Encyclopedia of the Vietnam War Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study
of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam
War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as
well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue
to have great relevance in today s world Now in its second edition The Encyclopedia of the Vietnam War A Political Social
and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most
comprehensive reference available about one of the most controversial events in U S history Written to provide
multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire
scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how
the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and
accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even
more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC
