Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik:

Reconfiguring the Imperial Past: Narrative Patterns and Historical Interpretation in Herodian's History of the Empire

Chrysanthos S. Chrysanthou, 2022-05-20 In the process of recording the history of the Roman Empire from the death of Marcus Aurelius to the accession of Gordian III Herodian makes his characters respond to the same situations in similar or different ways This book shows that each reign in Herodian's History is creatively mapped onto ever recurring narrative patterns It argues that patterning is not simply decorative in Herodian's work but constitutes a crucial conceptual and methodological tool for writing interpretative history Herodian deserves credit as an original and independent author A careful consideration of the formulaic nature of his historiography indicates that there is more artistry in his composition than had previously been discerned

The Impact of the Roman Army (200 B.C. – A.D. 476): Economic, Social, Political, Religious and Cultural Aspects Lukas de Blois, Elio Lo Cascio, 2007-07-30 This sixth volume of the network Impact of Empire offers a comprehensive reading on the economic political religious and cultural impact of Roman military forces on the regions that were dominated by the Roman Empire

The Politics of Honour in the Greek Cities of the Roman Empire, 2017-10-10 The volume The Politics of Honour in the Greek Cities of the Roman Empire co edited by Anna Heller and Onno van Nijf studies the public honours that Greek cities bestowed upon their own citizens and foreign dignitaries and benefactors These included civic praise crowns *proedria* public funerals honorific statues and monuments The authors discuss the development of this honorific system and in particular the epigraphic texts and the monuments through which it is accessible The focus is on the Imperial period 1st 3rd centuries AD The papers investigate the forms of honour the procedures and formulae of local practices as well as the changes in local honorific habits that resulted from the integration of the Greek cities in the Roman Empire

Early Christian Hagiography and Roman History Timothy David Barnes, 2010 In their present form the first five chapters are revised versions of lectures delivered in German at the University of Jena on 10 14 November 2008 P xi

Emperors and Usurpers Andrew G. Scott, 2018 This historical commentary examines books 79 78 80 80 of Cassius Dio's Roman History which cover the period from the death of Caracalla in A D 217 to the reign of Severus Alexander and Cassius Dio's retirement from political life in 229 Cassius Dio a Roman Senator provides a valuable eyewitness account of this turbulent period which was marked by the assassination of Caracalla the rise of Macrinus Rome's first equestrian emperor and his subsequent overthrow the tempestuous and by all accounts peculiar reign of Elagabalus and the continuation of the Severan dynasty under the young Severus Alexander In addition to elucidating important passages from these books this study assesses Cassius Dio's political life and its relationship to his literary career his call to history and time of composition his historical method and his attitude toward and subsequent presentation of the later Severan dynasty In its investigation of books 79 78 80 80 the work assesses an important stretch of Dio's actual text which for other parts has been preserved largely in epitome and excerpts Finally the work aims to fill a gap in scholarship as no commentary on these books

of Cassius Dio's history has been produced since the nineteenth century and its publication coincides with a renewed interest in the history and historiography of the Severan period

Roman Masculinity and Politics from Republic to Empire

Charles Goldberg, 2020-12-30 This volume explores the role that republican political participation played in forging elite Roman masculinity. It situates familiarly manly traits like militarism, aggressive sexuality, and the pursuit of power within a political system based on power sharing and cooperation. In deliberations in the Senate, at social gatherings, and on military campaign displays of consensus with other men, greased the wheels of social discourse and built elite comradeship. Through literary sources and inscriptions that offer censorious or affirmative appraisal of male behavior from the Middle and Late Republic (ca. 300–31 BCE) to the Principate or Early Empire (ca. 100 CE), this book shows how the *vir bonus* or good man, the Roman persona of male aristocratic excellence, modulated imperatives for personal distinction and military and sexual violence with political cooperation and moral exemplarity. While the advent of one-man rule in the Empire transformed political power relations, ideals forged in the Republic adapted to the new climate and provided a coherent model of masculinity for emperor and senator alike. Scholars often paint a picture of Republic and Principate as distinct landscapes, but enduring ideals of male self-fashioning constitute an important continuity. **Roman Masculinity and Politics from Republic to Empire** provides a fascinating insight into the intertwined nature of masculinity and political power for anyone interested in Roman political and social history and those working on gender in the ancient world more broadly.

Emperors and

Usurpers in the Later Roman Empire Adrastos Omissi, 2018-06-18 One of the great maxims of history is that it is written by the victors, and nowhere does this find greater support than in the later Roman Empire. Between 284 and 395 AD, no fewer than 37 men claimed imperial power, though today we recognize barely half of these men as legitimate rulers, and more than two-thirds died at their subjects' hands. Once established in power, a new ruler needed to publicly legitimate himself and to discredit his predecessor; overt criticism of the new regime became high treason, with historians suppressing their accounts for fear of reprisals, and the very names of defeated emperors chiselled from public inscriptions and deleted from official records. In a period of such chaos, how can we ever hope to record in any fair or objective way the history of the Roman state? **Emperors and Usurpers in the Later Roman Empire** is the first history of civil war in the later Roman Empire to be written in English, and aims to address this question by focusing on the various ways in which successive imperial dynasties attempted to legitimate themselves and to counter the threat of almost perpetual internal challenge to their rule. Panegyric, in particular, emerges as a crucial tool for understanding the rapidly changing political world of the third and fourth centuries, providing direct evidence of how, in the wake of civil wars, emperors attempted to publish their legitimacy and to delegitimize their enemies. The ceremony and oratory surrounding imperial courts too was of great significance, used aggressively to dramatize and constantly recall the events of recent civil wars; the narratives produced by the court in this context also went on to have enormous influence on the messages and narratives found within contemporary historical texts. In its exploration of the ways

in which successive imperial courts sought to communicate with their subjects this volume offers a thoroughly original reworking of late Roman domestic politics and demonstrates not only how history could be erased rewritten and repurposed but also how civil war and indeed usurpation became endemic to the later Empire

Philological and historical commentary on Ammianus Marcellinus J. Den Boeft, 2008 Continuing the series of philological and historical commentaries on Ammianus Res Gestae this volume deals with Book 26 in which the beginning of the reign of Valentinian and Valens is described and the rise and fall of the usurper Procopius

Moses among the Greek Lawgivers Ursula Westwood, 2023-09-04 Josephus Antiquities introduces Moses as the Jewish lawgiver adapting the biblical account for a new audience But who was that audience and what did they understand by the term lawgiver This book uses Plutarch's Lives as a proxy for an imagined audience providing a historically grounded but flexible model of a lawgiver against which some of the otherwise invisible forces shaping Josephus' choices are thrown into sharp relief This method reveals patterns of appeal and challenge in Josephus' intriguing and lively account of Moses' legislative activities

Christianity, Philosophy, and Roman Power Lea Niccolai, 2023-06 Rethinks Rome's Christianisation as a crisis of knowledge propelled by Constantine with Emperor Julian as its key interpreter and catalyst

Imperial Ideals in the Roman West Carlos F. Noreña, 2011-06-23 This book shows how the circulation of ideals associated with the Roman emperor generated ideological unification among aristocracies and reinforced Roman power

A Commentary on Virgil's Eclogues Andrea Cucchiarelli, 2023 In this commentary accompanied by a detailed introduction Andrea Cucchiarelli offers a detailed analysis of Virgil's Eclogues He establishes comparisons with both Greek and Roman poetic models and with significant other texts and provides the first systematic account of the poem in its historical context

Emperors and Rhetoricians Moysés Marcos, 2023-12-26 Panegyric the art of publicly praising prominent political figures occupied an important place in the Roman Empire throughout late antiquity Orators were skilled political actors who manipulated the conventions of praise giving taking great license with what they chose to present or omit Their ancient speeches are rare windows into the world of panegyrists emperors and their audiences In *Emperors and Rhetoricians* Moysés Marcos offers an original comprehensive look at all panegyrics to and by Julian who in 355-56 CE promoted himself as a learned caesar by producing his own panegyric on his cousin and Augustan benefactor Constantius II During key stages in his public career and throughout the time he held imperial power Julian experimented with and utilized panegyric as both political communication and political opportunity Marcos expertly mines this vast body of work to uncover a startlingly new picture of Julian the Apostate explore anew the arc of his career in imperial office and model new ways to interpret and understand imperial speeches of praise

Rulers and Ruled in Ancient Greece, Rome, and China Hans Beck, Griet Vankeerberghen, 2021-02-04 Situated on opposite flanks of Eurasia ancient Mediterranean and Han Chinese societies had a hazy understanding of each other's existence But they had no grounded knowledge about one another nor was there any form of direct interaction In other words their historical

trajectories were independent In recent years however many similarities between both cultures have been detected which has energized the field of comparative history The present volume adds to the debate a creative method of juxtaposing historical societies Each contribution covers both ancient China and the Mediterranean in an accessible manner Embarking from the observation that Greek Roman and Han Chinese societies were governed by comparable features the contributors to this volume explain the dynamic interplay between political rulers and the ruled masses in their culture specific manifestation as *demos* Greece *populus* Rome and *min* China *The Republic in Danger* Andrew Pettinger, 2012-05-24 The volume proposes a new model for understanding the end of Augustus reign and the succession of Tiberius in the years 6 BC to AD 16 Focusing on Drusus Libo's role in an alliance between the enemies of Tiberius Pettinger offers a comprehensive analysis of the struggle between Tiberius and the supporters of Augustus grandsons **Velleius Paterculus** Eleanor Cowan, 2010-12-31 Velleius Paterculus short work is the earliest surviving attempt on the part of a post Augustan historian to survey the history of the *res publica* from its origins to his own times In a period from which no other contemporary historical narrative survives in more than meagre fragments Velleius work is uniquely important It is a critical counter to the later accounts of Tacitus Suetonius and Cassius Dio not simply because it offers a different view of Tiberius but because Velleius saw continuity where later authors saw only radical change which destroyed the Republic and put monarchy in its place For other reasons too Velleius occupies a unique position in Roman historiography This collection of papers by a distinguished cast of scholars represents a wide ranging re-examination of Velleius work of its place within and contribution to Roman historiography and the intellectual history of the early Principate *Ammianus Marcellinus* Fred C. Jenkins, 2015-11-14 In *Ammianus Marcellinus An Annotated Bibliography 1474 to the Present* Fred W Jenkins surveys scholarship on Ammianus from the *editio princeps* to the present Included are bibliographies editions translations commentaries concordances and indexes Web sites and secondary scholarship in many languages **Ammianus' Julian** Alan J. Ross, 2016-06-17 Ammianus Marcellinus *Res Gestae* holds a prominent position in modern studies of the emperor Julian as the fullest extant narrative of the reign of the last pagan emperor Ammianus Julian Narrative and Genre in the *Res Gestae* offers a major reinterpretation of the work which is one of the main narrative sources for the political history of the later Roman Empire and argues for a re-examination of Ammianus agenda and methods in narrating the reign of Julian Building on recent developments in the application of literary approaches and critical theories to historical texts Ammianus presentation of Julian is evaluated by considering the *Res Gestae* within three interrelated contexts as a work of Latin historiography which consciously sets itself within a classical and classicizing generic tradition in a more immediate literary and political context as the final contribution by a member of an eyewitness generation to a quarter century of intense debate over Julian's legacy by several authors who had lived through his reign and had been in varying degrees of proximity to Julian himself and as a narrative text in which narratorial authority is closely associated with the persona of the narrator both as an external narrating agent and an

occasional participant in the events he relates This is complemented by a literary survey and a re analysis of Ammianus depiction of several key moments in Julian s reign such as his appointment as Caesar the battle of Strasbourg in 357AD his acclamation as Augustus and the disastrous invasion of Persia in 363AD It suggests that the Res Gestae presents a Latin speaking western audience with an idiosyncratic and Romanized depiction of the philhellene emperor and that consciously exploiting his position as a Greek writing in Latin and as a contemporary of Julian Ammianus wished his work to be considered a culminating and definitive account of the man and his life Private and Public Lies Andrew J. Turner,K. O. Chong-Gossard,Frederik Juliaan Vervaet,2010 Graeco Roman literary works historiography and even the reporting of rumours were couched as if they came in response to an insatiable desire by ordinary citizens to know everything about the lives of their leaders and to hold them to account at some level for their abuse of constitutional powers for personal ends Ancient writers were equally fascinated with how these same individuals used deceit as a powerful tool to disguise private and public reality The chapters in this collection examine the themes of despotism and deceit from both historical and literary perspectives over a range of historical periods including classical Athens the Hellenistic kingdoms late republican and early imperial Rome late antiquity and Byzantium *Authority and Identity in Emerging Christianities in Asia Minor and Greece* Cilliers Breytenbach,Julien M. Ogereau,2018-06-12 This book explores how early Christian communities constructed developed and asserted their identity and authority in various socio cultural contexts in Asia Minor and Greece in the first five centuries CE With the help of the database Inscriptiones Christianae Graecae ICG special attention is given to ancient inscriptions which represent a rich and valuable source of information on the early Christians social and religious identity family networks authority structures and place and function in society This collection of essays by various specialists of Early Christianity Epigraphy and Late Antiquity offers a broad geographical survey of the expansion and socio cultural development of Christianity in Asia Minor and Greece and sheds new light on the religious transformation of the Later Roman Empire

Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik Introduction

In the digital age, access to information has become easier than ever before. The ability to download Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik has opened up a world of possibilities. Downloading Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik, users should also consider the potential security risks associated with online platforms.

Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik is one of the best book in our library for free trial. We provide copy of Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik. Where to download Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik online for free? Are you looking for Recusatio Imperii Ein Politisches Ritual Zwischen Ethik Und Taktik PDF? This is definitely going to save you time and cash in something you should think about.
