Maness,2003-01-09 I chronicle the nature of grief peculiar to divorce in a personal manner through the lens of my experience and clinical understanding I begin with love and end with love In Part One I begin with the fantasy that turned into tragedy and I use the analogy of a clock s mechanism to show the general nature and course of healthy grief especially in divorce I start with an analogy of the mechanical nature of something totally non mechanical and fully metaphysical A mainspring fulcrum lever and pendulums show how inward and outward expressions of grief facilitate or impede healing In Part Two the Black Forest Pathway How Expression Unfolds chapters III through XII a few other analogies are used to chronicle the journey through grief like the Bay of Heartbrokenness the Bridge of Finality and the Wasteland With these analogies and some liberty I take the reader on a walk through the Black Forest observing the various trees that make up grief in the various stages of a divorce In Part Three the Black Forest What Helps Expression chapters XIII and XV I step back and view the Black Forest as a whole that is in comparison with and without diminishing the grief of death I show the peculiar and greater pain of divorce All analogies have some weaknesses and there is no pretension to having chronicled every aspect Even these are but scribbles But perhaps the pictures and journey will help a little If anything I hope for an increase in sensitivity toward those going through a divorce for it can be the most traumatic and painful event in a person s life indeed life changing For more information go to www.preciousheart.net Reaching Single Adults Dennis Franck,2007-01-01 Although 44 percent of all adults are unmarried most churches are focused on marriage and families and so miss many opportunities to reach out as well as to benefit from all that singles can offer to the church Here at last is an up to date comprehensive handbook to single adult ministry Based on his over twenty five years of experience Dennis Franck offers church leaders guidance on all aspects of this often overlooked ministry including understanding singles diverse life situations and needs developing a biblical philosophy of ministry the practical aspects of building a ministry Pastors and lay leaders will gratefully welcome this new in depth resource to guide their ministry to for and through single adults Grounds for Marriage, Book and Study Guide Jade G.
