well lighted Who knows that like Est e Lauder and like grandma Brown this would be the location for a multibillion dollar industry 20 years down the line and you would be known all over the world as the Rose Queen or the Rose King no doubt that dread appellation would have been bestowed upon you by the cynical press just waiting out there to pounce upon successful people So today we are concentrating on one product roses of which we are going to be using the plants rose petals their leaves their hips to make a large number of products These products have been in use it throughout the centuries all over the world so I had to do a little bit of research to get the original recipes for herbal healing jam made in Persia since ancient times and then spread all over the world Rosewater Made at home Along with this you are going to learn about healthy lotions and potions which are going to use Rose items as a base and other natural ingredients as carrier oils Also red roses this book is going to use just one plant red roses not being not white because these are not power enough nor do they have the healing qualities which one expects from a fresh rose or dried rose petals Remember these books are to help you start up your small businesses without investing thousands of dollars in seed funding and starting up your business initially You just need to have that product right at hand and a ready supply of red rose Catalog of Copyright Entries ,1945
