The Historian's Red Badge of Courage Paul A. Cimbala, 2020-07-08 For someone who did not actually fight in the American Civil War Stephen Crane was extraordinarily accurate in his description of the psychological tension experienced by a youthful soldier grappling with his desire to act heroically his fears and redemption Stephen Crane's novel *The Red Badge of Courage* provides an extraordinary take on the battlefield experiences of a young soldier coming of age under extreme circumstances His writing took place a generation after the war's conclusion at a time when the entire nation was coming to grips with the meaning of the Civil War It was during this time in the late 19th century that the battle over the memory of the war was taking place This new annotated edition of the novel is designed to guide readers through references made through Crane's characters and how they reflect Civil War military experiences specifically how the youth's experiences reflect the reality of the multi day battle of Chancellorsville which took place in Virginia beginning on May 1 1863 and concluded on May 4 of the same year The annotated text is preceded by introductory essays on Crane and on the Civil War Crane's short story *The Veteran* is also included to allow readers to better understand the post war lives of Civil War soldiers

The Red Badge of Courage Stephen Crane, 1968 **The Red Badge of Courage** Stephen Crane, 2000-11-01 *The Red Badge of Courage* was published in 1895 when its author an impoverished writer living a bohemian life in New York was only twenty three It immediately became a bestseller and Stephen Crane became famous Crane set out to create a psychological portrayal of fear Henry Fleming a Union Army volunteer in the Civil War thinks that perhaps in a battle he might run As far as war was concerned he knew nothing of himself And he does run in his first battle full of fear and then remorse He encounters a grotesquely rotting corpse propped against a tree and a column of wounded men one of whom is a friend who dies horribly in front of him Fleming receives his own red badge when a fellow soldier hits him in the head with a gun The idea of falling like heroes on ceremonial battlefields Ford Madox Ford remarked later was gone forever

*A Library of the World's Best Literature - Ancient and Modern - Vol. XLV (Forty-Five Volumes); Synopses of Famous Books & General Index* Charles Dudley Warner, 2009-01-01 It would be enough to recommend this astonishing 45 volume set first published in 1896 if it were merely a wonderfully massive compilation of the world's best writings from the world's best authors up until the advent of the 20th century But *A Library of the World's Best Literature* is so much more than that For this marvelous collection represents the evolution of human thought the evolution of human civilization even as seen through the mind of one of the most important if sadly almost forgotten literary figures of the 19th century Popular American essayist novelist and journalist CHARLES DUDLEY WARNER 1829-1900 was renowned for the warmth and intimacy of his writing which encompassed travelogue biography and autobiography fiction and more and influenced entire

generations of his fellow writers Here the prolific writer turned editor for his final grand work a splendid survey of global literature classic and modern and it s not too much to suggest that if his friend and colleague Mark Twain who stole Warner s quip about how everybody complains about the weather but nobody does anything about it had assembled this set it would still be hailed today as one of the great achievements of the book world And so it still deserves to be Arranged not chronologically but alphabetically mostly under the names of authors but in some cases of literatures or special subjects such as Icelandic literature or Arthurian legend this set is no dry reference work These eminently browsable volumes available through Cosimo for the first time in decades in both paperback and hardcover editions are meant to be read and enjoyed by anyone who loves the written word Volume 45 features more synopses of notable works from Adam Bede by George Eliot to Zury The Meanest Man in Spring County by Joseph Kirkland including many not previously referenced in the set but highlighted as well worth a serious reader s time and attention This volume also includes a General Index to the 45 volume set
