**Reconciliation** Sandra DeGidio,1985-01-01      **The Future of the Sacrament of Penance** Frank O'Loughlin,2009

**Reconciliation** John W. De Gruchy,1872 Whether born in the Mideast Africa Asia or brought home to the streets of America violent hatreds often threaten to swamp the minimal cooperation needed to foster life and health Does Christianity have anything besides warmed over pieties to offer a world torn by estrangement alienation and violently opposed worldviews In this signal contribution to public theology John de Gruchy an internationally esteemed political theologian emphatically affirms the possibility and necessity of reconciliation For Christians he says reconciliation is the center and perennial test of their faith De Gruchy expands reconciliation s relevance beyond personal piety and ecclesial harmony to encompass group relations politics and even the environment In all cases he argues it involves the restoration of justice Forged in the recent experience of South Africa his work delineates the political and ecclesial significance of reconciliation and shows its importance for interreligious relations addressing victimization and international peace Reconciliation will be welcomed by all whose faith leads them to help alleviate the world s mounting agonies      *Confession* Fr. Paul

Farren,2014-03-01 The sacrament of Confession is probably the most talked about sacraments in the Catholic Church as well as a spiritual practice being revived in many Protestant churches This book explores the sacrament focusing on the two people who confess God and the penitent God is the primary confessor when he confesses his forgiveness for and trust in the one who is celebrating the sacrament The gift of freedom the existence of hell and the role of conscience are discussed at length Jean Vanier in his foreword says Somewhere along the line in the history of the Church people have become more centred upon obedience to laws than upon this relationship with love with a person with Jesus This book flows from an understanding of Confession as a meeting of love and as a renewal of friendship How that friendship is renewed is explored using the Rite of Penance and St Peter in the Gospel This helps us understand what happens in the sacrament and how we can celebrate it Ultimately Fr Paul describes reconciliation as God s gift to us to express God s humble forgiveness and his confidence in us and also the place where we take responsibility for our lives      A Covenantal Imagination William Johnson

Everett,2021-12-15 This harvest of articles drawn from William Johnson Everett s career of teaching and research on four continents and in a variety of institutions shows the breadth depth and diversity of his interests Like spotlights in the wider field of Christian social ethics they illuminate the key threads that have held together an emerging tapestry of thought woven around the powerful concept of covenant Whether lifting up concepts of covenant federalism and corporation the oikos of work family and faith the public nature and mission of the church or the ethical meaning of journey metaphors his rich and artful style leads us into thinking more deeply about the way our lives are joined in a covenantal imagination about a more just and sustainable world      **The Sacrament of Reconciliation** David Michael Coffey,2001 The author discusses the

theology of the sacrament of Reconciliation that emanated from the reformed rites that were promulgated after Vatican II He treats the public nature of sin and forgiveness and shows that the Church has always been concerned to continue Christ's reconciling ministry in a public and sacramental way Further he treats the constitutive parts of the developed sacrament and analyzes the sacramental forms of reconciliation as well as the non sacramental form in a way that reveals their complementarity He concludes by suggesting some possibilities for the development of the sacrament

*A History of Auricular Confession and Indulgences in the Latin Church: Confession and absolution* Henry Charles Lea, 1896

*Confession* Patrick W. Carey, 2018-09-05 Confession is a history of penance as a virtue and a sacrament in the United States from about 1634 when Catholicism arrived in Maryland to 2015 fifty years after the major theological and disciplinary changes initiated by the Second Vatican Council Patrick W Carey argues that the Catholic theology and practice of penance so much opposed by the inheritors of the Protestant Reformation kept alive the biblical penitential language in the United States at least until the mid 1960s when Catholic penitential discipline changed During the nineteenth and early twentieth centuries American Catholics created institutions that emphasized in opposition to Protestant culture confession to a priest as the normal and almost exclusive means of obtaining forgiveness Preaching teaching catechesis and parish revival type missions stressed sacramental confession and the practice became a widespread routine in American Catholic life After the Second Vatican Council the practice of sacramental confession declined suddenly The post Vatican II history of penance influenced by the Council's reforms and by changing American moral and cultural values reveals a major shift in penitential theology moving from an emphasis on confession to emphasis on reconciliation Catholics make up about a quarter of the American population and thus changes in the practice of penance had an impact on the wider society In the fifty years since the Council penitential language has been overshadowed increasingly by the language of conflict and controversy In today's social and political climate Confession may help Americans understand how far their society has departed from the penitential language of the earlier American tradition and consider the advantages and

disadvantages of such a departure
