366 Days of Recovery, My First Year in Recovery Rozelle F. White Sr., Rozelle F. White, 2008-07 This book is a daily recovery guide depicting the authors first year in recovery from a drug and alcohol addiction It shows the power of God and how He was able to turn a junkie junkie meaning drugs alcohol gambling sex over eating video games internet power control etc into a productive member of society The recovery guide can be used for individuals recovering or trying to recover from any number of addictions It lets the recovering person and the family know what it takes to stay clean and live a productive life The book is also a great guide for families who do not understand the horrors of addiction whatever they may be It helps the family show empathy instead of sympathy for their loved one Each day has a title a description of that day and a quote at the end to reflect a positive reinforcement regarding the recovery process

Radical Recovery Kelly, 2012-12-20 In reading this book you will discover that you are much more powerful than your addiction much more powerful than the obsessive thoughts compulsive feelings and physical cravings that create so much pain and suffering in your life and the lives of those you love You will learn that there is no future in addiction just a regrettable past that keeps repeating itself over and over again You will cut through the recovery myths that result in an endless cycle of relapses It can inspire and motivate you to reach deep inside yourself and awaken the extraordinary powers that nature has bestowed on you as it guides you through a process that transforms cravings for alcohol or drugs into cravings for courage freedom honesty integrity humility and peace According to HBO s documentary Rehab of the 2 million people who seek treatment each year in the United States 1 840 000 will relapse within twelve months some the first day That s a 92 percent failure rate This is a national disgrace THE ANTIDOTE FOR ADDICTION With more than thirty five years of continuous sobriety Kelly presents not a cure but a powerful antidote for addiction something that counteracts or relieves a harmful or unwanted condition
