexually explicit narratives conveyed in this book challenge not only the reader's own thoughts on sexuality but also the broader limits and possibilities of ethnography

The Day Care Ritual Abuse Moral Panic Mary de Young, 2004-02-23 In the United States during the early 1980s hundreds of day care providers were accused of sexually abusing their young charges in satanic rituals that included blood drinking cannibalism and human sacrifice The panic surrounding the ritual abuse of children has spread quickly to Canada Europe and Australasia and its rapid dispersion has been unimpeded by international investigations that found no evidence to corroborate the allegations and warned that a moral panic was thrusting them into professional public attention This work is a sociologically based analysis of the day care ritual abuse panic in America It introduces the concept of moral panic and analyzes its relevance to the ritual abuse scare explores the ideological political economic and professional forces that fomented the panic discusses the McMartin Preschool case as the incident that brought attention to satanic menaces and children and examines the dialect between the various interest groups that stirred up and spread the moral panic and the day care providers accused of ritual abuse Also covered are the popular culture representations of day care ritual abuse the diffusion of the scare to areas overseas the institutionally symbolic and ideologically contradictory social ends of the panic and the outcomes of the panic in various settings The book ends with a discussion of moral panic theory and how it needs to be changed for a complex multi mediated postmodern culture and what lessons can be learned from the scare

Recycling Red Riding Hood Sandra Beckett, 2013-10-11 Sandra Beckett's book explores the contemporary retelling of the Red Riding Hood tale in Western children's literature

James Joyce's Legacies in Contemporary Irish Women's Writing Annalisa Mastronardi, 2025-09-10 James Joyce's *Legacies in Contemporary Irish Women's Writing* is a ground breaking study that for the first time explores in depth the influence of James Joyce on Irish women writers from his contemporaries to more recent voices With a particular focus on Anne Enright's *The Gathering* Eimear McBride's *A Girl Is a Half formed Thing* and Emilie Pine's *Ruth* Pen this book examines how Irish women writers have engaged with Joyce's legacy Unlike their male counterparts who have often felt overshadowed by Joyce's influence Irish women writers have embraced and expanded upon his work viewing it not as a constraint but as an opening to new creative possibilities This book will be of particular value to Joyce scholars working in feminism and reception studies as well as students of Irish literature and women's writing It offers fresh insights into the evolving landscape of Irish literature and complicates Harold Bloom's theory of the Anxiety of Influence demonstrating how women writers perceive canonical figures like Joyce not as rivals but as trailblazers
