What Every Christian Should Know about Bible Prophecy Rick Yohn,1982 *The Scroll* , Matters of Consequence Dr. Rick Young,2018-02-22 Matters of Consequence Critical Eschatological Issues Impacting Endtime Preparation is the authors dissertation for a doctor of philosophy in eschatology from the Luder Wycliffe Theological Seminary Endicott New York Dr Rick Young applies the proven methods of emergency preplanning and crisis management to better prepare Christians for the prophetic end time events foretold in the Bible By means of developing the worst case scenario concept he challenges the reader to think through countermeasures for that vital preparation In this way eschatology actually becomes practical *Charisma and Christian Life* ,1999 **The Watchman-examiner** ,1915

Discerning Our Time Richard Bettez,2017-04-18 Discerning Our Time A Layman s Guide to End Time Events in America is a compelling look at historic and political trends that push the reader to look upon biblical facts as to where America fits in concerning future events This book is an easy read for people of all backgrounds and education levels It is a breakdown of exactly what scripture means from original language to historical settings that all connect to American society as we know it today Though this book gives greater enlightenment to the Christian community and is a solid resource for pastors to draw from it will truly be an eye opening experience for the open minded unbelievers or those who do not consider Christianity of any consequence within their lives The changes within American society and our culture as well as our political choices are highlighted within the word of God In this book they are accurately brought out Church denominations are put to the test as historical truths are revealed and many falsehoods about Christianity are dispelled Truth about American education business and government are documented with the light of scripture shining right next to the facts so the reader can judge for themselves Many teachers pastors and theologians don t believe America plays a significant role in the end times Some teach that it will be wiped off the map No one truly knows exact dates or for that matter what the antichrist will look like but there is a definite template laid out within the Bible America fits comfortably in that template This book is a must read if you are interested in what direction America is heading and who will rise to power in the near future *Leaves of Healing* ,1920

from publisher description **The Rapture: A Pre- or Post-Tribulation Event?** Colleen Wandmacher, 2017-03-17 God tells us not to be deceived about the timing of our being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent scriptures in God s Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth Chapter after chapter leads to the same conclusion the rapture will be a post tribulation event Rapture of the Church Before Tribulation Patrick Guillot, 2022-11-03 Seventeen plus contentions against the pre trib interpretation of scripture concerning the rapture of the church are answered in this book Whether the rapture of the church takes place before at the middle or after the tribulation period is the question in the minds of sincere readers of the Bible Be blessed as you read and comprehend the message of this book **The Rapture Timing Mystery** Craig R Cordle, 2022-07-19 Do the scriptures support a secret Rapture to rescue the Church before the tribulation of the last days or do believers need to prepare to face a time of persecution that will test their faith Many Christians have been taught that Jesus Christ will Rapture away believers from the earth before the tribulation of the last days Many others believe the Church will go through the tribulation and meet Christ in the air at His Second Coming How do faithful Christians arrive at different conclusions This book takes a fresh look by weighing the biblical evidence to answer these questions about the Rapture Lay aside what you have always heard and take an impartial look of what does the Bible really say or doesn t say You may be surprised at what you discover The mystery surrounding the Rapture is explored by addressing six key questions in uncovering whether Christ s return is marked by one event or two The two most popular viewpoints the pretribulation and posttribulation Rapture will be contrasted in a fair and balanced study Prepare yourself for what lies ahead for our world Craig Cordle has spent over thirty seven years in the teaching ministry with a passion in Bible end time prophecy His insight in this area and impartially on the subject provides a unique perspective in addressing questions concerning the Rapture This book will serve as an invaluable guide in the debate of the timing of the Rapture 2 2
