Recreational Terror Isabel Cristina Pinedo, 2016-02-24 In *Recreational Terror* Isabel Cristina Pinedo analyzes how the contemporary horror film produces recreational terror as a pleasurable encounter with violence and danger for female spectators She challenges the conventional wisdom that violent horror films can only degrade women and incite violence and contends instead that the contemporary horror film speaks to the cultural need to express rage and terror in the midst of social upheaval *The Horror Film* Stephen Prince, 2004 Focusing on recent postmodern examples this is a collection of essays reviewing the history of the horror film and the psychological reasons for its persistent appeal *The Monster Hunter in Modern Popular Culture* Heather L. Duda, 2014-01-10 As monsters in popular media have evolved and grown more complex so have those who take on the job of stalking and staking them This book examines the evolution of the contemporary monster hunter from Bram Stoker's Abraham Van Helsing to today's non traditional monster hunters such as Blade Buffy the Vampire Slayer and Watchmen Critically surveying a diverse range of books films television shows and graphic novels this study reveals how the monster hunter began as a white upper class educated male and became everything from a vampire to a teenage girl with supernatural powers Now often resembling the monsters they've vowed to conquer modern characters occupy a gray area where the battle is often with their own inner natures as much as with the evil they fight *Abjection Incorporated* Maggie Hennefeld, Nicholas Sammond, 2020-01-17 From the films of Larry Clark to the feminist comedy of Amy Schumer to the fall of Louis C K comedic graphic and violent moments of abjection have permeated twentieth and twenty first century social and political discourse The contributors to *Abjection Incorporated* move beyond simple critiques of abjection as a punitive form of social death illustrating how it has become a contested mode of political and cultural capital empowering for some but oppressive for others Escaping abjection's usual confines of psychoanalysis and aesthetic modernism core to theories of abjection by thinkers such as Kristeva and Bataille the contributors examine a range of media including literature photography film television talking dolls comics and manga Whether analyzing how comedic abjection can help mobilize feminist politics or how expressions of abjection inflect class race and gender hierarchies the contributors demonstrate the importance of competing uses of abjection to contemporary society and politics They emphasize abjection's role in circumscribing the boundaries of the human and how the threats abjection poses to the self and other far from simply negative open up possibilities for radically new politics Contributors Meredith Bak Eugenie Brinkema James Leo Cahill Michelle Cho Maggie Hennefeld Rob King Thomas Lamarre Sylv re Lotringer Rijuta Mehta Mark Mulrone Nicholas Sammond Yiman Wang Rebecca Wanzo *Monstrosity, Identity and Music* Alexis Luko, James K. Wright, 2022-09-08 Taking Mary Shelley's novel as its point of departure this collection of essays considers how her creation has not only survived but thrived over 200 years of media history in music film literature visual art and other cultural forms In studying monstrous figures torn from the deepest and darkest imaginings of the human

psyche the essays in this book deploy the latest analytical approaches drawn from such fields as musicology critical race studies feminist studies queer theory and psychoanalysis The book interweaves the manifold sounds sights and stories of monstrosity into a conversation that sheds light on important social issues aesthetic trends and cultural concerns that are as alive today as they were when Shelley's landmark novel was published 200 years ago **At Stake** Edward Ingebreetsen, 2001 Anyone who watches the evening news is all too familiar with how the word monster is used to describe acts of violence In this book Edward Ingebreetsen sets out to discover what is really at stake when we turn someone into a monster The monster he finds serves a moralizing function in our culture making exaggerated examples of particular evildoers in order to reaffirm prevailing standards of behavior and personal conduct
