Ober**

Reconstructing Political Theory:

Reconstructing Political Theory Mary Lyndon Shanley, Uma Narayan, 1997 In this volume a companion to *Feminist Interpretations and Political Theory* Penn State 1991 edited by Mary Lyndon Shanley and Carole Pateman leading feminist theorists rethink the traditional concepts of political theory and expand the range of problems and concerns regarded as central to the analysis of political life Written by well known scholars in philosophy political science sociology and law the book provides a rich interdisciplinary account of key issues in political thought While some of the chapters discuss traditional concepts such as rights power freedom and citizenship others argue that topics less frequently discussed in political theory such as the family childhood dependency compassion and suffering are just as significant for an understanding of political life The Introduction shows how such diverse topics can be linked together and how feminist political theory can be elaborated systematically if it takes notions of independence and dependency public and private and power and empowerment as central to its agenda

Reconstructing the Classics Edward Bryan Portis, 2007-06-07 To truly understand the substance and value of any great philosopher's work students must examine political theory against the backdrop of history the surrounding literature and the individual theorist's views on human nature and rational motivation In this third edition of his classic text Edward Portis provides students with the framework they need to fully appreciate the original texts they are reading and apply the concepts they are learning Fully updated since the previous edition almost a decade ago Portis expands his coverage to include a complete chapter on Max Weber Further Portis strengthens his lucid introductions to the greatest theorists of Western political thought proving them indispensable guides for both the politically engaged citizen and the practicing social scientist He also provides suggestions updated for this edition for further reading in political theory

Reconstructing Political Pluralism Avigail I. Eisenberg, 1995-01-01 This reappraisal of the pluralist tradition systematically explores accounts of political pluralism offered by James Dewey Figgis Cole Laski Follett and Dahl and shows how each variant contains a distinct account of the relation between group power individual interest and self development These historical accounts provide the resources with which Eisenberg reconstructs a democratic theory of political pluralism At the center of political pluralism she argues is a pluralist approach to self development that can address the key ambiguities of identity politics and provide a more effective means to balance the power relations between individuals and communities than can individualist or communitarian approaches

The Political Theory Reader Paul Schumaker, 2010-02-22 Utilizing 100 key readings *The Political Theory Reader* explores the rich tradition of ideas that shape the way we live and the great issues in political theory today Allows students to see how competing ideological viewpoints think about the same political issues Provides readers with direct access to authors covered in the *From Ideologies to Public Philosophies* text Facilitates discussions by having readings arranged thematically throughout text Extracts of works specifically chosen to focus on topics central to issues covered in chapters

Reconstructing Social Theory, History and

Practice Harry F. Dahms, Eric R. Lybeck, 2016-12-05 Taken from papers presented at the 2015 International Social Theory Consortium ISTC this volume focusses on Reconstruction dedicated to taking account of and interrogating the possibility of picking up the pieces

Reconstructing Rawls Robert S. Taylor, 2015-11-10 Reconstructing Rawls has one overarching goal to reclaim Rawls for the Enlightenment more specifically the Prussian Enlightenment Rawls's so called political turn in the 1980s motivated by a newfound interest in pluralism and the accommodation of difference has been unhealthy for autonomy based liberalism and has led liberalism more broadly toward cultural relativism be it in the guise of liberal multiculturalism or critiques of cosmopolitan distributive justice theories Robert Taylor believes that it is time to redeem A Theory of Justice's implicit promise of a universalistic comprehensive Kantian liberalism Reconstructing Rawls on Kantian foundations leads to some unorthodox conclusions about justice as fairness to be sure for example it yields a more civic humanist reading of the priority of political liberty a more Marxist reading of the priority of fair equality of opportunity and a more ascetic or antimaterialist reading of the difference principle It nonetheless leaves us with a theory that is still recognizably Rawlsian and reveals a previously untraveled road out of Theory a road very different from the one Rawls himself ultimately followed

Reconstructing the Classics Edward Bryan Portis, 1998 This work asserts the necessity of studying the works of seminal thinkers of the past in order to comprehend and articulate the fundamental theoretical assumptions that underlie all political behaviour The author explains that what the classic thinkers offer to practicing political scientists and students alike are conceptual options alternatives to one another and to the unstated conventional wisdom of our cultural context tools for the clarification of one's own thought and observations of contemporary phenomena

POLITICAL THEORY RAMASWAMY, SUSHILA, 2010-10-01 Political theory and political philosophy are generally used interchangeably though sometimes a distinction is made between the two This book on political theory deals with the study of political institutions along with the theories of State Law Liberty and Equality In its second edition the book continues to analyse the key concepts like Authority Power Sovereignty Political obligation Civil disobedience Citizenship Rights Democracy and Justice The non western ideas including Indian and Chinese are incorporated to underline cultural plurality and shared values in an enterprise that tries to set universal standards The book is designed for the undergraduate and postgraduate students of Political Science The book will be equally beneficial for the students appearing for the civil services examinations

International Relations, Political Theory, and the Problem of Order Nicholas J. Rengger, 2000 This book seeks to offer a general interpretation and critique of both methodological and substantive aspects of International theory

Athenian Political Thought and the Reconstruction of American Democracy J. Peter Euben, John R. Wallach, Josiah Ober, 1994 A collection of essays on Athenian democracy organized in three sections on situating the Athenian democracy in relation to various regimes exploring how discourse in democratic Athens displayed awareness of democracy's limitations and creating direct dialogues between the discourse of Athenian democracy and that of contemporary thought Annotation

copyright by Book News Inc Portland OR The Reconstruction of Economic Theory Simon Nelson Patten,1912

Interpretation in Political Theory Clement Fatovic, Sean Noah Walsh, 2016-09-13 Theorists interested in learning more about any given interpretive approach are often required to navigate a dizzying array of sources with no clear sense of where to begin The prose of many primary sources is often steeped in dense and technical argot that novices find intimidating or even impenetrable *Interpretation in Political Theory* provide students of political theory a single introductory reference guide to major approaches to interpretation available in the field today Comprehensive and clearly written the book includes A historical and theoretical overview that situates the practice of interpretation within the development of political theory in the twentieth century Chapters on Straussian esotericism historical approaches within the Cambridge School of interpretation materialist approaches associated with Marxism the critical approaches associated with varieties of feminism Greimassian semiotics Foucaultian genealogy the negative dialectics of Theodor Adorno deconstruction as exemplified by Jacques Derrida and Paul de Man and Lacanian psychoanalysis An exposition of the theoretical and disciplinary background of each approach the tools and techniques of interpretation it uses its assumptions about what counts as a relevant text in political theory and what it considers to be the purpose or objective of reading in political theory A reading of Thomas Hobbes s *Leviathan* to illustrate how each approach can be applied in practice A list of suggestions for further reading that will guide those interested in pursuing more advanced study An invaluable textbook for advanced undergraduates graduate students and even seasoned scholars of political theory interested in learning more about different interpretive approaches

The Reconstruction of the Juridico-Political Ian Bryan, Peter Langford, John McGarry, 2015-12-22 Hans Kelsen and Max Weber are conventionally understood as the original proponents of two distinct and opposed processes of concept formation generating two separate and contrasting theoretical frameworks for the study of law *The Reconstruction of the Juridico Political Affinity and Divergence* in Hans Kelsen and Max Weber contests the conventional understanding of the theoretical relationship between Kelsen s legal positivism and Weber s sociology of law Utilising the conceptual frame of the juridico political the contributors to this interdisciplinary volume analyse central points of affinity and divergence in the work of these two influential figures Thus the chapters collected in *The Reconstruction of the Juridico Political* offer a comprehensive reconsideration of these affinities and divergences through a comparison of their respective reconstruction of the notions of democracy the State legal rights and the character of law From this reconsideration a more complex understanding of their theoretical relationship emerges combined with a renewed emphasis upon the continued contemporary relevance of the work of Kelsen and Weber **The Realist Tradition in International Relations** Barry Scott Zellen, 2011-08-19 This comprehensive foundation for the study of realism will introduce students in disciplines as varied as philosophy international relations and strategic studies to the majestic breadth of the realist tradition that unifies them all *The Realist Tradition in International Relations The Foundations of Western Order* introduces the principal theorists

who have shaped and defined the realist tradition This once dominant theory of international politics has reemerged to provide a shared foundation for understanding political theory international relations theory and strategic studies The work is comprised of four volumes each focusing upon a distinct period and the pivotal contributors writing in that era Volume 1 State of Hope looks at the classical era when chaos reigned supreme Volume 2 State of Fear goes through the early modern period and the emergence of the modern state Volume 3 State of Awe explores the age of total war with its unprecedented dangers Volume 4 State of Siege examines the present era of insurgency and asymmetrical conflict A truly monumental work this sweeping study will surely foster a new appreciation of the rich tapestry of realist thought and its continuing relevance to the study of world politics

A Japanese Reconstruction Of Marxist Theory Robert Albritton,1986-04-02 *Jefferson's Revolutionary Theory and the Reconstruction of Educational Purpose* Kerry T. Burch,2020-05-27 This book newly interprets the educational implications of Thomas Jefferson s revolutionary thought In an age where American democracy is imperilled and the civic purposes of schooling eviscerated Burch turns to Jefferson to help bring to life the values and principles that must be recovered in order for Americans to transcend the narrow purposes of education prescribed by today s neoliberal paradigm The author argues that critical engagement with the most radical dimensions of Jefferson s educational philosophy can establish a rational basis upon which to re-establish the civic purposes of public education Bracketing the defining features of Jefferson s theory throughout each of the chapters the author illuminates the deficiencies of the dominant educational paradigm and charts a new path forward for its progressive renewal

The Blackwell Guide to Social and Political Philosophy Robert L. Simon,2008-04-15 The Blackwell Guide to Social and Political Philosophy brings together a collection of newly commissioned essays which examine fundamental issues in social and political theory Written by leading social and political philosophers each essay provides a map to the history of the issue at hand and a judicious assessment of the main arguments that have been brought to bear upon that issue

Methods in Analytical Political Theory Adrian Blau,2017-05-02 This is the first book to explain how to use key methods in analytical political theory The methods discussed include contractualism reflective equilibrium positive political theory thought experiments and ideological analysis Many discussions of political theory methods describe and justify these methods with little or no discussion of their application emphasizing what is and why do over how to This book covers all three Each chapter explains what kinds of problems in political theory might require researchers to use a particular method the basic principles behind the method being proposed and an analysis of how to apply it including concrete principles of good practice The book thus summarizes methodological ideas grouped in one place and made accessible to students and it makes innovative contributions to research methods in analytical political theory

Indian Political Theory Aakash Singh Rathore,2017-02-24 At present a nativist turn in Indian political theory can be observed There is a general assumption that the indigenous thought to which researchers are supposed to be re turning may somehow be immediately visible by ignoring the colonization of the mind and polity In such a

conception of svaraj which can be translated as authentic autonomy the tradition to be returned to would be that of the indigenous elites In this book this concept of svaraj is defined as a thick conception which links it with exclusivist notions of spirituality profound anti modernity exceptionalistic moralism essentialistic nationalism and purism However post independence India has borne witness to an alternative trajectory a thin svaraj The author puts forward a workable contemporary ideal of thin svaraj i e political and free of metaphysical commitment The model proposed is inspired by B R Ambedkar s thoughts as opposed to the thick conception found in the works of M K Gandhi KC Bhattacharya and Ramachandra Gandhi The author argues that political theorists of Indian politics continue to work with categories and concepts alien to the lived social and political experiences of India s common man or everyday people Consequently he emphasises the need to decolonize Indian political theory and rescue it from the grip of western theories and fascination with western modes of historical analysis The necessity to avoid both universalism and relativism and more importantly address the political predicaments of the people is the key objective of the book and a push for a reorientation of Indian political theory An interesting new interpretation of a contemporary ideal of svaraj this analysis takes into account influences from other cultures and sources as well as eschews thick conceptions that stifle imaginations and imaginaries This book will be of interest to academics in the fields of philosophy political science sociology literature and cultural studies in general and contemporary political theory South Asian and Indian politics and political theory in particular *Liberty's Refuge* John D. Inazu, 2012-01-24 This original and provocative book looks at an important constitutional freedom that today is largely forgotten the right of assembly While this right lay at the heart of some of the most important social movements in American history abolitionism women s suffrage the labor and civil rights movements courts now prefer to speak about the freedoms of association and speech But the right of expressive association undermines protections for groups whose purposes are demonstrable not by speech or expression but through ways of being John D Inazu demonstrates that the forgetting of assembly and the embrace of association lose sight of important dimensions of our constitutional tradition

This is likewise one of the factors by obtaining the soft documents of this **Reconstructing Political Theory** by online. You might not require more mature to spend to go to the book instigation as with ease as search for them. In some cases, you likewise pull off not discover the statement Reconstructing Political Theory that you are looking for. It will totally squander the time.

However below, considering you visit this web page, it will be consequently enormously easy to acquire as without difficulty as download lead Reconstructing Political Theory

Reconstructing Political Theory Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reconstructing Political Theory PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze.

This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reconstructing Political Theory PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reconstructing Political Theory free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reconstructing Political Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reconstructing Political Theory is one of the best book in our library for free trial. We provide copy of Reconstructing Political Theory in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reconstructing Political Theory. Where to download Reconstructing Political Theory online for free? Are you looking for Reconstructing Political Theory PDF? This is

definitely going to save you time and cash in something you should think about.
