Seneca Select Letters

Lucius Annaeus Seneca

Seneca Select Letters:

Seneca: Selected Letters Seneca, 2019-06-06 The letters of Seneca are uniquely engaging among the works that have survived from antiquity. They offer an urgent guide to Stoic self improvement but also cast light on Roman attitudes towards slavery, gladiatorial combat and suicide. This selection of letters conveys their range and variety with a particular focus on letters from the earlier part of the collection. As well as a general introduction, it features a brief introductory essay on each letter which draws out its themes and sets it in context. The commentary explains the more challenging aspects of Seneca's Latin. It also casts light on his engagement with Stoic and Epicurean ideas on the historical context within which the letters were written and on their literary sophistication. This edition will be invaluable for undergraduate and graduate students and scholars of Seneca's moral and intellectual development.

Seneca: Select Letters Lucius Annaeus Seneca, 1983 Selected letters of Seneca presented in translation with introduction and notes

Selected Letters Seneca, 2010-03-11 You ask what is the proper measure of wealth. The best measure is to have what is necessary and next best to have enough. Keep well. The letters written by the Stoic philosopher and tragedian Seneca to his friend Lucilius are in effect moral essays whose purpose is to reinforce Lucilius' struggle to achieve wisdom and serenity uninfluenced by worldly emotions. Seneca advises his friend on how to do without what is superfluous, whether on the subject of happiness, riches, reputation or the emotions. The letters include literary critical discussions, moral exhortation, exemplary heroes and episodes from Roman history and a lurid picture of contemporary luxury. We learn about Seneca's household and estates and about life in the time of Nero, the topic of death is never far away. This readable new translation is the largest selection of Seneca's letters currently available. Accompanied by an invaluable introduction and notes, it opens a window on to Seneca's world.

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study and much more.

Seneca: Selected Philosophical Letters Brad Inwood, 2010-03-25 Seneca's Letters to Lucilius are a rich source of information about ancient Stoicism, an influential work for early modern philosophers and a fascinating philosophical document in their own right. This selection of the letters aims to include those which are of greatest philosophical interest, especially those which highlight the debates between Stoics and Platonists or Aristotelians in the first century AD, and the issue still important today of how technical philosophical enquiry is related to the various purposes for which philosophy is practised. In addition to examining the philosophical content of each letter, Brad Inwood's commentary discusses the literary and historical background of the letters and their relationship with other prose works by Seneca. Seneca is the earliest Stoic author for whom we have access to a large number of complete works and these works were highly influential in later centuries. He was also a politically influential advisor to the Roman emperor Nero and a celebrated

author of prose and verse His philosophical acuity and independence of mind make his works exciting and challenging for the modern reader CLARENDON LATER ANCIENT PHILOSOPHERS General Editors Jonathan Barnes and A A Long This series is designed to encourage philosophers and students of philosophy to explore the fertile terrain of later ancient philosophy The texts range in date from the first century BC to the fifth century AD and will cover all the parts and all the schools of philosophy Each volume contains a substantial introduction an English translation and a critical commentary on the philosophical claims and arguments of the text The translations aim primarily at accuracy and fidelity but they are also readable and accompanied by notes on textual problems that affect the philosophical interpretation No knowledge of Greek or Latin is assumed Select letters of Seneca Lucius Annaeus Seneca (Philosophus.),1965 Select Letters of Seneca Lucio Anneo Séneca,1932 *Select Letters of Seneca* Lucius Annaeus Seneca (Philosophus),1960 *Seneca Letters: A Selection* Eliot Maunder,2016-04-28 This is the OCR endorsed publication from Bloomsbury for the Latin A Level Group 2 prescription of Seneca s Letters giving full Latin text commentary and vocabulary for Letters 51 53 and 57 with a detailed introduction that also covers the prescribed text to be read in English The most enduringly popular of his works the Letters are an ideal introduction to both the personal philosophy and the vibrant Latin of Seneca He writes with wit and modesty to his friend Lucilius about his own daily struggle to live up to the ideals of Stoicism Over the course of this selection he covers a great variety of topics including the Stoics perennial conflict with Fortune the corrupting influence of a bad environment and the irrational nature of most fear Composed not long before his own suicide the Letters also provide an important insight into Seneca s views on death and immortality *Select Letters* Lucius Annaeus Seneca,1910 **Selected Letters** Lucius Annaeus Seneca,2010-03-11 This is the largest selection of Stoic philosopher and tragedian Seneca s letters currently available In them Seneca advises his friend Lucilius on how to do without what is superfluous whether on the subject of happiness riches reputation or the emotions We learn too about Seneca s personal and political life in the time of Nero

Select Letters of Seneca. Edited with Introduction and Explanatory Notes by Walter C. Summers,...

Sénèque,1926 **Select Letters of Seneca** Lucio Anneo Séneca,1932 Select Letters of Seneca Lucius Annaeus Seneca (4 a. C.-65.),1996 Select Letters of Seneca Walter C. Letters from a Stoic Seneca, 2004-08-26 Illuminating writings by Stoicism's most eloquent advocate now with a new introduction It is philosophy that has the duty of protecting us without it no one can lead a life free of fear or worry For several years of his turbulent life in which he was dogged by ill health exile and danger Seneca was the guiding hand of the Roman Empire This selection of Seneca's letters shows him upholding the ideals of Stoicism the wisdom of the self possessed person immune to life's setbacks while valuing friendship and courage and criticizing the harsh treatment of slaves and the cruelties in the gladiatorial arena The humanity and wit revealed in Seneca's interpretation of Stoicism is a moving and inspiring declaration of the dignity of the individual mind

Selected letters of Seneca Lucius Annaeus Seneca, 1922 *Selected Letters* John Donne, 2017-09-25 Whether sharing his anxieties about his writing consoling bereaved friends complaining about the meanness of a patron or defending himself against malicious gossip John Donne reveals himself in his letters with a directness that can be found nowhere else in his writings These letters corroborate the impression created by his better known writings that he was one of the most remarkable figures produced by the English Renaissance and that he possessed an extraordinarily subtle and creative intelligence

Select letters of seneca, edited by walter c. summers Lucius Annaeus Seneca, Walter c. (editor) Summers, 1910

Seneca: Selected Philosophical Letters Brad Inwood, 2007-05-24 Seneca's Letters to Lucilius are a rich source of information about ancient Stoicism an influential work for early modern philosophers and a fascinating philosophical document in their own right This selection of the letters aims to include those which are of greatest philosophical interest In addition to examining the philosophical content of each letter Brad Inwood's commentary discusses their literary and historical background
