Recording Britain Arnold Palmer, 1948 **Recording Britain Volume II**, 1947 **Recording Britain** Arnold Palmer, 1949 *Recording Britain, volume iv*, 1949 **Recording Britain, volume i**, 1946 **The History of Live Music in Britain, Volume I: 1950-1967** Simon Frith, Matt Brennan, Emma Webster, 2016-03-09 The social history of music in Britain since 1950 has long been the subject of nostalgic articles in newspapers and magazines nostalgic programmes on radio and television and collective memories on music websites but to date there has been no proper scholarly study The three volumes of *The History of Live Music in Britain* address this gap and do so from the unique perspective of the music promoter the key theme is the changing nature of the live music industry The books are focused upon popular music but cover all musical genres and the authors offer new insights into a variety of issues including changes in musical fashions and tastes the impact of developing technologies the balance of power between live and recorded music businesses the role of the state as regulator and promoter the effects of demographic and other social changes on music culture and the continuing importance of do it yourself enthusiasts Drawing on archival research a wide range of academic and non academic secondary sources participant observation and industry interviews the books are likely to become landmark works within Popular Music Studies and broader cultural history *Reports. Index to volumes 2,3,4, and 5* Royal commission for the Paris universal exhibition of 1867, 1869 **Picturing home** Hollie Price, 2021-02-09 *Picturing home* examines the depiction of domestic life in British feature films made and released in the 1940s It explores how pictorial representations of home onscreen in this period re imagined modes of address that had been used during the interwar years to promote ideas about domestic modernity *Picturing home* provides a close analysis of domestic life as constructed in eight films contextualising them in relation to a broader offscreen culture surrounding the suburban home including magazines advertisements furniture catalogues and displays at the Daily Mail Ideal Home Exhibition In doing so it offers a new reading of British 1940s films which demonstrates how they trod a delicate path balancing prewar and postwar traditional and modern private and public concerns *Recording Britain, volume ii*, 1947 **R.S. Thomas** M. Wynn Thomas, 2013-02-15 Published to mark the centenary of the sometime ogre of Wales this volume by the executor of his unpublished literary estate deals with the ides fixes that serially possessed his fiercely intense imagination Iago Prytherch Wales his family and of course a vexingly elusive Deity Here these familiar obsessions are set in several unusual contexts that bring his poetry into startling new relief his war poetry is considered alongside his early poetry's relationship to English topographical tradition comparisons with Borges and Levertov underline the international dimensions of his concerns the intriguing secret code of some of his Welsh language references is cracked and his painting poems including several hitherto unpublished are moved centre stage from the peripheries to which they've been routinely relegated **Landscape and Englishness** David Matless, 2005-08-01 *Landscape* has been central to definitions of Englishness for centuries David Matless argues that landscape has been the site where

English visions of the past present and future have met in debates over questions of national identity disputes over history and modernity and ideals of citizenship and the body Landscape and Englishness is extensively illustrated and draws on a wide range of material topographical guides health manuals paintings poetry architectural polemic photography nature guides and novels The author first examines the inter war period showing how a vision of Englishness and landscape as both modern and traditional urban and rural progressive and preservationist took shape around debates over building in the countryside the replanning of cities and the cultures of leisure and citizenship He concludes by tracing out the story of landscape and Englishness down to the present day showing how the familiar terms of debate regarding landscape and heritage are a product of the immediate post war era and asking how current arguments over care for the environment or expressions of the nation resonate with earlier histories and geographies cultural history at its best subtle multi layered and full of new ideas and insights this book is a must Contemporary British History creates a convincing portrait of the changing meanings of the English landscape in the twentieth century Times Literary Supplement

Island Thinking Sophia Davis, 2019-07-30 Island Thinking is a cultural

historical and geographical study of Englishness in a key period of cultural transformation in mid twentieth century Britain as the empire shrank back to its insular core The book uses a highly regional focus to investigate the imaginative appeal of islands and boundedness interweaving twentieth century histories of militarisation countryside nature conservation and national heritage to create a thickly textured picture of landscape and history Referred to as an island within an island Suffolk's corner of England provides fascinating stories displaying a preoccupation with vulnerability and threat refuge and safety The book explores the portrayal of the region in mid century rural writing that rediscovered the countryside as well as the area's extensive militarisation during the Second World War It examines various enclosures from the wartime radar project to make Britain an island again to the postwar establishment of secluded nature reserves protecting British birds

The Hard Way Susannah Walker, 2024-06-06 A powerful manifesto for women who long to walk alone and safely in the countryside Dr Sharon Blackie author of *If Women Rose Rooted* Why is it radical for women to walk alone in the countryside when men have been doing so for centuries *The Hard Way* is a powerful and illuminating book about addressing this imbalance reclaiming fearlessness and diving into the history of the landscape from a woman's point of view Setting off to follow the oldest paths in England the Ridgeway and the Harrow Way Susannah Walker comes across artillery fire concern from passing policemen and her own innate fear of lone figures in the distance a landscape shaped by men from prehistoric earthworks to today's army bases But along the way Susannah finds Edwardian feminists rebellious widows forgotten writers and artists as well as all their anonymous sisters who stayed at home throughout history They become her companions over 135 miles of walking revealing how much or how little has changed for women now An urgent call Guy Shrubsole author of *Who Owns England* A fascinating personal journey Sophie Pierce author of *The Green Hill* Thought provoking rich and interesting Andrew Ziminski author of *The Stonemason* [The Beatles 1962-1966](#) Alberto Bravin, Andrew Wild, 2025-04-07 Other than *I Me Mine* and some minor overdubs The Beatles entire EMI Apple catalogue was recorded in fewer than seven years from 4 September 1962 through to 20 August 1969 Twelve albums twenty two singles two standalone EPs 213 songs That in itself is remarkable enough But the quality of the music the rapid development of musical complexity and the innovations in studio production lifted The Beatles above every other band The Fab Four were not always fab But that some writers take the time and expend energy to point this out and purposefully diss perfect songs such as *Yesterday* merely serves to remind us that most of the time The Beatles were unarguably brilliant Authors Andrew Wild and Alberto Bravin have listened to digested and discussed the entire Beatles back catalogue to remind them why they love their music How do they affect us today Answer they were bloody good They still are This first volume covers the period 1962 to 1966 from *Love Me Do* to *Tomorrow Never Knows* and the early albums that were different in the UK and the USA to *Rubber Soul* and *Revolver* marking four years of outstanding groundbreaking music Andrew Wild is a British writer collector and long time Beatles fan who recalls hearing the Red and Blue albums in the mid 1970s and has been in love with their music ever since

The Top Books of the Year Recording Britain Volume The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Recording Britain Volume : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
