

Recollections of the
NEW
DEAL

When the People Matter

Thomas H. Eliot

Edited and with an introduction by
John Kenneth Galbraith

Recollections Of The New Deal

Peter Roady

Recollections Of The New Deal:

The Sympathetic State Michele Landis Dauber, 2013 Drawing on a variety of materials including newspapers legal briefs political speeches the art and literature of the time and letters from thousands of ordinary Americans Dauber shows that while this long history of government disaster relief has faded from our memory today it was extremely well known to advocates for an expanded role for the national government in the 1930s including the Social Security Act Making this connection required framing the Great Depression as a disaster afflicting citizens though no fault of their own Dauber argues that the disaster paradigm though successful in defending the New Deal would ultimately come back to haunt advocates for social welfare By not making a more radical case for relief proponents of the New Deal helped create the weak uniquely American welfare state we have today one torn between the desire to come to the aid of those suffering and the deeply rooted suspicion that those in need are responsible for their own deprivation

FDR Iwan Morgan, 2022-07-14 One of the greatest American presidents Franklin Delano Roosevelt built a coalition of labour ethnic urban low income and African American voters that underwrote the Democratic Party's national ascendancy from the 1930s to the 1980s Over his four terms he promoted the New Deal the greatest reform programme in US history to meet the challenges of the Great Depression led the United States to the brink of victory in the Second World War and established the modern presidency as the driving force of American politics and government Iwan Morgan takes a fresh look at FDR showing how his leadership enabled the United States of America to become the most successful country of the twentieth century This astute and original assessment of a highly consequential presidency explains how Roosevelt enhanced the governing capacity of his office promoted a constitutional revolution through his dealings with the Supreme Court and forged a new intimacy between the president and the American people through his genius for political communication It also demonstrates the significance of his organizational and strategic leadership as commander in chief in America's greatest foreign war his role in holding together the US British Soviet Grand Alliance against the Axis powers and his pioneering development of the national security presidency that sought to promote a lasting post war peace for the world In fluid immensely readable prose Morgan focuses on the ways in which FDR transformed the presidency into an institution of domestic and international leadership to establish the modern ideal of the office as an assertive democratic executive charged with meeting the challenges facing the US at home and abroad

The Contest Over National Security Peter Roady, 2024-03-19 National security once was not limited to physical defense FDR equated national security with safety from foreign attack and economic want conservatives fearful of costs and federal expansion stripped out domestic policy The Contest over National Security explains why the US developed separate imbalanced national security and welfare states

A Companion to Franklin D. Roosevelt William D. Pederson, 2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the

tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars *Nothing to Fear* Adam Cohen,2009-01-08 A fascinating account of an extraordinary moment in the life of the United States The New York Times With the world currently in the grips of a financial crisis unlike anything since the Great Depression *Nothing to Fear* could not be timelier This acclaimed work of history brings to life Franklin Roosevelt s first hundred days in office when he and his inner circle launched the New Deal forever reinventing the role of the federal government As Cohen reveals five fiercely intelligent often clashing personalities presided over this transformation and pushed the president to embrace a bold solution *Nothing to Fear* is the definitive portrait of the men and women who engineered the nation s recovery from the worst economic crisis in American history **The Hungry Years** T. H. Watkins,2000-09 Draws from oral histories memoirs local newspaper reports and scholarly texts to tell the story of America s Great Depression in the words of people who lived through it *A Right to Childhood* Kriste Lindenmeyer,1997 The meaningful accomplishments and the demise of the Children s Bureau have much to tell parents politicians and policy makers everywhere *From Cotton Belt to Sunbelt* Bruce J. Schulman,1994 *From Cotton Belt to Sunbelt* investigates the effects of federal policy on the American South from 1938 until 1980 and charts the close relationship between federal efforts to reform the South and the evolution of activist government in the modern United States Decrying the South s economic backwardness and political conservatism the Roosevelt Administration launched a series of programs to reorder the Southern economy in the 1930s After 1950 however the social welfare state had been replaced by the national security state as the South s principal benefactor Bruce J. Schulman contrasts the diminished role of national welfare initiatives in the postwar South with the expansion of military and defense related programs He analyzes the contributions of these growth oriented programs to the South s remarkable economic expansion to the development of American liberalism and to the excruciating limits of Sunbelt prosperity ultimately relating these developments to southern politics and race relations By linking the history of the South with the history of national public policy Schulman unites two issues that dominate the domestic history of postwar America the emergence of the Sunbelt and the expansion of federal power over the nation s economic and social life A forcefully argued work *From Cotton Belt to Sunbelt* originally published in 1991 Oxford University Press will be an important guide to students and scholars of federal policy and modern Southern history **Invoking the Invisible Hand** Robert Asen,2009-03-02 In *Invoking the Invisible Hand* Robert Asen scrutinizes contemporary debates over proposals to privatize Social Security Asen argues that a rights based rhetoric employed by Social Security s original supporters enabled advocates of privatization to align their proposals with the widely held belief that Social Security functions simply as a return on a worker s contributions

and that it is not in fact a social insurance program By analyzing major debates over a preeminent American institution Asen reveals the ways in which language is deployed to identify problems for public policy craft policy solutions and promote policies to the populace He shows how debate participants seek to create favorable contexts for their preferred policies and how they connect these policies to idealized images of the nation The Unemployed People's Movement James J. Lorence,2011-03-01 In Georgia during the Great Depression jobless workers united with the urban poor sharecroppers and tenant farmers In a collective effort that cut across race and class boundaries they confronted an unresponsive political and social system and helped shape government policies James J Lorence adds significantly to our understanding of this movement which took place far from the northeastern and midwestern sites we commonly associate with Depression era labor struggles Drawing on extensive archival research including newly accessible records of the Communist Party of the United States Lorence details interactions between various institutional and grassroots players including organized labor the Communist Party the Socialist Party liberal activists and officials at every level of government He shows for example how the Communist Party played a more central role than previously understood in the organization of the unemployed and the advancement of labor and working class interests in Georgia Communists gained respect among the jobless especially African Americans for their willingness to challenge officials help negotiate the welfare bureaucracy and gain access to New Deal social programs Lorence enhances our understanding of the struggles of the poor and unemployed in a Depression era southern state At the same time we are reminded of their movement s lasting legacy the shift in popular consciousness that took place as Georgians influenced by a new sense of entitlement fostered by the unemployed organizations began to conceive of new more equal relations with the state *Recollections of the New Deal* Thomas Hopkinson Eliot,1992 This engaging memoir evokes the political and social atmosphere of the capital in the New Deal era and details Eliot s own role as principal author of the Social Security Act **Alger Hiss** Christina Shelton,2012-04-17 The definitive biography of infamous Soviet spy Alger Hiss by a former U S Intelligence analyst who confirms both Hiss guilt and how deeply the Soviets had infiltrated the government "Phantom of Fear" Robert Lynn Fuller,2014-01-10 In March 1933 in one of his first acts as president Franklin Delano Roosevelt declared a bank holiday throughout the United States Considered by many to be a bold step to curb the mounting bank crisis the decree closed banks in all 48 states and overseas territories putting money out of reach of citizens businesses and all levels of government This narrative history recounts and explains the economic financial and political backgrounds of the banking panic arguing that the holiday was not only unnecessary but actually damaging to the economy The holiday did however provide Roosevelt with the momentum to push through a series of historic reforms that remade the federal government This revisionist work not only reveals the circumstances around the panic but debunks numerous myths that have clung to it ever since **Colored Memories** Susan Curtis,2008 Lester A Walton was a well known public figure in his day An African American journalist cultural critic diplomat and political activist he was an adviser

to presidents and industrialists in a career that spanned the first six decades of the twentieth century He was a steadfast champion of democracy and lived to see the passage of major civil rights legislation But one word best describes Walton today forgotten Exploring the contours of this extraordinary life Susan Curtis seeks to discover why our collective memory of Walton has failed In a unique narrative of historical research she recounts a fifteen year journey from the streets of Harlem and The Ville in St Louis to scattered archives and obscure public records as she uncovers the mysterious circumstances surrounding Walton s disappearance from national consciousness And despite numerous roadblocks and dead ends in her quest she tells how she came to know this emblematic citizen of the American Century in surprising ways In this unconventional book a postmodern ghost story an unprecedented experiment in life writing Curtis shares her discoveries as a researcher Relating her frustrating search through long overlooked documents to discover this forgotten man she offers insight into how America s obsession with race has made Walton s story unwelcome She explores the treachery duplicity and archival accidents that transformed a man dedicated to the fulfillment of American democracy into a shadowy figure Combining anecdotal memories with the investigative instincts of the historian Curtis embraces the subjectivity of her research to show that what a society forgets or suppresses is just as important as what it includes in its history *Colored Memories* is a highly original work that not only introduces readers to a once influential figure but also invites us to reconsider how we view understand and preserve the past *Alger Hiss's Looking-Glass Wars* G. Edward White, 2004-03-11

For decades a great number of Americans saw Alger Hiss as an innocent victim of McCarthyism a distinguished diplomat railroaded by an ambitious Richard Nixon And even as the case against Hiss grew over time his dignified demeanor helped create an aura of innocence that outshone the facts in many minds Now G Edward White deftly draws together the countless details of Hiss s life from his upper middle class childhood in Baltimore and his brilliant success at Harvard to his later career as a self made martyr to McCarthyism to paint a fascinating portrait of a man whose life was devoted to perpetuating a lie White catalogs the evidence that proved Hiss s guilt from Whittaker Chambers s famous testimony to copies of State Department documents typed on Hiss s typewriter to Allen Weinstein s groundbreaking investigation in the 1970s The author then explores the central conundrums of Hiss s life Why did this talented lawyer become a Communist and a Soviet spy Why did he devote so much of his life to an extensive public campaign to deny his espionage And how without producing any new evidence did he convince many people that he was innocent White offers a compelling analysis of Hiss s behavior in the face of growing evidence of his guilt revealing how this behavior fit into an ongoing pattern of denial and duplicity in his life The story of Alger Hiss is in part a reflection of Cold War America a time of ideological passions partisan battles and secret lives It is also a story that transcends a particular historical era a story about individuals who choose to engage in espionage for foreign powers and the secret worlds they choose to conceal In White s skilled hands the life of Alger Hiss comes to illuminate both of those themes *Franklin D. Roosevelt and the Art of Leadership* William Nester, 2024-06-30 Scholar

William Nester explores Franklin D Roosevelt s character personality and presidential power After their independence and civil wars Americans never faced a greater threat than the sixteen years of global depression followed by global war from 1929 to 1945 Franklin Delano Roosevelt was the president for the last dozen of those years during which he led the nation first to alleviate the Great Depression then led an international alliance that vanquished the fascist powers during the Second World War Along the way he established the modern presidency with centralized powers to make and implement domestic and foreign policies He was naturally a master politician who eventually through daunting trials and errors became an accomplished statesman For all that historians regularly rank Roosevelt among the top three presidents Yet most historians and countless others criticize Roosevelt for an array of things that he did or failed to do Conservatives lambast him for creating a welfare state and trying to pack federal courts with liberal judges while liberals condemn him for interning 120 000 Japanese Americans during the war and doing little to advance civil rights for African Americans Critics blister war commander Roosevelt for caving into strategies demanded by powerful leaders that squandered countless lives and treasure in literal and figurative dead ends These include Prime Minister Churchill s push to invade the Italian peninsula and General MacArthur s determination to recapture the Philippines At times his policies violated his principles Like President Wilson during the Second World War Roosevelt championed self determination but not for every nation He badgered Churchill to break up Britain s empire while bowing to Stalin s brutal communist conquest of eastern Europe And those are just the opening barrages against Roosevelt Although he won four presidential elections with overwhelming majorities nearly as many people reviled him as they adored him Franklin D Roosevelt and the Art of Leadership explores the dynamic among Roosevelt s character personality and presidential power with which he asserted policies that overcame first the Great Depression and then the Axis powers during the Second World War Along the way the book raises and answers key questions What were Roosevelt s leadership skills and how did he develop them over time Which New Deal policies succeeded which failed and what explains those results Which war strategies succeeded which failed and what explains those results What policies rooted in Roosevelt s instincts proved to be superior to alternatives grounded in thick official reports advocated by his advisors Finally how does Roosevelt rank as an American and global leader

A. P. Giannini: Banker of America

Felice A. Bonadio,2024-02-07 It is rare for a banker to win national acclaim or even recognition J P Morgan apart it is hard to think of a banker who achieved this kind of status A P Giannini had it on the West Coast but even though he remained a regional banker his influence was national Felice A Bonadio describes him as the Henry Ford of banking While recognizing that Giannini was no saint Mr Bonadio accepts him at his own valuation as the people s banker There is no question that in creating the world s largest bank he greatly benefited California much of the state s explosive growth in this century having been financed by Bank of America And as Mr Bonadio points out by extending easy credit more broadly than anyone else he expanded the boundaries of life for millions To do so was his dream and the realization of it justifies the effort Mr Bonadio

has put into this book William L O Neill The New York Times Giannini who began his career as a wholesaler of fruit and vegetables became a financial giant As early as 1920 his San Francisco bank had 220 000 depositors Competing bankers joined fundamentalist Protestant groups in charging him with fomenting a Catholic Italian plot to take over the West s financial institutions Giannini s 410 branch banking octopus did indeed engage in such tactics The author uncovered internal bank memos documenting quite ruthless attempts to capture the bank accounts of immigrant school children and women family members The investments which the Bank of America backed included the movie business In addition to becoming Walt Disney s first financial sponsor Giannini helped to subsidize the building of the Golden Gate bridge Bonadio gives one a real sense of what it meant for the warm hearted but sometimes volatile Giannini to help finance such huge enterprises Bonadio s narrative is direct and forceful The description of Giannini s personal character moves the story along skillfully Andrew Rolle Italian Americana By starting a bank and nurturing it into the biggest bank in the world Amadeo Peter Gianninni became possibly the most spectacular entrepreneur of the early part of the twentieth century His story is inspiring and of interest to anyone who wants to understand the history of the West or the development of financial institutions in the United States This book should be a part of every complete library on the history of the west or financial history Lynne Pierson Doti The Journal of Economic History Until this biography appeared we have had to rely on a very old and limited account of the Bank of America Felice A Bonadio has made what appears to be thorough use of the bank s archives to go far beyond that old account He adds much to our knowledge of Giannini s enterprises which included not only his early ventures as a produce merchant but also his major involvement with the film industry throughout the 1920s and 30s Bonadio writes well and knows how to tell a story Richard M Abrams Pacific Historical Review Bonadio s accomplishment rests on the careful presentation of archival resources and of a large secondary literature The clarity of the story is reinforced through the use of extensive quotes a well documented business biography Gunther Barth Montana Magazine of Western History Those interested in the reconstruction of one financier s view of his world will find in Bonadio s book much to think about Kerry Odell The American Historical Review [The Bulldozer in the Countryside](#) Adam Rome,2001-04-16 The concern today about suburban sprawl is not new In the decades after World War II the spread of tract house construction changed the nature of millions of acres of land and a variety of Americans began to protest against the environmental costs of suburban development By the mid 1960s indeed many of the critics were attempting to institutionalize an urban land ethic The Bulldozer in the Countryside was the first scholarly work to analyze the successes and failures of the varied efforts to address the environmental consequences of suburban growth from 1945 to 1970 For scholars and students of American history the book offers a compelling insight into two of the great stories of modern times the mass migration to the suburbs and the rise of the environmental movement The book also offers a valuable historical perspective for participants in contemporary debates about the alternatives to sprawl **Organization Space** Keller Easterling,2001-08-24 Bridging the gap between

architecture and infrastructure Easterling views architecture as part of an ecology of interrelationships and linkages and she treats the expression of organizational character as part of the architectural endeavor The dominant architectures in our culture of development consist of generic protocols for building offices airports houses and highways For Keller Easterling these organizational formats are not merely the context of design efforts they are the design Bridging the gap between architecture and infrastructure Easterling views architecture as part of an ecology of interrelationships and linkages and she treats the expression of organizational character as part of the architectural endeavor Easterling also makes the case that these organizational formats are improvisational and responsive to circumstantial change to mistakes anomalies and seemingly illogical market forces By treating these irregularities opportunistically she offers architects working within the customary development protocols new sites for making and altering space By showing the reciprocal relations between systems of thinking and modes of designing Easterling establishes unexpected congruencies between natural and built environments virtual and physical systems highway and communication networks and corporate and spatial organizations She frames her unconventional notion of site not in terms of singular entities but in terms of relationships between multiple sites that are both individually and collectively adjustable The Great Depression Michael A. Bernstein, 1987 This 1988 book focusses on why the American economy failed to recover from the downturn of 1929 33

Unveiling the Magic of Words: A Report on "**Recollections Of The New Deal**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Recollections Of The New Deal Introduction

In the digital age, access to information has become easier than ever before. The ability to download Recollections Of The New Deal has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Recollections Of The New Deal has opened up a world of possibilities. Downloading Recollections Of The New Deal provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Recollections Of The New Deal has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Recollections Of The New Deal. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Recollections Of The New Deal. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Recollections Of The New Deal, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Recollections Of The New Deal has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Recollections Of The New Deal Books

What is a Recollections Of The New Deal PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Recollections Of The New Deal PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Recollections Of The New Deal PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Recollections Of The New Deal PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Recollections Of The New Deal PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific

software or tools, which may or may not be legal depending on the circumstances and local laws.
