**Puebloan Societies** Peter M. Whiteley,2018-10-15 Puebloan sociocultural formations of the past and present are the subject of the essays collected here The contributors draw upon the insights of archaeology ethnology and linguistic anthropology to examine social history and practice including kinship groups ritual sodalities architectural forms economic exchange environmental adaptation and political order as well as their patterns of transmission over time and space The result is a window onto how major Puebloan societies came to be and how they have changed over time As an interdisciplinary conjunction Puebloan Societies demonstrates the value of reengagement among anthropological subfields too often isolated from one another The volume is an analytical whole greater than the sum of its parts a new synthesis in this fascinating region of human cultural history *The Sociopolitical Structure Of Prehistoric Southwestern Societies* Steadman Upham,Kent G Lightfoot,Roberta A. Jewett,2019-06-26 This book examines current archaeological approaches for studying the organizational structure of prehistoric societies in the American Southwest It presents the historical background of the divergent theoretical models that have been used to interpret Southwestern socio political organizations Archaeology of Communities Marcello-Andrea Canuto,Jason Yaeger both at,2012-11-12 Wide range of approaches and settings unlike other books on similar topics International appeal on America centered courses Appeal for courses such as landscape studies and settlement Some contributors with enormous reputations in this collection Joyce Isbell Marcus Preucel *Historic Zuni Architecture and Society* Thomas John Ferguson,1996-03 A unique approach to the Zuni Pueblo s history applying the architectural method of space syntax linking the structure of Zuni society to the structure of the architecture housing it Drawing heavily on archeological findings the volume nonetheless disputes the traditional archeological theory of population change as a basis for the changes in Zuni society but does not offer any clear theories of its own However Ferguson adjunct curator of archeology Arizona State U does create a vivid historical architectural analysis of the Zuni culture society and social and architectural structure from 1540 to the 1980s Includes numerous diagrams illustrations and photographs

*Dynamics of Southwest Prehistory* Linda S. Cordell,George J. Gumerman,2006-05-28 Emerging from a School of American Research this work reviews the general status of archaeological knowledge in 9 key regions of the Southwest to examine broader questions of cultural development which affected the Southwest as a whole and to consider an overall conceptual model of the prehistoric Southwest after the advent of sedentism Recent Research on Chaco Prehistory William James Judge,John D. Schelberg,1985 **Communities and Households in the Greater American Southwest** Robert J. Stokes,2019-07-01 Communities and Households in the Greater American Southwest presents new research on human organization in the American Southwest examining families households and communities in the Ancestral Puebloan

Mogollon and Hohokam major cultural areas as well as the Fremont Jornada Mogollon and Lipan Apache areas from the time of earliest habitation to the twenty first century Using historical data dialectic approaches problem oriented and data driven analysis and ethnographic and gender studies methodologies the contributors offer diverse interpretations of what constitutes a site village and community how families and households organized their domestic space and how this organization has influenced researchers interpretations of spatially derived archaeological data Today s archaeologists and anthropologists understand that communities operate as a multi level organizational contextual and referential human creation which informs their understanding of how people actively negotiate their way through and around community constraints The chapters in this book creatively examine these interactions revealing the dynamic nature of ancient and modern groups in the American Southwest The book has two broad complementary themes one focusing on household decision making identity and structural relations with the greater community the other concerned with community organization and integration household roles within the community and changes in community organization violence and destabilization coalescence and cooperation over time Communities and Households in the Greater American Southwest weaves a rich tapestry of ancient and modern life through innovative approaches that will be of interest not only to Southwestern archaeologists but to all researchers and students interested in social organization at the household and community levels Contributors James R Allison Andrew Duff Lindsay Johansson Michael Lindeman Myles Miller James Potter Alison E Rautman J Jefferson Reid Katie Richards Oscar Rodriguez Barbara Roth Kristin Safi Deni Seymour Robert J Stokes Richard K Talbot Scott Ure Henry Wallace Stephanie M Whittlesey

**Chimney Rock** J. McKim Malville, 2004-01-01 This volume sheds new light on the geography and the history of the Chimney Rock Archaeological Area in southwestern Colorado Home until the mid twelfth century to the ancestral Pueblo peoples the Chaco Canyon and Chimney Rock area holds a wealth of information for present day archaeologists to uncover The contributors suggest varied pre historical uses for the towering double spires of Chimney Rock as a logging camp military garrison home of Chacoan priests astronomical observatory and or ceremonial pilgrimage center Chimney Rock The Ultimate Outlier is a model of multi faceted inquiry into a physically intriguing and certainly symbol laden ancient North American residential site

**The Chemistry of Prehistoric Human Bone** Theron Douglas Price, 1989-08-10

Hopi Dwellings Catherine M. Cameron, 2015-09-01 The dramatic split of the Hopi community of Orayvi in 1906 had lasting consequences not only for the people of Third Mesa but also for the very buildings around which they centered their lives This book examines architectural and other effects of that split using architectural change as a framework with which to understand social and cultural processes at prehistoric Southwestern pueblos Catherine Cameron examines architectural change at Orayvi from 1871 to 1948 a period of great demographic and social upheaval Her study is unique in its use of historic photographs to document and understand abandonment processes and apply that knowledge to prehistoric sites Photos taken by tourists missionaries and early anthropologists during the late

nineteenth century portray original structures while later photos show how Orayvi buildings changed over a period of almost eighty years Census data relating to house size and household configuration shed additional light on social change in the pueblo Examining change at Orayvi afforded an opportunity to study the architectural effects of an event that must have happened many times in the past the partial abandonment of a pueblo by tracing the effects of sudden population decline on puebloan architecture Cameron s work provides clues to how and why villages were abandoned and re established repeatedly in the prehistoric Southwest as it offers a unique window on the relationship between Pueblo houses and the living people who occupied them
