Green Desire Rebecca Weld Bushnell, 2018-07-05 For Rebecca Bushnell English gardening books tell a fascinating tale of the human love for plants and our will to make them do as we wish These books powerfully evoke the desires of gardeners they show us gardeners who like poets imagine not just what is but what should be In particular the earliest English garden books such as Thomas Hill's *The Gardeners Labyrinth* or Hugh Platt's *Floraes Paradise* mix magical practices with mundane recipes even when the authors insist that they rely completely on their own experience in these matters Like early modern books of secrets early gardening manuals often promise the reader power to alter the essential properties of plants to make the gillyflower double to change the lily's hue or to grow a cherry without a stone *Green Desire* describes the innovative design of the old manuals examining how writers and printers marketed them as fiction as well as practical advice for aspiring gardeners Along with this attention to the delights of reading it analyzes the strange dignity and pleasure of garden labor and the division of men's and women's roles in creating garden art The book ends by recounting the heated debate over how much people could do to create marvels in their own gardens For writers and readers alike these green desires inspired dreams of power and self improvement fantasies of beauty achieved without work and hopes for order in an unpredictable world not so different from the dreams of gardeners today **Gardens Across America: East of the Mississippi** Thomas

S. Spencer, John J. Russell, 2005 A comprehensive guide to American public gardens and arboreta this two volume series provides a state by state listing of nearly 2 000 gardens accessible to the public Each entry provides a general overview of the garden and or arboretum hours of operation admission fees if any directions and a list of special collections and activities

Landscapes and Gardens for Historic Buildings Rudy J. Favretti, Joy P. Favretti, 1997 Well illustrated chapters describe how to select the right period design for the garden yard and grounds of a historic building how to research and plan development how to find and identify authentic plants and how to maintain the landscape once it's restored Included is the most complete list ever published of plants and flowers and the dates they came into popular use Annotation copyrighted by Book News Inc Portland OR Old-House Journal , 1986-04 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice

Independence Constance M. Greiff,1987 Carefully researched and fully documented Independence chronicles the history of the cradle of liberty that is Independence National Historical Park the historical site most closely connected with the nation s founding Constance M Greiff illustrates how the park was shaped by national events and conditions in Philadelphia change and growth within the National Park Service and the interpersonal and political struggles among the key people involved in the park s development She traces the process by which the participants arrived at the ideas underpinning the park s creation and development conflicting views about the purpose and scope of the park and the resolution of those conflicts

Lost Gardens of the World Sandra Lawrence,2024-10-01 A romantic journey through forty captivating gardens lost to time All over the world once flourishing horticultural spaces have been abandoned and forgotten From the once crumbling grandeur of the Villa d Este and the magic of the Lost Gardens of Heligan to the sculptural surrealism of Las Pozas and the colourful rebirth of Le Jardin Majorelle there are countless gardens around the world with fascinating stories to tell Author and journalist Sandra Lawrence takes readers on a tour of 40 horticultural gems from around the world that have been lost either through neglect abandonment or destruction Many have been consigned to history never to be seen again while others have been revived and restored by the care and dedication of new owners and communities These marvels of horticulture take many forms stately homes floating allotments roof gardens and more But all of them have one thing in common the romance of paradise lost Featuring one bespoke illustration of each garden by renowned artist Lucille Clerc this book is a written celebration of our love of nature and the importance of keeping these oases of green alive and well if not in reality then at least on the page These charming gardens are brought back to life including The Lost Gardens of Heligan England Las Pozas Mexico Le Jardin Majorelle Morocco The Garden of Dreams Nepal Villa d Este Italy Paleis Het Loo Netherlands Crowninshield Garden USA Discover the remarkable stories behind the creation decline and occasional rebirth of these astonishing spaces and meet the people and societies that first created and enjoyed them The perfect gift for garden

lovers armchair travellers and cultural enthusiasts Waterstone's Guide to Books ,1989 **Kyoto Visual Culture in the Early Edo and Meiji Periods** Morgan Pitelka,Alice Y. Tseng,2016-05-20 The city of Kyoto has undergone radical shifts in its significance as a political and cultural center as a hub of the national bureaucracy as a symbolic and religious center and as a site for the production and display of art However the field of Japanese history and culture lacks a book that considers Kyoto on its own terms as a historic city with a changing identity Examining cultural production in the city of Kyoto in two periods of political transition this book promises to be a major step forward in advancing our knowledge of Kyoto s history and culture Its chapters focus on two periods in Kyoto s history in which the old capital was politically marginalized the early Edo period when the center of power shifted from the old imperial capital to the new warriors capital of Edo and the Meiji period when the imperial court itself was moved to the new modern center of Tokyo The contributors argue that in both periods the response of Kyoto elites emperors courtiers tea masters municipal leaders monks and merchants was artistic production and cultural revival As an artistic cultural and historical study of Japan s most important historic city this book will be invaluable to students and scholars of Japanese history Asian history the Edo and Meiji periods art history visual culture and cultural history **Shakespeare's Plants and Gardens: A Dictionary** Vivian Thomas,Nicki Faircloth,2014-02-27 Shakespeare lived when knowledge of plants and their uses was a given but also at a time of unique interest in plants and gardens His lifetime saw the beginning of scientific interest in plants the first large scale plant introductions from outside the country since Roman times and the beginning of gardening as a leisure activity Shakespeare s works show that he engaged with this new world to illuminate so many facets of his plays and poems This dictionary offers a complete companion to Shakespeare s references to landscape plants and gardens including both formal and rural settings It covers plants and flowers gardening terms and the activities that Shakespeare included within both cultivated and uncultivated landscapes as well as encompassing garden imagery in relation to politics the state and personal lives Each alphabetical entry offers an definition and overview of the term discussed in its historical context followed by a guided tour of its use in Shakespeare s works and finally an extensive bibliography including primary and secondary sources books and articles *Book Review Digest* ,1913

Hugh Cortazzi - Collected Writings Hugh Cortazzi,2013-06-17 Special areas biographies history cultural exchange arts business and foreign affairs *Patio Gardens* Helen Morgenthau Fox,1929 The Spirituality of Gardening Donna Sinclair,2005 This is a celebration of the beauty of our gardens and of the deep lessons and meanings they whisper to us as we spend time with them For Sinclair gardening is about much more than planting bulbs and thinning perennials it is about more than weeding beds and maintaining walkways more than sculpting shrubs and trimming trees though it can involve all of these things Gardening is a deeply spiritual experience and practice Like all spiritual practice it is ultimately about connection It is about balance and harmony about memory and hope about healing and acceptance and even in this increasingly paved over world about revolution Lavishly illustrated with stunning full colour photographs Sinclair s expansive

and beautifully crafted vision honours the blessings of sunlight earth water and air found in our own gardens and in so doing awakens us to a deep love and compassion for planet earth the original garden paradise a precious gift from the source of all love and beauty Gardens and Gardeners of the Ancient World Linda Farrar, 2016-02-29 From the earliest of times people have sought to grow and nurture plants in a garden area Gardens and Gardeners of the Ancient World traces the beginning of gardening and garden history from Ancient Egypt and Mesopotamia to the Minoans and Mycenaeans Greeks Etruscans and Romans through Byzantine Islamic and Persian gardens right up to the Middle Ages It shows how gardens in each period were designed and cultivated Evidence for garden art and horticulture is gathered from surviving examples of ancient art literature archaeology actual period gardens that have survived the centuries and the wealth of garden myths associated with certain plants These sources bring ancient gardens and their gardeners back to life and provide information on which plants were chosen as garden worthy their setting and the design and appearance of ancient gardens Deities associated with aspects of gardens and the garden s fertility are featured everyone wanted a fertile garden Different forms of public and domestic gardens are explored and the features that you would find there whether paths pools arbors and arches seating or decorative sculpture The ideal garden could be like the Greek groves of the Academy in Athens a garden so fine that it was comparable with that of the mythical king Alcinoos the paradise contemplated by the Islamic world or a personal version of a garden of Eden that Early Christians could create for themselves or in the forecourt of their churches In general books on garden history cover all periods up to the present often placing all ancient gardens in one chapter at the beginning But there is so much of interest to be found in these early millennia Generously illustrated with 150 images with plant lists for each period this is essential reading for everyone interested in garden history and ancient societies
