## Red Carnelian:

**Marlik** 'Izzat Allāh Nigāhbān,1996 The Royal Cemetery at Tepe Marlik was excavated in one incredible 14 month season The 53 intact tombs contained a fabulous array of precious metal vessels jewelry sculpture weapons and other artifacts The gripping tale of these excavations and a detailed report of the excavation and the artifacts from the burials is presented in these two lavishly illustrated volumes     **A Description of the Minerals in the Leskean Museum** Dietrich Ludwig Gustav Karsten,1798     **Identifying the Stones of Classical Hebrew** Ephraim S. Ayil,2024-08-26 Since the translation of the Septuagint in the 3rd century BCE scholars have attempted to identify the stones that populate the biblical text This study rejects the long standing reliance on ancient translations for identifying biblical stones Despite the evident contradictions and historical inconsistencies scholars traditionally presumed these translations to be reliable By departing from this approach this volume presents a novel synthesis of comparative linguistics and archeogemological data Through rigorous analysis of valid cognates it establishes correlations between Hebrew stone names and their counterparts in ancient languages corresponding to known mineral species This methodological shift enables a more accurate identification of stones mentioned in biblical texts thus recovering their true historical context The research not only advances our understanding of biblical mineralogy but also provides a fresh perspective on the material culture of the Ancient Levant offering valuable insights for scholars and laymen linguists and archaeologists alike     Harageh Reginald Engelbach,Battiscombe George Gunn,1923     **Publications of the Egyptian Research Account** ,1923     **Qidfa' 1: Excavation of a Late Prehistoric Tomb, Fujairah Emirate, United Arab Emirates** Walid Yasin Al Tikriti,2022-11-03 This volume presents results from the rescue excavations of the Qidfa 1 site a multi period tomb Wadi Suq Late Bronze Early Iron Age The richness of the discoveries demonstrates the wealth and significance of the culture of the 2nd millennium BC in southeast Arabia     The Encyclopaedia Britannica Hugh Chisholm,1910     **The Medicine Way** White Eagle,2012-03-22 Would you like to know how Prayer works Would you like to be more successful in your relationships Are you interested in Spirituality and the path of the Medicine person or Shamanism Would you like to know about the special nature of Plants or Mineral Spirits Would you like to be able to talk to your guides and the Creator in a Medicine Wheel Have you wondered what the animals are trying to tell you or mean in your dreams If you answered yes to any of those questions then this is the most comprehensive resource about such that exists on Mother Earth and a Must Have book that belongs on your shelf This is A New Edited and Revised Edition of material that has been extensively used as support material for many classes and Workshops conducted by White Eagle for over two decades Included in this New version is information about Tobacco and the Pipe Ceremony the Smudging and Clearing of people places and objects and so much more like information about the Way of Ritual and Ceremony There have been many books written about Medicine people and Shamanism in general but very few if any Real and Practical Guides so as to learn and experience the Way of it Now one does and This is it Over the years commonly referred to as The
