Recruiting Retaining And Supporting Qualified Teachers:

Recruiting, Retaining, and Supporting Highly Qualified Teachers Caroline Chauncey, 2005 This volume provides a tool kit for principals and administrators seeking to improve the quality of classroom teaching in an era of increasing accountability as well as an overview of the historical and cultural factors that shape teaching as a profession The No Child Left Behind Act of 2002 mandates that all teachers be highly qualified by 2006 although the criteria for meeting this standard are vague at best Meanwhile half of the nation's teachers are expected to retire by the end of the decade and turnover among new teachers is high 30 percent leave their jobs within three years and 50 percent leave within five The book provides an overview of the historical and cultural factors that shape teaching as a profession and frame the debate over its future It goes on to examine efforts to rethink the preparation of teachers and principals to outline hiring practices that help administrators identify talented candidates and ensure a good fit with their schools and to assess a variety of strategies for supporting new teachers and providing growth opprotunities for experienced ones Specific strategies addressed include Induction programs Career ladders for teachers School based coaching Effective supervision for professional growth Practical down to earth and up to date this handy volume is an essential and valuable resource for anyone concerned with improving the quality of teaching in today s classrooms Recruiting, Retaining, and Retraining Secondary School Teachers and Principals in Sub-Saharan Africa, 2007-01-01 This working paper is based on country case studies of Ethiopia Ghana Guinea Madagascar Tanzania and Uganda and an extensive literature review In many parts of Africa the demand for secondary teachers substantially exceeds the supply due to factors such as secondary teacher attrition bottlenecks in the teacher preparation system and perceived unattractive conditions of service Few countries have strong policies strategies and programs for recruiting able secondary school graduates to secondary teaching The paper suggests several critical and promising areas for improvement in th The Routledge Handbook of Language Program Development and **Administration** Alan V. Brown, Cori Crane, Beatrice C. Dupuy, Estela Ene, 2025-06-30 Second language program development and administration is a long standing area within the larger field of applied linguistics. In many ways it is the guintessential applied linguistics field as it crosses disciplinary boundaries while balancing the rigors of scholarly inquiry with the demands of practical application without losing sight of concrete learner outcomes The Routledge Handbook of Language Program Development and Administration provides a scholarly rigorous yet practically relevant treatment of issues implicated in program development and administration with 52 chapters written by leading scholars in the field Authors not only address the theoretical underpinnings of their respective topics but also provide actionable evidence based recommendations concerning eminently practical matters In this way the volume provides both novice and experienced language program administrators with important guidance on how to think about the work that they do and how best to go about it while also validating language program administration as a scholarly area of inquiry The Routledge Handbook of Language Program

Development and Administration is essential reading for practicing second language program administrators at the post secondary level in service and pre service second language instructors graduate students in applied linguistics and even upper level undergraduate education students considering second language teaching as a future career Education: A Reference Handbook Thomas L Good, 2008-10-02 Via 100 entries or mini chapters the SAGE 21st Century Reference Series volumes on Education will highlight the most important topics issues questions and debates any student obtaining a degree in the field of education ought to have mastered for effectiveness in the 21st Century High-Quality Educators with Urban Students Sharon Hartin Iorio, 2017-09-18 Recent national attention has focused on the benefits of school university community partnerships to increase the pipeline of highly qualified teachers for urban students but little has been published about large scale partnerships. This book about one urban teacher education partnership is written for those who want to plan direct work in or study a full scale pre K 12 school university and community partnership The book offers a comprehensive approach to urban teacher education Topics cover 1 recruitment 2 a large scale Professional Development School model e g 400 candidates per semester and an early childhood residency graduate program 20 candidates per cohort two partnership programs embracing all university preservice teacher candidates 3 induction support for new teachers and finally 4 professional development for candidates and experienced in service teachers Each of the six chapters show how the separate parts of teacher education can be interrelated to build a stronger more cohesive integrated system to serve teachers and ultimately Pre K 12 students A review and reflection on a single teacher education partnership this easy to use book is clearly documented by interviews five year evaluation outcomes and a retrospective analysis that embraces sociocultural themes **Recruitment and Retention of Quality Teachers** United States.
