the sense of glory Herbert Read,1929 *Herbert Read Reassessed* David Goodway,1998-01-01 Herbert Read 1893 1968 acquired in his lifetime a considerable international reputation in all the major areas of his diverse activities as poet as educationalist as anarchist as philosopher of aesthetics as art critic as historian of and above all as propagandist for modern art and design The papers assembled in *Herbert Read Reassessed* offer a comprehensive and authoritative coverage of Read s life work that is designed to stimulate debate An impressive volume it manages to present a unified but not totalizing portrait of one of England s most distinguished twentieth century critics *English Historical Review* *Recharting the Thirties* Patrick J. Quinn,1996 The aim of *Recharting the Thirties* is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten *Herbert Read and Selected Works* Herbert Read,2022-07-30 *Herbert Read and Selected Works* includes four of Herbert Read s most seminal works *A Coat of Many Colours* *Occasional Essays* *The English Vision* *An Anthology* *The Tenth Muse* *Essays in Criticism* and *The Politics of the Unpolitical* This collection also includes the title *Herbert Read A Memorial Symposium* a collection of essays that illustrates the many different aspects and achievements of Read s career

Selected Essays of Sean O'Faolain Brad Kent,2016-10-01 Sean O Faolain 1900 1991 was Ireland s leading social and political critic in the period following the country s independence from the United Kingdom Since his death scholarly opinion has alternately cast him as an arch revisionist a liberal nationalist and a frustrated republican The *Selected Essays of Sean O Faolain* reassesses his reputation by showing that he wrote in the tradition of post Enlightenment European intellectuals and

that while he was a significant figure in Ireland his work extends beyond immediate national concerns This volume includes over fifty unabridged essays by O Faolain on a wide range of subjects from canonical writers to architecture from religious scandals to economics from nationalism to internationalism from long dead historical figures to recent controversies O Faolain's fearlessness in taking on the major political cultural and religious figures of his day his masterly use of rhetoric and his intellectual acuity have contributed to his works being quoted often by scholars working across several disciplines Many of these essays appear here in print for the first time since they were published in the foremost periodicals of their day An extensive introduction and helpful annotations contextualise and explain them for a new audience In his re-readings of history and challenges to dominant historiographical trends O Faolain has become a pariah to some and a hero to others The Selected Essays of Sean O Faolain bridges some of these competing visions presenting a more complex figure through his varied corpus of writing

Tristram Shandy (Routledge Revivals) Max Byrd, 2014-08-01 Max Byrd's lucidly written and compelling volume aims to provide a scholarly introduction to one of the most puzzling pieces of eighteenth century literature and a stimulus to critical thought and discussion Laurence Sterne an eccentric and largely unsuccessful clergyman was forty six when he sat down in January of 1759 to begin his literary masterpiece Aside from his sermons only two of which had ever been published Sterne had little more to do with the literary life than any other respectable provincial clergyman His explosion into the history of English literature occurred not only without preparation but also without apparent aptitude *Tristram Shandy* first published in 1985 sketches Sterne's life and literary antecedents closely analysing key passages of his great satire and concluding with the critical history and bibliography It will thus be of use to all students of eighteenth century English literature

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

Kropotkin, Read, and the Intellectual History of British Anarchism M. Adams, 2015-06-04 Although marginal as a political force anarchist ideas developed in Britain into a political tradition This book explores this lost history offering a new appraisal of the work of Kropotkin and Read and examining the ways in which they endeavoured to articulate a politics fit for the particular challenges of Britain's modern history

Herbert Read (Routledge Revivals) Malahat Review, 2015-07-24 As a poet and critic of art and literature and as a social and political philosopher Sir Herbert Read exerted an important influence on the culture of his time Not only did he assist and inspire many writers and artists but through his work for the idea of education through art he greatly influenced education in particular the teaching of art and literature in schools For this symposium first

issued in 1969 as the ninth number of The Malahat Review Professor Skelton has gathered together original essays poems and drawings which illustrate many aspects of Sir Herbert Read s life and work The Nation and the Athenaeum ,1929

Palgrave Advances in Henry James Studies P. Rawlings,2007-01-09 This book explores landmark criticism on a writer who continues to command critical attention In addition to mapping out the existing critical terrain these essays offer a sense of future trajectories in James studies Essays consider James own criticism and theories of narrative and architecture James letters money and globalization Notes and Queries ,1929 Annual Bibliography of English Language and Literature ,
