Rea,2017-06-13 On a September morning in 1920 beneath a striking vividly red sky three ex soldiers meet in a sleepy Devonshire village One of them is soon to die *Red Sky Over Dartmoor* is a fast moving war novel featuring everyday heroism and moral failure Marc Bergeron is a Canadian artillery captain who just can't keep out of trouble His gritty sidekick Bombardier Ryan is a wiry Irishman with a reputation for fist fighting and deadly accuracy with a Mauser pistol Whilst fighting in France Bergeron encounters the incompetent Major Cross and the deplorable Captain Wadham both of whom have an axe to grind with one of their NCOs When two suspicious deaths occur Bergeron is determined to find those responsible and ensure that justice is served Tony's debut novel contains meticulously researched historical references complimented by brief historical endnotes which separate fact from fiction The fast paced battle scenes are interspersed with post war events in south Devon helping readers to observe the effects of war on all those involved *Red Sky Over Dartmoor* is a unique book that will appeal to fans of historical and war fiction as well as those with an interest in Devon Emigration conditions in Europe United States. Immigration Commission (1907-1910),1911 **Soviet News and Propaganda Analysis from Red Star**,1981 **Yellow Star, Red Star** Jelena Subotić,2019-12-15 *Yellow Star Red Star* asks why Holocaust memory continues to be so deeply troubled ignored appropriated and obfuscated throughout Eastern Europe even though it was in those lands that most of the extermination campaign occurred As part of accession to the European Union Jelena Subotić shows East European states were required to adopt participate in and contribute to the established Western narrative of the Holocaust This requirement created anxiety and resentment in post communist states Holocaust memory replaced communist terror as the dominant narrative in Eastern Europe focusing instead on predominantly Jewish suffering in World War II Influencing the European Union's own memory politics and legislation in the process post communist states have attempted to reconcile these two memories by pursuing new strategies of Holocaust remembrance The memory symbols and imagery of the Holocaust have been appropriated to represent crimes of communism *Yellow Star Red Star* presents in depth accounts of Holocaust remembrance practices in Serbia Croatia and Lithuania and extends the discussion to other East European states The book demonstrates how countries of the region used Holocaust remembrance as a political strategy to resolve their contemporary ontological insecurities insecurities about their identities about their international status and about their relationships with other international actors As Subotić concludes Holocaust memory in Eastern Europe has never been about the Holocaust or about the desire to remember the past whether during communism or in its aftermath Rather it has been about managing national identities in a precarious and uncertain world *Red Star on the Nile* Alvin Z. Rubinstein,2015-03-08 The Soviet Egyptian relationship after the June War of 1967 was a new one for both countries and its consequences were of global importance Drawing on all available Soviet and Arab materials Alvin Rubinstein develops the concept of influence as an analytical tool and explores in comprehensive fashion the diplomatic military political and economic aspects of the influence relationship between the two nations in recent years The author's approach is

chronological analytical and oriented toward the issues He finds that the relationship has been fundamentally asymmetrical in aims and accomplishments Egypt's remarkable comeback after the June War would not have been possible without Soviet aid but Moscow benefited primarily in the context of the Soviet American strategic rivalry in the Middle East and only peripherally in terms of influence over Egypt Considering broader Soviet Third World relationships the author shows that there is no demonstrable correlation between intensified interactions and influence that an extensive presence is no assurance of influence and that Soviet influence can seldom be exercised at will in the absence of an ability to project Soviet military power directly Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Red Star in Samarkand Anna Louise Strong, 1929 *To Run for Life from Swastika and Red Star* Alfred Reisfeld, 2002 When the Germans invaded Poland in September 1939 the author and his father were drafted into the Polish Army After a few days of hopeless fighting the brigade in which the author served was routed and dispersed This precipitated

a headlong flight of soldiers and civilians alike anxious to escape the murderous attack of the rapidly advancing enemy armored columns and their attendant aircraft which ceaselessly bombed and strafed roads and villages For some three weeks Aaron Reisfeld and his father desperately sought to escape the Nazi onslaught by fleeing eastward to the Russian border and the perceived safety that country offered It was a harrowing ordeal covering hundreds of kilometers during which the Reisfelds endured hunger exposure bombing shelling and countless dangers on roads clogged with millions of terrified escaping refugees At the outbreak of war the author lived a comfortable life in a reasonably affluent home in the town of Lodz and was about to complete his last year of high school Little did he know it would be more than a decade before he could complete his education and obtain a degree in textile engineering from Nottingham College in England In that decade the author survived many trials by fire and mortal danger first in escaping from the Nazis then fighting the Germans in North Africa as a soldier in the British Army and finally serving in the Israeli Army in that country s bloody war for independence While he managed to escape the fires of the Holocaust his mother sister and most members of his extended family were consumed in it along with six million Jews and untold numbers of gentiles Running from the advancing Nazis the author and his father through sheer determination willpower to survive and luck managed to reach the Russian Zone of Occupation and its temporary safety Soon however they found they had to flee from the Russians as well when they began deporting into the Siberian hinterland capitalists professionals and the intelligentsia who were unlikely to hew to the Soviet ideology and order Fleeing the Russians the Reisfelds brought off another harrowing escape this time by crossing a raging river in the middle of a cold wintry night into Romania where they hoped to find a temporary haven Because they had crossed illegally into the country the author and his father were apprehended by the Romanian police and forced to serve a brief jail sentence before being set free and allowed to stay in that country From their base in Bucharest Reisfeld s father tried to arrange for his mother s and sister s escape from Nazi occupied Poland Such arrangements were difficult to make but possible by bribing the right police and Nazi officials Reisfeld s father succeeded in making those arrangements and his mother and sister were set to travel to then neutral Italy from where they could continue on to Palestine But just as they were about to depart Italy entered the war on Germany s side thus trapping them in Poland and sealing their doom The security they found in Romania did not last as both Germany and the Soviets were poised to march into Romania and partition the country between them The Reisfelds had to flee once again before they could be overtaken by their dreaded enemies They managed to book passage on one of the last passenger ships to leave Romania barely days ahead of the German occupation After a tour of eastern Mediterranean ports the Reisfelds finally landed in Haifa where they were taken in by family members already established in Palestine Yet this was hardly the end of the author s peregrinations With the war raging in North Africa and creeping closer to Palestine Aaron joined the British Army s Corp of Royal Engineers as a sapper lifting and planting mines blowing up fortifications and building and destroying bridges among ot
