**Recovered Yesterdays in Literature (Classic Reprint)** William A. Quayle, 2018-01-19 Excerpt from Recovered Yesterdays in Literature Shakespeare loves men and women though as for loving women what man does not I think no man has ever loved women more than he and I am quite sure no poet has He has loved them so as to make many of them queens regnant for ever and has joyed to lift them into the heaven of the heroic and leave them there My wonder is not at this but that he so evidently loved men and with such tropic warmth He straitly enjoys them sees their strength applauds them so you About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
