Commission,1911 Kawanakajima 1553-64 Stephen Turnbull,2013-01-20 A slim illustrated volume on a unique period of intense fighting in 16th century Japan Kawanakajima is unique in history In the space of 12 years between 1553 and 1564 this valley deep in the mountains of central Japan witnessed no fewer than five battles between two of Japan s greatest warlords Takeda Shingen and Uesugi Kenshin were both descended from great families and were highly skilled tacticians Both had taken the tonsure and risen to high rank in their respective Buddhist sects When Shingen attempted to seize control of Shinano province they were set on a collision course Stephen Turnbull chronicles the see saw struggle between two men who epitomize the warrior daimyo from Japan s Warring States period **World War II Soviet Armed Forces (3)** Nigel Thomas,2013-01-20 This book presents a detailed analysis of the Soviet armed forces during the final days of the war covering the soldiers that successfully turned the tide against the Nazi onslaught and pushed it back into Germany itself This final part of the series documents the Red Army s push through Germany to Berlin which eventually culminated in the surrender of the German forces to the Allies in 1945 It also offers a detailed breakdown of all the armed forces that conducted the offensive campaigns on the Eastern Front including the army air force paratroopers navy and NKVD troops Its colourful illustrations also include the uniforms and organizations of the Russian forces serving against Japan until the eventual surrender of all Japanese Imperial forces in August 1945 *The Marshes of Mount Liang* Nai'an Shi,Guanzhong Luo,Alex Dent-Young,2002 The Scattered Flock the last volume of this new series of translations contains chapters 91 120 that mark the disastrous end of the 108 heroes The action in this volume can be divided into three parts the campaign against Tian Hu the campaign against Wang Qing and the campaign against Fang La It is in the last of these that the heroes of Mount Liang begin to die Their demise is as haphazard and casual as the scattering of the flock of geese when the Prodigy shoots them for mere amusement The themes of the vanity of human wishes and the emptiness of ambition are prominent throughout **The Red Lord** Paul Kane,2020-12-22 A new threat arrives on these shores at the Sheriff of Nottingham s behest in an effort to rid him of his greatest enemy once and for all a mercenary from the east with strange powers building an army who will give their lives unquestionably for his cause When The Red Lord faces Robin and his band it becomes clear he might well be the most dangerous foe they ve ever encountered But he also has another agenda one that might see the whole of England falling at his feet eventually The Red Lord is the eighth book in Spiteful Puppet s Robin of Sherwood collection based in the Robin Hood universe of the classic ITV series **Peredur, The Undiscovered Truth of the Nazi Grail Quest** David James Senior,2025-01-16 Uncover the intertwined quests of Otto Rahn s Nazi search for the Holy Grail and the true hero Peredur in this captivating exploration of history and legend Peredur The Undiscovered Truth of the Nazi Grail Quest is written in two parts The first part of the book charts the life and adventures of Otto Rahn the man tasked by the Nazis in the 1930s with finding and getting his hands on the Holy Grail for them The Nazis were hell bent on finding the Grail and reuniting it with the Holy Lance in a bid to create a mythical past of the Aryan race Rahn believed that by

uncovering the truth behind the Germanic saga of Parzival he would discover the whereabouts of the Grail Parzival had according to legend successfully completed a quest to find the Grail while being a knight in the court of King Arthur In dissecting the story of Parzival Rahn concluded that the Grail had been held by the Cathars a heretical Christian sect in their fortress at Montsegur He believed that the Grail was still there waiting for him to find it and based his quest around this belief Unfortunately after chasing round Europe in his efforts to find the Grail and coming within touching distance of finding the truth the Nazis patience with him ran out with him and Rahn came to a sticky end without ever having found the Grail Rahn was the real life figure who inspired the fictional movie character Indiana Jones The second part focusses on Peredur a British knight hailing from York and the true hero of the original Grail Story By examining the life of Peredur and the Grail Story Peredur the Son of Evrawc written about him we are able to reach the truth of the Grail Rahn and the Nazis never found Rahn came very close to uncovering this but the Nazis had lost faith in him and casting him as a charlatan hounded him to his death Much of the story of Peredur the Son of Evrawc is played out in the ancient British kingdom of Elmet encompassing much of what we now call South Yorkshire and whose southern border lay along the line of the River Don As the story is unpicked the truth of the Grail is unraveled leading to some astonishing findings *The Tenuous Balance* James M Garrett,2019-06-12 The instigation for this book was the author s doubt that the political and military confrontation in Central Europe would remain stable in a serious crisis Uncertainty of success may deter Soviet risk taking forty nine years out of fifty but not in that fiftieth year if Soviet leaders should face an apparent threat to their continued hegemony in
